5.0 DISCLOSURES

The laws of Wyoming require that the contents of all bids shall be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld if clearly identified as such in the bid. The entire bid cannot be designated as proprietary or a trade secret. If a request is received to examine portions designated as proprietary or a trade secret, Laramie County will notify the vendor to permit the vendor to defend the proprietary nature of the information.

If a respondent discovers any ambiguity, conflict, discrepancy, exclusionary specifications, omission, or other error in this document, the respondent shall immediately notify the issuing office. If a respondent fails to notify the issuing office of any error, ambiguity, conflict, discrepancy, exclusionary specifications, or omission, the respondent shall submit a response at its own risk and under such conditions. If the respondent is awarded a contract, then such respondent will not be entitled to additional compensation, relief, or time by reason of the error or its later correction.

The successful respondent will be expected to enter into a contract with Laramie County upon terms acceptable to the County.

Following the award of the contract, responses to this bid are subject to release as public information unless specific parts of the response can be shown to be exempt from the laws of the State of Wyoming. Respondents are advised to consult with their legal counsel regarding disclosure issues and take the appropriate precautions to safeguard trade secrets or any other proprietary information. Laramie County assumes no obligation or responsibility for asserting legal arguments on behalf of potential respondents.

If a respondent believes that parts of a bid are confidential then the respondent must so specify. The respondent must mark in bold red letters the term “**CONFIDENTIAL**” on that part of the response, which the respondent believes to be confidential. The respondent must submit in writing specific detailed reasons, including any relevant legal authority, stating why the respondent believes the material to be confidential. Vague and general claims as to confidentiality will not be accepted. Laramie County will be the sole judge as to whether a claim is general and/or vague in nature. The successful bid may be considered public information even though parts are marked confidential.

Bids must be signed by a person authorized to commit the respondent to provide the services requested in this RFP. Submission of a signed bid will be interpreted to mean the respondent has agreed to all terms and conditions set forth in all of the sheets which make up this RFP.

Laramie County accepts no obligations for the costs incurred in responding to this RFP in anticipation of being awarded a contract. Laramie County reserves the right to reject any and all submitted bids. It is understood that all bids become the property of Laramie County and will be available for public inspection. No obligation is made by retention of these bids, nor is Laramie County committed to awarding a contract as a result of this RFP.
