Laramie County will be exempt from, and in no way liable for, any sums of money, which may represent a deductible on the insurance policy. The payment, if any deductible applies, will be the sole responsibility of vendor providing insurance.

Tab 6 - Other Information

Include any additional information you believe will assist the County in the selection process of qualified respondents. Please be succinct.

5.0 DISCLOSURES

The laws of Wyoming require that the contents of all bids shall be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld if clearly identified as such in the bid. The entire bid cannot be designated as proprietary or a trade secret. If a request is received to examine portions designated as proprietary or a trade secret, Laramie County will notify the vendor to permit the vendor to defend the proprietary nature of the information.

If a respondent discovers any ambiguity, conflict, discrepancy, exclusionary specifications, omission, or other error in this document, the respondent shall immediately notify the issuing office. If a respondent fails to notify the issuing office of any error, ambiguity, conflict, discrepancy, exclusionary specifications, or omission, the respondent shall submit a response at its own risk and under such conditions. If the respondent is awarded a contract, then such respondent will not be entitled to additional compensation, relief, or time by reason of the error or its later correction.

The successful respondent will be expected to enter into a contract with Laramie County upon terms acceptable to the County. Respondent will be required to be registered in Sam.gov to receive federal ARPA funding as a contractor.

Following the award of the contract, responses to this bid are subject to release as public information unless specific parts of the response can be shown to be exempt from the laws of the State of Wyoming. Respondents are advised to consult with their legal counsel regarding disclosure issues and take the appropriate precautions to safeguard trade secrets or any other proprietary information. Laramie County assumes no obligation or responsibility for asserting legal arguments on behalf of potential respondents.

If a respondent believes that parts of a bid are confidential then the respondent must so specify. The respondent must mark in bold red letters the term “**CONFIDENTIAL**” on that part of the response, which the respondent believes to be confidential. The respondent must submit in writing specific detailed reasons, including any relevant legal authority, stating why the respondent believes the material to be confidential. Vague and general claims as to confidentiality will not be accepted. Laramie County will be the sole judge as to whether a claim is general and/or vague in nature. All parts of bids, which are not marked as confidential, will be automatically considered public information after the contract is awarded. The successful bid may be considered public information even though parts are marked confidential.

Bids must be signed by a person authorized to commit the respondent to provide the services requested in this RFP. Submission of a signed bid will be interpreted to mean the respondent has agreed to all terms and conditions set forth in all of the sheets, which make up this RFP.

Laramie County accepts no obligations for the costs incurred in responding to this RFP in anticipation of being awarded a contract. Laramie County reserves the right to reject any and all submitted bids. It is understood that all bids become the property of Laramie County and will be available for public inspection. No obligation is made by retention of these bids, nor is Laramie County committed to awarding a contract as a result of this RFP.

Each respondent must disclose any existing or potential conflict of interest relative to the performance of the requirements of this bid. Examples of potential conflicts may include an existing business or personal relationship between the respondent, its principal or any affiliate or subcontractor, with Laramie County or any other entity or person involved in any way in the project that is the subject of this RFP. Similarly, any personal or business relationship between the respondent, the principals, or an affiliate or subcontractor, with any employee of Laramie County or its suppliers must be disclosed. Any such relationship that might be perceived or represented as a conflict should be disclosed. Failure to disclose any such relationship or reveal personal relationships with Laramie County employees may be cause for contract termination. Laramie County will decide if an actual or perceived conflict should result in bid disqualification. By submitting a response to this RFP, all respondents affirm that they have not given, nor intend to give, any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, tip, favor, or service to a Laramie County employee or representative in connection with the procurement.

Sovereign Immunity

Laramie County does not waive its Governmental/Sovereign Immunity, as provided by any applicable law including W.S. 1-39-101 *et seq.*, by issuing this RFP or by entering into any

subsequent agreement. Further, Laramie County fully retains all immunities and defenses provided by law with regard to any action, whether in tort, contract or any other theory of law, based on this RFP or any subsequent agreement.

Indemnification

To the fullest extent permitted by law, the successful respondent agrees to indemnify and hold harmless Laramie County, its appointed officials, elected officials, employees and volunteers from any and all liability for injuries, damages, claims, penalties, actions, demands or expenses arising from or in connection with any work performed by or on behalf of respondent for Laramie County pursuant to any agreement with Laramie County.

Termination

The selection may be terminated (a) by either party at any time for failure of the other party to comply with the terms and conditions of the RFP or any subsequent agreement; (b) by either party, with thirty days' prior written notice to the other party; or (c) upon mutual written agreement by both parties.

Force Majeure

Neither the respondent nor Laramie County shall be liable to perform under this RFP or subsequent agreement if such failure arises out of causes beyond control, and without the fault or the negligence of said party. Such causes may include, but are not restricted to, Act of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes and unusually severe weather. In every case, however, a failure to perform must be beyond the control and without the fault or the negligence of said party.

The submission of a bid shall be considered acceptance to all the terms and conditions provided herein and in the various bid documents, unless specifically noted otherwise in the bid.
