## V. ADDITIONAL PROVISIONS

1. Entire Agreement: The Agreement (18 pages in total: 2 pages of the Sales Order Agreement, 2 pages of General Terms, and 9 pages of Exhibit A, and 5 pages of Scheule A1), and this Addendum (4 pages) represents the entire and integrated agreement and understanding between the parties in regard to the subject matter herein and supersedes all prior negotiations, statements, representations and agreements, whether written or oral.

2. Modification: This Agreement and Addendum shall be modified only by a written agreement, duly executed by all parties hereto.

3. Applicable Law and Venue: The parties mutually understand and agree this Agreement and Addendum shall be governed by and interpreted pursuant to the laws of the State of Wyoming. If any dispute arises between the parties from or concerning this Agreement and Addendum or the subject matter hereof, any suit or proceeding at law or in equity shall be brought in the District Court of the State of Wyoming, First Judicial District, sitting at Cheyenne, Wyoming or the Federal District Court, District of Wyoming. This provision is not intended, nor shall it be construed to waive COUNTY's governmental immunity as provided in this Agreement and Addendum.

4. ADA Compliance: All parties agree they will not discriminate against a qualified individual with disability, pursuant to a law as set forth in the Americans With Disabilities Act, P.L. 101-336, 42 U.S.C. § 12101, *et seq.*, and/or any properly promulgated rules and regulations relating thereto.

5. Governmental/Sovereign Immunity: COUNTY does not waive its Governmental/Sovereign Immunity, as provided by any applicable law including W.S. § 1-39-101 *et seq.*, by entering into this Agreement and Addendum. Further, COUNTY fully retains all immunities and defenses provided by law with regard to any action, whether in tort, contract or any other theory of law, based on this Agreement and Addendum.

6. Third Parties: The parties do not intend to create in any other individual or entity the status of third-party beneficiary, and this Agreement and Addendum shall not be construed so as to create such status. The rights, duties and obligations contained in this Agreement and Addendum shall operate only between the parties to the Agreement and Addendum and shall inure solely to the benefit of the parties to this Agreement and Addendum.

7. Indemnification: Each party to this Agreement and Addendum shall assume the risk of any liability arising from its own conduct. In no event shall such liability exceed in value the fees for services paid or payable by COUNTY to ES&S pursuant to this Agreement and Addendum. Neither party agrees to insure, defend, or indemnify the other.

8. Conflict of Interest: COUNTY and ES&S affirm, to their knowledge, no ES&S employee has any personal beneficial interest whatsoever in the agreement described herein. No staff member of ES&S, compensated either partially or wholly with funds from this Agreement, shall engage in any conduct or activity which would constitute a conflict of interest relative to this Agreement.

9. Limitation on Payment: COUNTY's payment obligation is conditioned upon the availability of funds which are appropriated or allocated for the payment of this obligation. If funds are not allocated and available for the continuance of the services and equipment provided by ES&S, the Agreement may be terminated by COUNTY at the end of the period for which funds are available. COUNTY shall notify ES&S at the earliest possible time of the services which will or may be affected by a shortage of funds. At the earliest possible time means at least thirty (30) days before the shortage will affect payment of claims, if COUNTY knows of the shortage at least thirty (30) days in advance. No penalty shall accrue to COUNTY in the event this provision is exercised, and COUNTY shall not be obligated or liable for any future payments due or for any damages as a result of termination under this provision. This provision shall not be interpreted or construed to permit COUNTY to terminate this Agreement in order to acquire similar services from another party.

10. Addendum Controls: Where a conflict exists or arises between any provision or condition of this Addendum and the Agreement, the provisions and conditions set forth in this Addendum shall control.

11. Compliance with Law: The parties agree that they shall comply with all applicable laws, regulations and ordinances, whether Federal, State or Local.

