[26 - 089](#)

Attachments: [FY26 Supplemental Agreement, United Way of Laramie County](#)

Chairman Malm said the county is providing additional/supplemental funding from its 5th Penny allocation, a portion of which is designated for the Human Services Advisory Council (HSAC) which works through United Way to provide funds for local nonprofits.

Chairman Malm emphasized the importance of the 5th Penny dollars, noting the money raised supports community partners doing on-the-ground work that government cannot. He expressed appreciation for voter support for the tax measure over the past 40 years.

Chris Whitfield, United Way executive director, said the supplemental funding will help four additional nonprofits, bringing the total supported to 24.

A motion was made by Vice Chairman Thompson, seconded by Commissioner Hollingshead, that this agenda item be approved. The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
 Zwonitzer

- 22.** Consideration of an addendum to the human services agreement for FY26 (250916-28) between Laramie County, WY, and United Way of Laramie County to clarify contractor's community services.

Dale Davis, chief deputy of the Laramie County Clerk, explained that the event is located at 3847 Rd 152, Meriden, rather than at the Archer Complex.

A motion was made by Vice Chairman Thompson, seconded by Commissioner Zwonitzer, that this agenda item be approved. The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
 Zwonitzer

Resolutions

- 26.** Consideration of a resolution adopting the Cheyenne/Laramie County Emergency Operations Plan. **26 - 111**

Attachments: [Resolution, Cheyenne-Laramie County EOP](#)

Jeanine West, Emergency Management, presented a resolution to adopt the Cheyenne-Laramie County Emergency Operations Plan (EOP), which must be updated every two years. She said the EOP covers all jurisdictions in Laramie County, including Cheyenne, Burns, Pine Bluffs, and the town of Albin.

Commissioners Hollingshead and Heath expressed appreciation for EMA's work, noting the team's strong statewide reputation, support to smaller counties, and ability to meet the challenges of changing federal requirements.

A motion was made by Commissioner Zwonitzer, seconded by Commissioner Heath, that this agenda item be approved. The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
 Zwonitzer

Chairman Malm explained agenda items #27 through #31 were related and would be read into the record first, followed by an overview of speed studies by Inberg Miller Engineers. Public comment would then be taken on each item, followed by a vote of the board.

John Poelma, Public Works, introduced Gary Steele and Brooke Bulgrin of Inberg Miller Engineers, who conducted county road speed studies using the WY Dept of Transportation Traffic Studies Manual.

Steele explained that a 2011 WY legislative action set default speed requirements for rural roads and mandated a formal, legislatively compliant speed study to justify lowering speeds below the defaults. He said the process involved placing traffic counters on roads to measure traffic volume and drivers' speeds. Steele described the key metrics: 85th-percentile speed (85% of vehicles travel at or below this speed), used as an upper reference for setting limits, and 50th-percentile speed (median; half above/half below), used as a lower reference.

Steele said research indicates that setting speed limits too low can reduce compliance and potentially create safety issues (e.g., driver frustration, unsafe passing, speed differentials).

- 27.** Consideration of a resolution to change the speed limit for one segment of Rd 131, Reese Rd (south of US Hwy 30), from mile post 0.0 to 0.5.

26 - 121

Attachments: [Resolution, Speed Limit, Rd 131 Reese Rd \(North\), MP 0.5 to 2.5](#)
 [Resolution, Speed Limit, Rd 131 Reese Rd \(South\) \(South of US30\), MP 0.0 to 0.5](#)
 [Speed Study, N Reese Rd](#)
 [Speed Study, S Reese Rd](#)

Steele noted there is no posted speed limit on the **Reese Rd South** segment. He presented results of the speed study which recommended a speed limit of 50 miles per hour (mph). John Poelma, Public Works, confirmed they agreed with the recommendation.

Chairman Malm opened the meeting for PUBLIC COMMENT. Hearing no PUBLIC COMMENT, Chairman Malm closed the comment period.

A motion was made by Commissioner Zwonitzer, seconded by Vice Chairman Thompson, to adopt the speed limit of 50 miles per hour of the southern half of Reese Rd right-of-way. The motion carried by the

following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
Zwonitzer

Steele presented results of the **Reese Rd North** speed study which recommended a limit of 65 mph. He noted, however, that Public Works requested the limit be set at 55, and the engineers did not object to the lower limit.

