

## LARAMIE COUNTY PLANNING & DEVELOPMENT DEPARTMENT

---

### Planning • Building

#### MEMORANDUM

**TO:** Laramie County Board of Commissioners

**FROM:** Sonny M. Keen, Associate Planner

**DATE:** May 6<sup>th</sup>, 2025

**TITLE:** Review and action on a Zone Change from MR – Medium Density Residential to CB – Community Business for Terry Homesites: Lot 10, Block 2, Laramie County, WY, and Board Approval for Surface Storage Use.

---

#### EXECUTIVE SUMMARY

Bailey McHenry (210 Properties, LLC), landowner, has submitted Zone Change, Board Approval, and Site Plan applications for Terry Homesites: Lot 10, Block 2, located at 210 Williams Street. The purpose of the application is to change the zone district from MR – Medium Density Residential to CB – Community Business to allow for outside surface storage for refrigerated box trucks to park.

#### BACKGROUND

The subject property is 0.17 acres, currently zoned MR and adjacent to single-family residential lots to the north, west and south, and CB – Community Business to the east. The property is accessed from Williams Street.

#### **Pertinent Regulations**

**Section 1-2-100** of the Laramie County Land Use Regulations governing the criteria for Board Approval.

**Section 1-2-103(b)** of the Laramie County Land Use Regulations governing the criteria for a zone map amendment.

**Section 4-2-107** of the Laramie County Land Use Regulations governing the CB – Community Business zone district.

**Section 4-2-107(b)(viii)** of the Laramie County Land Use Regulations governing the CB – Community Business zone district requiring Board approval for use.

## **DISCUSSION**

The Laramie County Comprehensive Plan designates this area as URI (Urban Rural Interface), intended to accommodate a mix of more intensive land uses than other areas. These areas may have public water and sewer services, a higher level of vehicular access, and a greater overall level of community services. PlanCheyenne designates this area as UR – Urban Residential which supports neighborhood commercial businesses as a secondary use. The property is adjacent to MU-C Mixed Use Commercial. The proposed action complies with both plans.

This property is part of the South Cheyenne Water Sewer District, however at this time, the project will only require electricity to be run to the parcel. Future use of water/sewer services will need to be reviewed by this district.

Public notice was published, and neighbor notice letters were sent by certified mail. Staff received no written comments from adjacent landowners. Agency comments did not address any issues other than requiring Board Approval for the use which the applicant did address.

Section 4-2-107(b)(viii) states that in order for uses similar to Storage facilities to operate in the CB – Community Business zone district prior approval is required from the Board under Section 1-2-100 governing Board Approval.

On April 10<sup>th</sup>, 2025, the Laramie County Planning Commission held a public hearing on this application and voted (3-0) to recommend approval of the zone change.

## **RECOMMENDATION and FINDINGS**

**Based on evidence provided for the *zone change*, staff recommends the Board find that:**

- a. This application does meet the criteria for a zone map amendment pursuant to section 1-2-103(b) of the Laramie County Land Use Regulations
- b. The proposed change in zone district is in conformance with the requirements of section 4-2-107 of the Laramie County Land Use Regulations.

**and that Board approves the Zone Change from MR - Medium Density Residential to CB – Community Business to the Laramie County Board of Commissioners for Terry Homesites: Lot 10, Block 2, Laramie County, WY, with no conditions.**

**Based on evidence provided for the *Board approval*, staff recommends the Board find that:**

- a. This application meets the criteria for Board approval pursuant to section 1-2-100 of the Laramie County Land Use Regulations.
- b. This application meets the criteria for Board approval pursuant to section 4-2-107(b)(viii) of the Laramie County Land Use Regulations.

**and that the Board approves the use for outside surface storage with no conditions.**

### **PROPOSED MOTION ZONE CHANGE**

**I move to adopt the findings of fact a and b of the staff report and approve the Zone Change from MR - Medium Density Residential to CB – Community Business for Terry Homesites: Lot 10, Block 2, Laramie County, WY, with no conditions.**

### **PROPOSED MOTION FOR BOARD APPROVAL**

**I move to adopt the findings of fact a and b of the staff report and approve the use for outside surface storage with no conditions.**

Public Safety Fees	Land outside of a water and/or sewer district shall be assessed a \$1,000.00 per lot public safety fee				

\*\*Note: Health Dept. fee increase relating to subdivision permit/plat process approved by Laramie County Board of Commissioners on June 2, 2015, and Board of Health on June 16, 2015.