## GENERAL TERMS

### 1. Definitions:

All capitalized terms used, but not otherwise defined, in these Hardware Purchase and Software License Terms ("General Terms") or in an Exhibit shall have the following meanings:

- a. "Documentation" means any and all written or electronic documentation furnished or generally made available to Customer by ES&S relating to the ES&S Hardware and ES&S Software, including any operating instructions, user manuals or training materials.
- b. "ES&S Firmware" means ES&S' proprietary software which is installed on the ES&S Hardware.
- c. "ES&S Hardware Maintenance Services" and "ES&S Software License, Maintenance and Support Services" means those services described on Exhibit A.
- d. "ES&S Software" means the ES&S Software and ES&S Firmware as set forth on the front side of this Agreement.
- e. "ES&S Hardware" means ES&S' proprietary vote tabulation hardware set forth on the front side of this Agreement.
- f. "Software" means ES&S Software and Third-Party software.
- g. "Third-Party Items" means hardware, equipment and software manufactured and developed by parties other than ES&S.

2. **Hardware Purchase and Software License Terms.** Subject to the terms and conditions of this Sales Order Agreement ("Agreement"), ES&S agrees to sell and/or license, and Customer agrees to purchase and/or license, the ES&S Hardware and ES&S Software described on the front side of this Agreement. The payment terms for the ES&S Hardware and ES&S Software are set forth on the front side of this Agreement. The consideration for ES&S' grant of the license during the Initial License Term for the ES&S Firmware is included in the cost of the ES&S Hardware.

a. **Hardware Purchase.** Subject to the terms and conditions of this Agreement, ES&S agrees to sell, and Customer agrees to purchase, the ES&S Hardware. Title to the ES&S Hardware shall pass to Customer when Customer has paid ES&S the total amount set forth on the front side of this Agreement for the ES&S Hardware.

b. **Grant of Licenses.** Subject to the terms and conditions of this Agreement, ES&S hereby grants to Customer non-exclusive, non-transferable licenses for its bona fide full time, part time or temporary employees to use the ES&S Software and the Documentation in the jurisdiction while Customer is using the ES&S Hardware and timely pays the applicable annual ES&S Software License, Maintenance and Support Fees set forth on Schedule A1. The licensee allows such bona fide employees to use and copy the ES&S Software (in object code only) and the Documentation, in the course of operating the ES&S Hardware and solely for the purposes of defining and conducting elections and tabulating and reporting election results in the jurisdiction.

3. **Prohibited Uses.** Customer shall not take any of the following actions with respect to the ES&S Software or the Documentation:

- a. Reverse engineer, decompile, disassemble, re-engineer or otherwise create, attempt to create, or permit, allow or assist others to create, the source code or the structural framework for part or all of the ES&S Software;
- b. Cause or permit any use, display, loan, publication, transfer of possession, sublicensing or other dissemination of the ES&S Software or Documentation, in whole or in part, to or by any third party without ES&S' prior written consent; or
- c. Cause or permit any change to be made to the ES&S Software without ES&S' prior written consent;
- d. Cause or permit any review, testing, examination, or audit of the ES&S Software without ES&S' prior written consent; or
- e. Allow a third party to cause or permit any copying, reproduction or printing of any output generated by the ES&S Software (except finished ballots by ballot printers selected by Customer) in which ES&S owns or claims any proprietary intellectual property rights (e.g., copyright, trademark, patent pending or patent), including, but not limited to, any ballot shells or ballot code stack.

4. **Term of License.** The licenses granted in Section 2(b) shall commence upon the delivery of the ES&S Software described in Section 2(b) and shall continue for a one (1) year period (the "Initial License Term"). Upon expiration of the Initial License Term, the licenses shall automatically renew for an unlimited number of successive one-year periods (each a "License Renewal Term") upon the payment by Customer of the annual software license and software maintenance and support fee as set forth on the front side of this Agreement. The license terms for any License Renewal Term shall be set forth on Exhibit A. ES&S may terminate any of the licenses granted hereunder if Customer fails to pay the consideration due for, or breaches Sections 2(b), 3, or 9 with respect to, such licenses. Upon the termination any of the licenses granted in Section 2(b) for ES&S Software or upon Customer's discontinuance of the use of any ES&S Software, Customer shall immediately return such ES&S Software and the related Documentation (including any and all copies thereof) to ES&S, or (if requested by ES&S) destroy such ES&S Software and Documentation and certify in writing to ES&S that such destruction has occurred.

