C. Entire Agreement: The Agreement (8 pages) and Attachment (1 page) represents the entire and integrated agreement and understanding between the parties in regard to the subject matter herein and supersedes all prior negotiations, statements, representations and agreements, whether written or oral.

D. Assignment: Neither this Agreement, nor any rights or obligations hereunder shall be assigned or delegated by a party without the prior written consent of the other party.

E. Modification: This Agreement shall be modified only by a written agreement, duly executed by all parties hereto.

F. Termination: This Agreement may be terminated (a) by either party at any time for failure of the other party to comply with the terms and conditions of this agreement; (b) by either party, with thirty (30) days' prior written notice to the other party; or (c) upon mutual written agreement by both parties.

G. Invalidity: If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, or if the COUNTY is advised of any such actual or potential invalidity or unenforceability, such holding or advice shall not invalidate or render unenforceable any other provision hereof. It is the express intent of the parties the provisions of this Agreement are fully severable.

H. Applicable Law and Venue: The parties mutually understand and agree this Agreement shall be governed by and interpreted pursuant to the laws of the State of Wyoming. If any dispute arises between the parties from or concerning this Agreement or the subject matter hereof, any suit or proceeding at law or in equity shall be brought in the District Court of the State of Wyoming, First Judicial District, sitting at Cheyenne, Wyoming or the Federal District Court, District Of Wyoming. This provision is not intended, nor shall it be construed to waive COUNTY's governmental immunity as provided in this Agreement.

I. Discrimination: All parties agree they will not discriminate against any person who performs work under the terms and conditions of this Agreement because of race, color, gender, creed, handicapping condition, or national origin.

J. ADA Compliance: All parties agree they will not discriminate against a qualified individual with disability, pursuant to a law as set forth in the Americans With Disabilities Act, P.L. 101-336, 42 U.S.C. § 12101, et seq., and/or any properly promulgated rules and regulations relating thereto.

K. Governmental/Sovereign Immunity: COUNTY does not waive its Governmental/Sovereign Immunity, as provided by any applicable law including W.S. § 1-39-101 et seq., by entering into this Agreement. Further, COUNTY fully retains all immunities and defenses provided by law with regard to any action, whether in tort, contract or any other theory of law, based on this Agreement.

L. Third Parties: The parties do not intend to create in any other individual or entity the status of third-party beneficiary, and this Agreement shall not be construed so as to create such status. The rights, duties and obligations contained in this Agreement shall operate only between the parties to the Agreement and shall inure solely to the benefit of the parties to this Agreement.

M. Indemnification: To the fullest extent permitted by law, CONTRACTOR agrees to indemnify and hold harmless COUNTY, its elected and appointed officials, employees and volunteers from any and all liability for injuries, damages, claims, penalties, actions, demands or expenses arising from or in connection with work performed by or on behalf of CONTRACTOR for COUNTY except to the extent liability is caused by the sole negligence or willful misconduct of COUNTY or its employees. CONTRACTOR shall carry liability insurance sufficient to cover its obligations under this provision and provide COUNTY with proof of such insurance.

1. Danger and risk of loss: CONTRACTOR understands and acknowledges the potentially dangerous nature of bubble tower performance to its attendees and the venue. CONTRACTOR accepts these risks and agrees to indemnify COUNTY and renounce any claim against COUNTY in the event of loss or damage to persons or property subject to this agreement. This indemnification includes but is not limited to CONTRACTOR'S disclaimer of, and agreement that, no "bailment" is created by the provision of vehicles or property pursuant to this agreement.

2. Insurance: CONTRACTOR shall carry liability insurance sufficient to cover its obligations under this Agreement. CONTRACTOR shall furnish COUNTY with the entire policy, original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR'S obligation to provide them. COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

a. Minimum Limits of Coverage: Insurance shall be Commercial General Liability (CGL): Insurance Services Office Form CG 00

01 or equivalent covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than \$1,000,000 per occurrence with a \$2,000,000 aggregate. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit. If CONTRACTOR maintains higher limits than the minimums shown above, COUNTY requires and shall be entitled to coverage for the higher limits maintained by CONTRACTOR.

