

BEFORE THE BOARD OF LARAMIE COUNTY COMMISSIONERS

IN THE MATTER OF AN ADMINISTRATIVE)
APPEAL BY TANER AND SUZANNE NORTON) NO. 181120-23
IN REGARD TO 612 E. WRANGLER RD.)

ORDER DISMISSING ADMINISTRATIVE APPEAL

THIS MATTER, having become before the Board of Laramie County Commissioners on November 20, 2018 In the above-entitled appeal, the parties having been present, represented by Counsel Gay Woodhouse and the Board having been fully informed of the premises,

THE BOARD FINDS; the subject matter of the Administrative Appeal as reflected in the appeal filed October 22, 2018, was a claim that the Laramie County Public Works Department had directed the Norton's remove a tree from the right-of-way of E. Wrangler Rd. Having reviewed the submitted materials, the Board determines that there was no directive to remove the tree and no final or directive action had been taken by the Department of Public Works.

Testimony by the Norton's at the hearing on the 20th failed to indicate any other directive or action taken by the Department of Public Works or other County agency in regard to the Norton's or their property at 612 E. Wrangler Rd.

The Norton's stated in a submission on November 20, 2018 at the hearing in this matter, in pertinent part: "While the one item that is the catalyst that initiated our administrative appeal (landscaping immature tree) appears to have been addressed in a letter from the Laramie County Public Works (LCP W) dated November 1, 2018, the letter leaves us with confusion and concern about the County's intent, or not, to protect public property for the public greater good."

THE BOARD CONCLUDES: No decision or directive by any Laramie County agency had been made to the Norton's from which an appeal may lie. Additionally, the action alleged in the appeal by a County agency, by admission of the Norton's, is moot.

IT IS THEREFORE ORDERED that the above described appeal be

denied.

Pursuant to WS 16-3-114 (A) Any person aggrieved or adversely affected in fact by this final decision is entitled to judicial review in the District Court, First Judicial District.

DATED this 22nd day of November, 2018.