5. **Updates.** During the Initial License Term or any License Renewal Term for which Customer has paid the associated renewal fees, ES&S may provide new releases, upgrades, or maintenance patches to the ES&S Software, together with appropriate Documentation ("Updates"), on a schedule solely defined by ES&S. Customer is solely responsible for obtaining and purchasing any upgrades or Third-Party Items required to operate the Updates, as well as the cost of any replacements, retrofits or modifications to the ES&S Hardware which may be necessary in order to operate the Updates. All Updates shall be deemed to be ES&S Software for purposes of this Agreement upon delivery. Updates

to the ES&S Firmware will be incorporated by ES&S into a regularly scheduled preventative maintenance event at no additional charge to Customer. If Customer requests installation of an Update at a time other than a regularly scheduled preventative maintenance event, then Customer shall execute and deliver to ES&S a purchase order therefore and ES&S shall charge Customer accordingly for such installation. ES&S shall also charge Customer at its then-current rates to: (i) train Customer on Updates, if such training is requested by Customer and (ii) if applicable, provide maintenance and support on the ES&S Software that is required as a result of Customer's failure to timely or properly install an Update. Notwithstanding the foregoing, Customer shall pay ES&S to install all ES&S Tabulation Software Updates. If applicable, Customer shall be responsible for any claim, damage, loss, judgment, penalty, cost, amount paid in settlement or fee which is caused by Customer's failure to install the most recent Update provided to it by ES&S. ES&S represents to Customer that the Updates will comply with all applicable state law requirements at the time of delivery. Customer shall be responsible to ensure that it has installed and is using only certified versions of ES&S Software in accordance with applicable law. In the event that any Updates are required due to changes in state law, ES&S reserves the right to charge Customer for the following:

- (i) the total cost of any Third-Party Items that are required in order to operate the Updates;
- (ii) the total cost of any replacements, retrofits or modifications to the ES&S Hardware contracted for herein that may be developed and offered by ES&S in order for such ES&S Hardware to remain compliant with applicable laws and regulations; and
- (iii) Customer's pro-rata share of the costs of designing, developing and/or certification by applicable federal and state authorities of such state mandated Updates.

Customer's pro-rata share of the costs included under subsection (iii) above shall be determined at the time by dividing the number of registered voters in Customer's jurisdiction by the total number of registered voters in all counties in Customer's state to which ES&S has sold and/or ES&S Hardware and/or ES&S Software purchased and licensed by Customer under this Agreement. Customer shall pay ES&S the entire costs incurred for design, development and certification of any Update which is required due to a change in local law or is otherwise requested or required by Customer.

6. **Delivery; Risk of Loss.** The Estimated Delivery Dates and First Election Use (if any) set forth on the front side of this Agreement are estimates and may only be established or revised, as applicable, by the parties, in a written amendment to this Agreement, because of delays in executing this Agreement, changes requested by Customer, product availability and other events. ES&S will notify Customer of such revisions as soon as ES&S becomes aware of such revisions. Risk of loss for the ES&S Hardware and ES&S Software shall pass to Customer when such items are delivered to Customer's designated location. Upon transfer of risk of loss to Customer, Customer shall be responsible for obtaining and maintaining sufficient casualty insurance on the ES&S Hardware and ES&S Software and shall name ES&S as an additional insured thereunder and, at ES&S' request, shall deliver written evidence thereof to ES&S until all amounts payable to ES&S under this Agreement have been paid by Customer.

