CHEYENNE & LARAMIE COUNTY AMERICA 250 COMMISSION

"America 250 Celebration Concert: Honoring Our Heritage" Parade Grant Application

Project Narrative

The Cheyenne & Laramie County America 250 Commission is seeking a grant to support the "America 250 Celebration Concert: Honoring Our Heritage," a concert to be performed by the Cheyenne Symphony Orchestra on July 4, 2026. This event will not only honor the Revolutionary War ideals of independence, liberty, and equality but also connect those ideals to Wyoming's cultural identity and history. The celebration will leave a lasting legacy by uniting residents and visitors in a shared moment of reflection, pride, and community.

Project Description

The America 250 Concert will be performed in the twilight hours of Saturday, July 4, 2026 on Capitol Avenue and 24th Street in Cheyenne, directly in front of the iconic Wyoming State Capitol, which will provide a symbolic backdrop to this historic celebration. The Cheyenne Symphony Orchestra, composed of professional musicians from southeast Wyoming and the Front Range, will perform a 90-minute program of patriotic works by American composers, including John Philip Sousa, Aaron Copland, Irving Berlin, and others. The concert will include a massed choir, composed of singers from local schools, community choirs, and church ensembles, performing alongside the orchestra.

The program will also feature "American Patriot Hymn," a three-movement piece by John Lippencott a two-time Emmy nominated composer who lives in Alpine, Wyoming. The work was specifically composed for Wyoming's America 250 celebration and offered to the Cheyenne & Laramie County America 250 Commission and the Cheyenne Symphony Orchestra for this concert.

This collaboration will emphasize community engagement, bringing together diverse groups to celebrate our shared heritage. The event will begin at 8:00 p.m. and will culminate in a breathtaking finale, synchronized with a separately funded fireworks display in downtown Cheyenne. This finale will reinforce the themes of unity and gratitude, providing a memorable conclusion to this celebration of freedom and democracy.

Objectives

The America 250 Concert aims to:

- 1. Inspire Learning and Reflection:** Provide an artistic and educational experience that connects Wyoming residents and visitors to the ideals of the American Revolutionary War.
- 2. Foster Community Engagement:** Unite Wyoming residents, from local students to professional musicians, in a shared celebration of our nation's founding principles.
- 3. Celebrate Wyoming's Role in the National Story:** Highlight Wyoming's contributions to American ideals, particularly equality, through the commissioned musical work and the event's location at the State Capitol.

4. **Leave a Lasting Legacy:** Create a commemorative experience that instills pride and gratitude for our shared American heritage, leaving a memory that will endure beyond the Semiquincentennial.

Relevance to America 250 Themes

This project directly aligns with the America 250 themes by commemorating the American Revolutionary War and its ideals while connecting them to Wyoming's unique story. The inclusion of a commissioned work by a Wyoming composer highlights the state's cultural contributions and celebrates its leadership in equality, including being the first state to grant women the right to vote.

By performing works from iconic American composers, the program will honor the diversity and creativity of our nation's cultural heritage. As the smallest state in the union, Wyoming's participation in the America 250 celebration is crucial to ensuring that all voices are represented in this national milestone. The concert will inspire gratitude, reflection, and pride in Wyoming's residents while highlighting the state's role in shaping America's story.

Community Impact

The America 250 Concert will bring together a wide array of community members and organizations, including local schools, cultural groups, and civic organizations, to create a shared experience that will be remembered for years to come.

The event is expected to attract thousands of attendees from across Wyoming. The involvement of local students in the massed choir will provide a hands-on educational opportunity, connecting young people to the ideals of the American Revolutionary War and the importance of civic pride.

Sustainability and Legacy

The America 250 Concert is designed to leave a lasting legacy for Cheyenne and Wyoming. By commissioning a custom musical work, the project will create a piece that can be performed for years to come, ensuring the celebration's themes endure beyond 2026. The concert's location at the Wyoming Capitol, combined with its focus on community involvement, will create a powerful visual and emotional connection to the state's heritage.

Furthermore, the Cheyenne & Laramie County America 250 Commission's collaboration with Cheyenne Frontier Days, local schools, and other community organizations demonstrates a commitment to fostering partnerships that will continue to benefit the city and state in the future. This event will not only celebrate America's 250th anniversary but also strengthen Wyoming's cultural identity and civic pride.

Management of Project

The Commission is closely with the leadership of the Cheyenne Symphony Orchestra, a professional ensemble with a proven track record of delivering high-quality performances. The project will be organized by Lindsay Reynolds, Executive Director, and William Intrilligator, Music Director. The Commission will participate through its music chair, Sean Ambrose, longtime coordinator of music programs for Laramie County School District No. 1. The Commission's

experience with large-scale events, combined with its dedication to promoting Wyoming's unique contributions to American history, positions it to execute this ambitious project successfully.

Timeline

Planning is already underway for the concert. The performance will be on Saturday, July 4, 2026, as noted above.

Budget

The America 250 Concert will cost \$32,500, as outlined below. This cost includes fees for professional musicians, licensing musical scores from a music publishing company, rent the tenting required under an existing labor agreement between the symphony and its musicians to cover the musicians when they perform outdoors, and other expenses.

We are seeking a \$25,000 grant. All additional funds needed to support the concert will be provided by private donors.

Note that use "American Patriot Hymn," the commissioned work to support Wyoming's celebration, has been donated by the composer. Also, no portion of the grant will be used to fund any portion of the fireworks display accompanying the concert. In longstanding tradition, the fireworks display in Cheyenne will be funded exclusively by Cheyenne Frontier Days. The Cheyenne & Laramie County America 250 Commission is fully aware of the legislature's prohibition of state funds being used to fund fireworks.