Once ZC & BA completed submit for site plan.

No charge board approval. ①

②

①

## **Traffic Study Waiver Request Criteria**

### **3-5-105a. Requirements**

A traffic study may be required for any site plan, subdivision permit, or access request for any development and shall be required for any project or development that will generate 100 or more trips during any hour or over 200 trips per day. Traffic studies shall be prepared by a qualified civil engineer licensed by the Wyoming State Board of Registration for Professional Engineers and Professional Land Surveyors to practice engineering in Wyoming. The applicant and the engineer shall meet with the County prior to preparation of the traffic study to discuss specific issues or concerns. The Director of Planning and Development may waive a traffic study based on estimated ADT, and peak hour trips, or existing road or site conditions, including adequate pedestrian access.

## **Drainage Study Waiver Request Criteria**

### **3-1-105 Drainage Report Waiver**

Requests for waivers for drainage impact studies shall be made in writing to the Laramie County Public Works Department. The County shall review the request and approve the grant for a waiver or identify the level of study required for the proposed development action. Laramie County Public Works may waive the requirement for drainage study based on the following:

- a. Information is provided to substantiate there are no potential drainage problems at the site or downstream of the site (including impacts to downstream floodplains).
- b. The development or redevelopment will not result in an increase in the historic impervious area.
- c. The development or redevelopment of an area is immediately adjacent to a major drainageway that is capable of conveying the fully developed basin 100-year flood without impact to the base flood elevation.
- d. The development or redevelopment is unlikely to create drainage problems.

## Project Narrative 210 Williams St. Cheyenne, Wy, 82007

This is a request for a zone change at 210 Williams Street- The intent is to be able to allow a prospective commercial tenant to park refrigerated box trucks on the property in a surface storage capacity. To facilitate this, the lot would need to be furnished with a new electric service and receptacle pedestals which the tenant can use to charge the truck batteries. This is part of the medium term plan for the property which will eventually be the site of a permanent structure. The current zoning of the property is MR, Medium Density Residential. The proposed change is to CB, Community Business designation. One of the adjacent parcels is CB zoning and many of the neighboring parcels also are CB. This change of zoning and provisions for surface storage would allow for some income to be generated on the property which can be used for the long term improvements to the property.

## **Traffic Study Waiver Request Criteria**

### **3-5-105a. Requirements**

A traffic study may be required for any site plan, subdivision permit, or access request for any development and shall be required for any project or development that will generate 100 or more trips during any hour or over 200 trips per day. Traffic studies shall be prepared by a qualified civil engineer licensed by the Wyoming State Board of Registration for Professional Engineers and Professional Land Surveyors to practice engineering in Wyoming. The applicant and the engineer shall meet with the County prior to preparation of the traffic study to discuss specific issues or concerns. The Director of Planning and Development may waive a traffic study based on estimated ADT, and peak hour trips, or existing road or site conditions, including adequate pedestrian access.

## **Drainage Study Waiver Request Criteria**

### **3-1-105 Drainage Report Waiver**

Requests for waivers for drainage impact studies shall be made in writing to the Laramie County Public Works Department. The County shall review the request and approve the grant for a waiver or identify the level of study required for the proposed development action. Laramie County Public Works may waive the requirement for drainage study based on the following:

- a. Information is provided to substantiate there are no potential drainage problems at the site or downstream of the site (including impacts to downstream floodplains).
- b. The development or redevelopment will not result in an increase in the historic impervious area.
- c. The development or redevelopment of an area is immediately adjacent to a major drainageway that is capable of conveying the fully developed basin 100-year flood without impact to the base flood elevation.
- d. The development or redevelopment is unlikely to create drainage problems.