### 7. Warranty.

a. **ES&S Hardware/ES&S Software.** ES&S warrants that for a one (1) year period (the "Warranty Period"), it will repair or replace any component of the ES&S Hardware or ES&S Software which, while under normal use and service: (i) fails to perform in accordance with its Documentation in all material respects, or (ii) is defective in material or workmanship. The Warranty Period will commence upon delivery. The Warranty shall not include the repair or replacement of any ES&S Hardware components that are consumed in the normal course of operating the ES&S Hardware, including, but not limited to, headphones and headphone protective covers, protective coatings, printer cartridges or ribbons, paper, batteries, drums, toners, fusers, transfer belts, removable media storage devices, seals, keys, power supplies/cords, PCMCIA, Smart, or CF cards or marking devices (collectively, the "Consumables"). ES&S may modify and make available additional Consumables as they may become available from time to time. The Warranty shall not include the repair or replacement of any ES&S Hardware due to cosmetic damages, including, but not limited to, screen cracks, scratches, dents and broken plastic or any defects resulting from normal wear and tear. ES&S has no obligation under this Agreement to assume the obligations under any existing or expired warranty for a Third-Party Item. Any repaired or replaced item of ES&S Hardware or ES&S Software shall be warranted only for the unexpired term of the Warranty Period. All replaced components of the ES&S Hardware or ES&S Software will become the property of ES&S. This warranty is effective provided that (i) Customer notifies ES&S within three (3) business days of the discovery of the failure of performance or defect and is otherwise in compliance with its obligations hereunder, (ii) the ES&S Hardware or ES&S Software to be repaired or replaced has not been repaired, changed, modified or altered except as authorized or approved by ES&S, (iii) the ES&S Hardware or ES&S Software to be repaired or replaced has been maintained or repaired by an individual other than an authorized representative of ES&S (IV) the ES&S Hardware or ES&S Software to be repaired or replaced has not been used, displayed, disseminated, transferred, loaned, disassembled, dismantled, modified, and/or tampered with by a third party without ES&S prior written consent (V) the ES&S Hardware or ES&S Software to be repaired or replaced is not damaged as a result of accident, theft, vandalism, neglect, abuse, liquid contact, use of adhesive materials on ballots, use which is not in accordance with the Documentation or causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, floods, riots, acts of war, terrorism or insurrection, government acts or orders, epidemics, pandemics or outbreak of communicable disease, quarantines, national or regional emergencies, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, and (VI) Customer has installed and is using the most recent Update provided to it by ES&S. This warranty is valid for any units of hardware which: (i) have not been stored or operated in a temperature range according to their specifications, (ii) have been severely handled so as to cause mechanical damage to the unit, or (iii) have been operated or handled in a manner inconsistent with reasonable treatment of an electronic product. Upon expiration of the Warranty Period, Customer shall be entitled to receive Hardware Maintenance and Software Maintenance and Support Services, the terms of which are set forth on Exhibit A.

b. **Exclusive Remedies/Disclaimer.** IN THE EVENT OF A BREACH OF SUBSECTION 7(a), ES&S' OBLIGATIONS, AS DESCRIBED IN SUCH SUBSECTION, ARE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES. ES&S EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, WHICH ARE NOT SPECIFICALLY SET FORTH IN THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. FURTHER, IN THE EVENT CUSTOMER DECLINES ES&S' INSTALLATION AND ACCEPTANCE TESTING SERVICES OR IN ANY WAY AT ANY TIME ALTERS, MODIFIES OR CHANGES ANY HARDWARE, SOFTWARE, THIRD-PARTY ITEMS AND/OR NETWORK (COLLECTIVELY "SYSTEM") CONFIGURATIONS WHICH HAVE BEEN PREVIOUSLY INSTALLED BY ES&S OR WHICH ARE OTHERWISE REQUIRED IN ACCORDANCE WITH THE CERTIFIED VOTING SYSTEM CONFIGURATION, ALL WARRANTIES OTHERWISE PROVIDED HEREUNDER WITH RESPECT TO THE SYSTEM PURCHASED, LEASED, RENTED

**AND/OR LICENSED UNDER THIS AGREEMENT SHALL BE VOID AND OF NO FURTHER FORCE AND EFFECT.**

8. **Limitation Of Liability.** Neither party shall be liable for any indirect, incidental, punitive, exemplary, special, or consequential damages of any kind whatsoever arising out of or relating to this Agreement. Neither party shall be liable for the other party's negligent or willful misconduct. ES&S' total liability to Customer arising out of or relating to this Agreement shall not exceed the aggregate amount to be paid to ES&S hereunder. By entering into this Agreement, Customer agrees to accept responsibility for (a) the selection of, use of and results obtained from any equipment, software or services not provided by ES&S and used with the ES&S Hardware or ES&S Software; or (b) user errors, voter errors or problems encountered by any individual in voting that are not otherwise a result of the failure of ES&S to perform. ES&S shall not be liable under this Agreement for any claim, damage, loss, judgment, penalty, cost, amount paid in settlement or fee that is caused by (y) Customer's failure to timely or properly install and use the most recent update provided to it by ES&S or (z) Customer's election not to receive, or to terminate, the Hardware Maintenance Services or the ES&S Software Maintenance and Support.