Commissioner Zwonitzer questioned whether additional development/subdivisions would prompt another speed study as the community grows. Chairman Malm noted that studies are cycled over time as the community grows, and another study could be considered if significant development occurred.

Justin Arnold, Planning, discussed ways to manage access and traffic impacts that might result from growth.

Chairman Malm opened the meeting for PUBLIC COMMENT. Hearing no PUBLIC COMMENT, Chairman Malm closed the comment period.

A motion was made by Vice Chairman Thompson, seconded by Commissioner Zwonitzer, to set the speed limit on Reese Rd (north of Highway 30) to 55 miles per hour. The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
Zwonitzer

- 28.** Consideration of a resolution to change the speed limit for one segment of Rd 132, Westedt Rd, from mile post 0.0 to 2.00.

[26 - 120](#)

Attachments: [Resolution, Speed Limit, Rd 132, Westedt Rd, MP 0.0 to 2.00](#)
[Speed Study, Westedt Rd](#)

Steele reported the results of the Westedt Rd speed study which recommended a speed limit of 50 mph.

Chairman Malm opened the meeting for PUBLIC COMMENT. Hearing no PUBLIC COMMENT, Chairman Malm closed the comment period.

A motion was made by Vice Chairman Thompson, seconded by Commissioner Hollingshead, to change the speed limit on Westedt Rd (north of Hwy 30) to 50 miles per hour. The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
Zwonitzer

29. Consideration of a resolution to change the speed limit for one segment of Rd 129, Whitney Rd, from mile post 1.3 to 5.00.

26 - 119

Attachments: [Resolution, Speed Limit, Rd 129, Whitney Rd, MP 1.3 to 5.00](#)
[Speed Study, Whitney Rd](#)
[Resolution, Speed Limit, Rd 129, Whitney Rd, MP 1.3 to 5.00, Revised](#)

Steele presented the results of the Whitney Rd study which recommended a speed limit of 55 mph.

Chairman Malm opened the meeting for PUBLIC COMMENT. Michael White and Randy Byers, residents, spoke against raising the speed limit. Concerns included: eventual annexation; a high-risk road; the need for input from the city council and the sheriff's office; the need for better signals; no shoulders/turn lanes; bicycle traffic; and limited visibility at several locations.

Steele acknowledged the study did not directly incorporate factors such as joggers/bicyclists. He suggested cautionary signage for curves/intersections could be utilized. Commissioner Thompson said Public Works had been directed to install S-curve warning signs and intersection-ahead signs.

Hearing no further PUBLIC COMMENT, Chairman Malm closed the comment period.

The board discussed balancing measured travel speeds with known hazards, such as the S-curve and limited sight distance at certain intersections, and anticipated development/growth impacts.

A motion was made by Commissioner Zwonitzer, seconded by Commissioner Heath, to change the speed limit on Whitney Rd to 50 miles per hour. The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
Zwonitzer

30. Consideration of a resolution to change the speed limit for one segment of Rd 130, Christensen Rd, from mile post 0.0 to 2.25.

26 - 118

Attachments: [Resolution, Speed Limit, Rd 130, Christensen Rd, MP 0.0 to 2.25](#)
[Speed Study, Christensen Rd](#)

Steele presented the results of the Christensen Rd study which recommended a

speed limit of 55 mph.

Chairman Malm opened the meeting for PUBLIC COMMENT. Michael White, resident, commented on consistency across jurisdictions and expressed concerns about fatalities and a 55 mph speed limit. Chairman Malm explained the speed limit is tied to roadway classification (local/residential vs. collectors/arterials) and that arterial-type roads use speed studies to help determine appropriate limits.

Hearing no further PUBLIC COMMENT, Chairman Malm closed the comment period.

Commissioners Thompson and Zwonitzer noted that Christensen Rd differs from Whitney Rd in that it is wider, straighter, and does not have blind corners.