## Project Narrative 210 Williams St. Cheyenne, Wy, 82007

This is a request for a zone change at 210 Williams Street- The intent is to be able to allow a prospective commercial tenant to park refrigerated box trucks on the property in a surface storage capacity. To facilitate this, the lot would need to be furnished with a new electric service and receptacle pedestals which the tenant can use to charge the truck batteries. This is part of the medium term plan for the property which will eventually be the site of a permanent structure. The current zoning of the property is MR, Medium Density Residential. The proposed change is to CB, Community Business designation. One of the adjacent parcels is CB zoning and many of the neighboring parcels also are CB. This change of zoning and provisions for surface storage would allow for some income to be generated on the property which can be used for the long term improvements to the property.

## Permit Notes

**Permit Number:** PZ-25-00011

**Parcel Number:** 13661730101500

**Submitted:** 02/21/2025

**Site Address:** UNKNOWN

**Technically Complete:** 02/24/2025

**Applicant:** MC HENRY, BAILEY J ET UX  
**Owner:** 210 PROPERTIES LLC

Laramie County, WY 00000

**Approved:**  
**Issued:**

**Project Description:** To change the zoning designation of the parcel.

03/07/2025		Application	PZ-25-00011	GENERAL	Project narrative and pre-application notes indicate rezone is for surface storage. Per LCLUR 4-2-107(b)(iii) Board approval is required for storage facilities under CB zoning. [JB]	LARAMIECOUNTY.ATTORNEY@LARAMIECOUNTY.WY.GOV
03/07/2025		Workflow	PUBLIC WORKS REVIEW	GENERAL	1. Future infrastructure upgrades may be required with development of this lot. This could include but is not limited to access, right-of-way (road construction), re-vegetation and signage. Permit applications through Public Works will be required at the time of development. 1a. A separate access permit application through Public Works will be required for this tract. Call (307-633-4302) or email (permits@laramiecountywy.gov) Public Works for more information. 1b. As a heads up, the access approach for this site will have to be paved (from the edge of pavement to the right-of-way line or 20 foot back, whichever is greater) to meet the access road condition. 2. Any internal roadways on the site shall comply with the needs of emergency services	MOLLY.BENNETT@LARAMIECOUNTY.WY.GOV

RESOLUTION NO. \_\_\_\_\_

**A RESOLUTION TO APPROVE A CHANGE IN ZONE DISTRICT  
FROM MR - MEDIUM DENSITY RESIDENTIAL TO CB – COMMUNITY BUSINESS  
FOR TERRY HOMESITES: LOT 10, BLOCK 2, LARAMIE COUNTY, WY, AND  
BOARD APPROVAL FOR SURFACE STORAGE USE IN THE CB ZONE DISTRICT.**

**WHEREAS**, Wyoming State Statutes §18-5-201 to 18-5-208; §18-5-301 to 18-5-315 authorize Laramie County, in promoting the public health, safety, morals and general welfare of the county, to regulate the use of land through zoning in unincorporated Laramie County; and

**WHEREAS**, the Laramie County Board of Commissioners have adopted the Laramie County Land Use Regulations; and

**WHEREAS**, the proposed zone change is in conformance with the requirements of section 1-2-103(b) of the Laramie County Land Use Regulations; and

**WHEREAS**, this application meets the criteria for a Board Approval pursuant to section 1-2-100 of the Laramie County Land Use Regulations; and

**WHEREAS**, the proposed zone change is in conformance with the requirements of section 4-2-107 of the Laramie County Land Use Regulations.

**NOW THEREFORE BE IT RESOLVED BY THE GOVERNING BODY OF LARAMIE COUNTY, WYOMING**, as follows:

The Laramie County Board of Commissioners finds that:

- a. This application meets the criteria for a zone map amendment pursuant to section 1-2-103 (b) of the Laramie County Land Use Regulations.
- b. The proposed change in zone district is in conformance with the requirements of section 4-2-107 of the Laramie County Land Use Regulations.
- c. This application meets the criteria for Board approval pursuant to section 1-2-100 of the Laramie County Land Use Regulations.

**And the Board approves a Zone Change from MR – Medium Density Residential to CB – Community Business for Terry Homesites: Lot 10, Block 2, Laramie County, WY, and a Board Approval for outside Surface Storage or similar use, with no conditions, as shown on the attached ‘Exhibit A’ – Zone Change Map and ‘Exhibit B’ – Site Plan layout.**

**PRESENTED, READ AND ADOPTED THIS \_\_\_\_\_ DAY OF \_\_\_\_\_, 2025.**