9. **Proprietary Rights.** Customer acknowledges and agrees as follows:

ES&S owns the ES&S Software, all Documentation provided by ES&S, the design and configuration of the ES&S Hardware and the format, layout, measurements, design, and all other technical information associated with the ballots to be used with the ES&S Hardware. Customer has the right to use the aforementioned items to the extent specified in this Agreement. ES&S also owns all patents, trademarks, copyrights, trade names and other proprietary or intellectual property in, or used in connection with, the aforementioned items. The aforementioned items also contain confidential and proprietary trade secrets of ES&S that are protected by law and are of substantial value to ES&S. Customer shall keep the ES&S Software and related Documentation free and clear of all claims, liens and encumbrances and shall maintain all copyright, trademark, patent or other intellectual or proprietary rights notices that are set forth on the ES&S Hardware, the ES&S Software, the Documentation, and ballots that are provided, and all permitted copies of the foregoing.

10. **Termination.** This Agreement may be terminated, in writing, at any time by either party if the other party breaches any material provision hereof and does not cure such breach within 30 days after it receives written notification thereof from the non-breaching party.

11. **Excusable Nonperformance.** Except for obligations to make payments hereunder, if either party is delayed or prevented from performing its obligations under this Agreement as a result of any cause beyond its reasonable control, including acts of God, fire, floods, riots, acts of war, terrorism or insurrection, government acts or orders; epidemics, pandemics or outbreak of communicable disease; quarantines; national or regional emergencies, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, the delay shall be excused during the continuance of, and to the extent of, such cause, and the period of performance shall be extended to the extent necessary to allow performance after the cause of delay has been removed. ES&S agrees to work with Customer, at Customer's request, to develop mutually agreeable alternatives in order to minimize the negative impact of any such delay.

12. **Notice.** Any notice or other communication required or permitted hereunder shall be in writing and will be deemed given when (a) delivered personally, (b) sent by confirmed email, (c) sent by commercial overnight courier (with written verification of receipt) or (d) sent by registered or certified mail, return receipt requested, postage prepaid, when the return receipt is received. All communications shall be sent to the attention of the persons listed on the signature page to this Agreement and at the addresses or email address set forth on such signature page unless other names or addresses are provided by either or both parties in accordance herewith.

13. **Disputes.**

a. **Payment of Undisputed Amounts.** In the event of a dispute between the parties regarding (1) a product or service for which payment has not yet been made to ES&S, (2) the amount due to ES&S for any product or service, or (3) the due date of any payment, Customer shall nevertheless pay to ES&S when due all undisputed amounts. Such payment shall not constitute a waiver by Customer or ES&S of any of its rights and remedies against the other party.

b. **Remedies for Past Due Undisputed Payments.** If any undisputed payment to ES&S is past due more than 30 days, ES&S may suspend performance under this Agreement until such amount is paid. Any disputed or undisputed payment not paid by Customer to ES&S when due shall bear interest from the due date at a rate equal to the lesser of one and one-half percent per month or the maximum amount permitted by applicable law for each month or portion thereof during which it remains unpaid.

14. **Assignment.** Except in the case of a reorganization of the assets or operations of ES&S with one or more affiliates of ES&S or the sale, transfer or assignment of all or substantially all of the assets of ES&S or any business operations thereof to a successor who has asserted its intent to continue the applicable business of ES&S, neither party may assign or transfer this Agreement or assign, subcontract or delegate any of its rights, duties or obligations hereunder without the prior written consent of the other party hereto, such consent not to be unreasonably withheld or conditioned, nor unduly delayed.

15. **Compliance with Laws.** ES&S warrants to Customer that, at the time of delivery, the ES&S Hardware and ES&S Software sold and licensed under this Agreement will comply with all applicable requirements of federal and state election laws and regulations that are mandatory and effective as of the Effective Date and will have been certified by the appropriate state authorities for use in Customer's state. The ES&S Hardware and ES&S Tabulation Software, including all components will be provided to Customer with a hardened network in accordance with the guidelines of the United States Election Assistance Commission. In the event Customer fails to maintain the ES&S Software in the hardened network or allows any internal or external access to the hardened network, Customer agrees to indemnify and hold harmless ES&S from and against any and all claims, damages, losses, liens, obligations, liabilities, judgments, assessed damages, costs, expenses (including reasonable attorney's fees) and the like arising out of or related to the Customer's breach of its obligations hereunder.