A motion was made by Vice Chairman Thompson, seconded by Commissioner Zwonitzer, to increase the speed limit on Christensen Rd north of Highway 30, from the 0.65 mile marker/milepost northward, to 55 miles per hour. The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
Zwonitzer

31. Consideration of a resolution to change the speed limit for two segments of Rd 215, Iron Mountain Rd, from mile post 0.0 to 2.00 and mile post 2.00 to 5.0.

[26 - 117](#)

Attachments: [Resolution, Speed Limit, Rd 215, Iron Mountain Rd, MP 0.0 to 2.00 and 2.00 to 5.00](#)
[Speed Study, Iron Mountain E](#)
[Speed Study, Iron Mountain W](#)

Steele presented the results of the study on two segments of Christensen Rd. He said the speed limit is currently posted at 45 mph and their original recommendation was 60 mph. However, they agreed with Public Works' recommendation that the limit be 55 mph to maintain continuity with the segment from Yellowstone Rd to I-25. He noted 55 mph was within the appropriate range.

Chairman Malm opened the meeting for PUBLIC COMMENT. Lucinda Braden, resident, spoke in opposition to increasing the speed limit and said it felt like "rewarding" speeders. She expressed concerns about safety, fatal crashes, drivers running stop signs at intersections, high-speed motorcycle noise, and livestock in the area.

Commissioner Zwonitzer asked Public Works whether a flashing stop sign at Powderhouse was scheduled. John Poelma, Public Works, said none had been ordered, but it could be done if the board wanted. Poelma pointed to existing safety

measures: rumble strips and advanced stop warning signs in the eastbound lane approaching Powderhouse; rumble strips eastbound approaching Whitney Rd; and rumble strips, flashing stop signs and advanced stop warnings at the Riding Club-Powderhouse intersection.

A motion was made by Commissioner Hollingshead, seconded by Commissioner Zwonitzer, to change both sections of Iron Mountain Rd from 45 miles per hour to 55 miles per hour. The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
Zwonitzer

Land Use: Variances/Board App./Plats

- 32.** PUBLIC HEARING regarding a subdivision permit and plat for Merrell Meadows, a portion of land in Sect 32, T13N, R62W, of the 6th PM, Laramie County, WY.

[26 - 106](#)

Attachments: [Subdivision Permit and Plat, Merrell Meadows](#)

Justin Arnold, Planning, said Off the Grid Surveying, on behalf of Ward Properties, LLC, submitted a small subdivision permit and plat application for Merrell Meadows subdivision situated in a portion of Sec 32, T13N, R62W, Laramie County, WY. He said the subject property is located at the intersection of Rd 149 and State Hwy 214 in Carpenter, WY, and that the subdivision divides the existing 38.99-acre tract into two lots. Arnold said Lot 1 will be 5.25 acres in size and used for residential purposes, while the remaining 33.74-acre lot will remain vacant.

Arnold said based on evidence provided, staff recommends approval with the adoption of findings of fact a and b with one condition: All agency review comments must be addressed prior to recordation of Merrell Meadows subdivision permit and plat.

Commissioner Thompson requested clarification about the existing unplatted 40-foot easement from Rd 149. Arnold confirmed it is an existing easement running past the existing residence.

Chairman Malm opened the hearing for PUBLIC COMMENT. Hearing no PUBLIC COMMENT, Chairman Malm closed the hearing.

A motion was made by Commissioner Hollingshead, seconded by Vice Chairman Thompson, to approve the Merrell Meadows subdivision permit and plat, located in a portion of Sect 32, T13N, R62W, of the 6th PM, Laramie County, with one condition and adopt the findings of fact a and b of the staff report. The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
Zwonitzer

- 33.** Consideration of the postponement of a PUBLIC HEARING regarding a subdivision permit and plat for North View Subdivision, 4th Filing, Laramie County, WY.

[26 - 113](#)

Attachments: [Postponement Subdivision Permit and Plat, North View Subdivision, 4th Filing](#)

Justin Arnold, Planning, requested a postponement of the item until March 17, 2026, to allow time to complete agency reviews.

A motion was made by Vice Chairman Thompson, seconded by Commissioner Hollingshead, to postpone this item until March 17, 2026.

The motion carried by the following vote:

Aye: Malm, Thompson, Heath, Hollingshead,
Zwonitzer

The meeting adjourned at 5:10 pm.