- b. Primary and Non-Contributory: For any claims related to this contract, the CONTRACTOR's insurance coverage shall be primary insurance as respects COUNTY, its officers, officials, employees, and volunteers. Any insurance of self-insurance maintained by the Entity, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
- c. Waiver of Subrogation: CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the Entity by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Entity has received a waiver of subrogation endorsement from the insurer.
- d. Additional Named: COUNTY, its officers, officials, employees and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Vendor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form CG 20-10-11-85 or if not available, through the addition of both CG 20-10 and CG 20-37 if a later edition is used. Additional Named status shall be reflected on any certificate of insurance and/or CONTRACTOR will provide COUNTY with a copy of the appropriate endorsement to the policy reflecting the additional named status.

N. Conflict of Interest: COUNTY and CONTRACTOR affirm, to their knowledge, no CONTRACTOR employee has any personal beneficial interest whatsoever in the agreement described herein. No staff member of CONTRACTOR, compensated either partially or wholly

with funds from this Agreement, shall engage in any conduct or activity which would constitute a conflict of interest relative to this Agreement.

O. Force Majeure: Neither party shall be liable to perform under this Agreement if such failure arises out of causes beyond control, and without the fault or the negligence of said party. Such causes may include, but are not restricted to, Act of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. In every case, however, a failure to perform must be beyond the control and without the fault or the negligence of said party.

P. Limitation on Payment: COUNTY's payment obligation is conditioned upon the availability of funds which are appropriated or allocated for the payment of this obligation. If funds are not allocated and available for the continuance of the services and equipment provided by CONTRACTOR, the Agreement may be terminated by COUNTY at the end of the period for which funds are available. COUNTY shall notify CONTRACTOR at the earliest possible time of the services which will or may be affected by a shortage of funds. At the earliest possible time means at least thirty (30) days before the shortage will affect payment of claims, if COUNTY knows of the shortage at least thirty (30) days in advance. No penalty shall accrue to COUNTY in the event this provision is exercised, and COUNTY shall not be obligated or liable for any future payments due or for any damages as a result of termination under this provision. This provision shall not be interpreted or construed to permit COUNTY to terminate this Agreement in order to acquire similar services from another party.

Q. Notices: All notices required and permitted under this Agreement shall be deemed to have been given, if and when deposited in the U.S. Mail, properly stamped and addressed to the party for whom intended at such parties' address listed herein, or when personally delivered personally to such party. A party may change its address for notice hereunder by giving written notice to the other party.

R. Agreement Controls: Where a conflict exists or arises between any provision or condition of this Agreement and the Attachment, the provisions and conditions set forth in this Agreement shall control.

S. Compliance with Law: The parties agree that they shall comply with all applicable laws, regulations and ordinances, whether Federal, State or Local.

T. Insurance and Warranty: CONTRACTOR by signing below asserts they have general business insurance and liability insurance and will provide a certificate of insurance (COD) upon request and any warranties for parts used during this agreement will be assigned to COUNTY wherever possible.

U. Assertion of Agency, Personal Guarantee: By signing below, for CONTRACTOR, the individual (hereinafter "signor") asserts they have authority to bind CONTRACTOR to this agreement and that the asserted entity is not defunct or dissolved. If the Company for

CONTRACTOR is a "dba" or trade name, and not recognized by a State as a legally independent entity, then signor (and/or responsible corporate entity) also unconditionally personally guarantees the prompt, full, and complete performance of all responsibilities and duties owed by the CONTRACTOR to the COUNTY under this agreement and further agrees to be jointly and severally liable for any damages, including attorney's fees and other legal costs and expenses, caused to the COUNTY by any breach of this agreement.