16. **Voting System Reviews.** In the event that the Jurisdiction or the State require any future reviews or examinations ("Reviews") of current or previous versions of state-certified ES&S voting systems or components thereof that are not otherwise required as a result of any changes or modifications voluntarily made by ES&S to the ES&S Software and/or ES&S Hardware licensed and sold hereunder, Customer shall be responsible for:

(i) Customer's pro-rata share of such Review costs;

(ii) Customer's pro-rata share of the costs of designing, developing, manufacturing and/or certification by applicable federal and state authorities of any mandated modifications to the ES&S Hardware and/or ES&S Software that may result from such Reviews; and

(iii) the total cost of any Third-Party Items that are required in order for the ES&S Hardware and/or ES&S Software to satisfy any new requirements resulting from such Reviews in order to remain certified;

Customer's pro-rata share of the costs included under subsections 16(ii) and 16(iii) above shall be determined at the time by dividing the number of registered voters in Customer's jurisdiction by the total number of registered voters in all counties in Customer's state to which ES&S has sold and/or licensed the ES&S Hardware and/or ES&S Software purchased and licensed by Customer under this Agreement.

17. **Customer Enhancements.** In the event that Customer requests any future enhancements of the ES&S Hardware and/or ES&S Software ("Enhancements"), such requests shall be submitted in writing to ES&S. ES&S will evaluate each of the Enhancements to determine if any of such Enhancements are technologically feasible, commercially reasonable and consistent with ES&S's security protocol and procedures. In the event that ES&S determines that any of such Enhancements meet the foregoing requirements, then ES&S shall prepare a scope of work which shall include an estimated timeline and the estimated costs for design, development, testing, certification and implementation of such Enhancements (the "SOW"). ES&S shall provide the SOW to Customer for review and written approval. After ES&S's receipt of written approval of the SOW by Customer, ES&S shall prepare a written change order for Customer's execution. ES&S shall solely own and retain any and all intellectual proprietary rights in any Enhancements developed and provided to Customer.

18. **Entire Agreement.** This Agreement, including all exhibits hereto, shall be binding upon and inure to the benefit of the parties and their respective representatives, successors, and assigns. This Agreement, including all Exhibits hereto, contains the entire agreement of the parties with respect to the subject matter hereof and shall supersede and replace any and all other prior or contemporaneous discussions, negotiations, agreements or understandings between the parties, whether written or oral, regarding the subject matter hereof. Any provision of any purchase order, form, or other agreement which conflicts with or is in addition to the provisions of this Agreement shall be of no force or effect. In the event of any conflict between a provision contained in an Exhibit to this Agreement and these General Terms, the provision contained in the Exhibit shall control. No waiver, amendment, or modification of any provision of this Agreement shall be effective unless in writing and signed by the party against whom such waiver, amendment or modification is sought to be enforced. No consent by either party to, or waiver of, a breach by either party shall constitute a consent to or waiver of any other different or subsequent breach by either party. This Agreement shall be governed by and construed in accordance with the laws of the State in which the Customer resides, without regard to its conflicts of laws principles. The parties agree that venue for any dispute or cause of action arising out of or related to this Agreement shall be in the state and federal courts of the United States located in the State in which the Customer resides. ES&S is providing equipment, software, and services to Customer as an independent contractor, and shall not be deemed to be a "state actor" for purposes of 42 U.S.C. § 1983. ES&S may engage subcontractors to provide certain of the equipment, software, or services, but shall remain fully responsible for such performance. ## EXHIBIT A ES&S HARDWARE MAINTENANCE AND SOFTWARE LICENSE, MAINTENANCE AND SUPPORT SERVICES (POST-WARRANTY PERIOD)

### ARTICLE I GENERAL

1. **Term; Termination.** This Exhibit A for ES&S Hardware Maintenance and Software License, Maintenance and Support Services shall be in effect for the coverage period as described in Schedule A1 (the "Initial Post-Warranty Term"). Upon expiration of the Initial Post-Warranty Term, this Exhibit A shall automatically renew for an unlimited number of successive **Two-Year Periods** (each a "Renewal Period") until this Exhibit A is terminated by the first to occur of (a) either party's written election not to renew, which shall be delivered to the other party at least thirty (30) days prior to the end of the Initial Post-Warranty Term or any Renewal Period, as applicable, (b) the date which is thirty (30) days after either party notifies the other that it has materially breached this Exhibit A, if the breaching party fails to cure such breach (except for a breach pursuant to subsection (e), which will require no notice), (c) the date which is thirty (30) days after ES&S notifies Customer that it is no longer able to procure replacement parts that may be needed in order to perform the ES&S Hardware Maintenance Services contemplated hereunder, (d) the date on which the ES&S Hardware or firmware installed thereon is no longer certified by federal and/or state authorities for use in Customer's jurisdiction, or (e) the date which is thirty (30) days after Customer fails to pay any amount due to ES&S under this Exhibit A. The termination of this Exhibit A shall not relieve Customer of its liability to pay any amounts due to ES&S hereunder and shall only entitle Customer to a prorated refund of any fees already paid to ES&S in the event that this is Exhibit A is terminated pursuant to subsection 1(b), 1(c) or 1(d) above.

2. **Fees.** In consideration for ES&S' agreement to provide ES&S Hardware Maintenance and Software License, Maintenance and Support Services under this Exhibit A, Customer shall pay to ES&S the ES&S Hardware Maintenance and Software License, Maintenance and Support Fees set forth on Schedule A1 for the Initial Post-Warranty Term. The Hardware Maintenance and Software License, Maintenance and Support Fees for the Initial Post-Warranty Term are due as set forth on Schedule A1. ES&S may increase the Hardware Maintenance and Software License, Maintenance and Support Fees for a Renewal Period by not more than 10% of the amount of the most recent Fees paid by Customer. All fees for any Renewal Period shall be due and payable no later than thirty (30) days prior to the beginning of such Renewal Period. The Software License, Maintenance and Support Fee shall be comprised of (i) a fee for the Software License, Maintenance and Support provided for the ES&S Firmware, and (ii) a fee for the Software License, Maintenance and Support provided for all other ES&S Software, and shall be in addition to any fees or charges separately referred to in any Section of this Exhibit A. If Customer elects to receive Software License, Maintenance and Support for an Add-On or New Product during the Initial Post-Warranty Term or any Renewal Period thereof, ES&S will charge an incremental Software License, Maintenance and Support Fee for such services.

### ARTICLE II HARDWARE

1. **Maintenance Services.** The ES&S Hardware Maintenance Services to be provided to Customer under this Agreement for the ES&S Hardware set forth on Schedule A1 (the "Products") shall be subject to the following terms and conditions:

a. **Routine Maintenance Services.** An ES&S Representative shall provide such services as may be necessary to keep the Products working in accordance with their Documentation, normal wear and tear excepted ("Normal Working Condition"). The services provided by ES&S pursuant to this Subsection 1(a) are referred to herein as "Routine Maintenance Services". Routine Maintenance Services shall be provided once each **Twenty-Four (24) Months** during the Initial Post-Warranty Term or any Renewal Period thereof.

Generally, Routine Maintenance Services shall include cleaning, lubrication, diagnostic check, and calibration services. The Routine Maintenance Services shall not include the repair or replacement of any ES&S Hardware components that are consumed in the normal course of operating the ES&S Hardware, including, but not limited to, headphones and headphone protective covers, printer cartridges or ribbons, paper, batteries, drums, toners, fusers, transfer belts, removable media storage devices, seals, keys, power supplies/cords, PCMCIA, Smart, or CF cards or marking devices (collectively, the "Consumables"). ES&S may modify and make available additional Consumables as they may become available from time to time. Customer may request that Routine Maintenance Services be performed more than once during the Initial Post-Warranty Term or any Renewal Period. Any such request shall be made at least sixty (60) days before the Routine Maintenance Services are desired. The per-unit fee for such additional Routine Maintenance Services is set forth on Schedule A1 and shall be due within thirty (30) days after invoice date. ES&S will schedule the Routine Maintenance Services with Customer. The Routine Maintenance Services will be provided at Customer's Designated Location. Customer's "Designated Location" shall mean Customer's owned or leased facility at which Customer desires ES&S to perform the ES&S Hardware Maintenance Services.

b. **Repair Services.**

i. **Defects Under Normal Use and Service.** If a defect or malfunction occurs in any Product while it is under normal use and service, Customer shall promptly notify ES&S, and ES&S shall use reasonable efforts to restore the item to Normal Working Condition as soon as practicable. The services provided by ES&S pursuant to this Subsection 1(b)(i) are referred to herein as "Repair Services". ES&S will perform Repair Services in conjunction with a Routine Maintenance Service event at the Customer's Designated Location.

ii. **Defects Due to Customer Actions or Omissions.** If a defect or malfunction occurs in any Product as a result of (1) repairs, changes, modifications or alterations not authorized or approved by ES&S, (2) use, modification, dismantling, disassembly, or transfer to third party without ES&S' prior written consent, (3) accident, theft, vandalism, neglect, abuse, liquid contact, use of adhesive materials on ballots or use that is not in accordance with instructions or specifications furnished by ES&S or (4) causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, floods, riots, acts of war, terrorism or insurrection, government acts or orders; epidemics, pandemics or outbreak of communicable disease; quarantines; national or regional emergencies, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, rodent infestation, or if Customer does not notify ES&S within 72 hours after it knows of the defect or malfunction, Customer shall pay ES&S for the Repair Services at ES&S' then-current rates, as well as for the cost of all parts used in connection with such Repair Services.

iii. **Timing.** The date(s) on which any Repair Services shall be provided shall be mutually agreed upon by ES&S and Customer. If Customer requires ES&S to provide "emergency" Repair Services (which shall be defined as Repair Services that are provided by ES&S within 48 hours after Customer notifies ES&S of the need therefore), and such emergency Repair Services are not needed as a result of an action, error or omission by ES&S, Customer shall pay a surcharge, as set forth on Schedule A1.

iv. **Loaner Unit.** At Customer's request and if such product is available, ES&S shall use reasonable efforts to promptly make available to Customer a product that is the same as, or substantially similar to, the Product for which Repair Services are being performed (a "Loaner Unit"). If the Repair Services are being performed pursuant to Subsection 1(b)(ii) above, Customer shall pay ES&S for the use of the Loaner Unit at ES&S' then-current rates including the cost of shipping.

c. **Exclusions.** ES&S has no obligation under this Agreement to (i) assume the obligations under any existing or expired warranty for a Third Party Item; (ii) repair or replace Product components that are consumed in the normal course of operating the Product, including, but not limited to, headphones and headphone protective covers, printer cartridges or ribbons, paper, batteries, drums, toners, fusers, transfer belts, removable media storage devices, seals, keys, power supplies/cords, PCMCIA, Smart, or CF cards or marking devices (collectively, the "Consumables"), or (iii) repair any Product from which the serial number has been removed or altered. In addition, ES&S may, at any time in its discretion, determine that any Product is no longer fit for ES&S Hardware Maintenance Services because it is in such poor condition that it cannot practically be restored to Normal Working Condition, or cannot be restored to Normal Working Condition at an expense that is less than the then-current value of the Product. If such a determination is made, ES&S shall no longer be required to provide ES&S Hardware Maintenance Services for such Product. ES&S shall also refund to Customer an amount equal to (1) that portion of the most recent fee paid for ES&S Hardware Maintenance Services that is attributable to such Product, multiplied by (2) a fraction, the numerator of which is the remaining number of days within the Term for which such fee was paid and the denominator of which is the total number of days within the Term.

d. **Sole Provider; Access.** Customer shall not permit any individual other than an ES&S Representative to provide maintenance or repairs with respect to the Products for so long as the Initial Post-Warranty Term or any Renewal Period is in effect. Customer shall provide ES&S Representatives with all information necessary to enable them to provide ES&S Hardware Maintenance Services. Customer shall likewise provide full access to the Products and adequate working space for all ES&S Hardware Maintenance Services performed at its Designated Location, including sufficient heat, lights, ventilation, electric current and outlets.

e. **Environmental Conditions.** Products should be stored in a clean, dry and secure environment. During the storage and operation of the Products, the temperature and moisture ranges should be maintained in accordance with the Products' Documentation.

f. **Reinstatement of ES&S Hardware Maintenance Services; Inspection.** If the Initial Post-Warranty Term or any Renewal Period thereof expires without being renewed, Customer may thereafter resume receiving ES&S Hardware Maintenance Services upon (a) notification to ES&S and (b) the granting to ES&S of access to the Products. ES&S requires Customer to allow it to inspect such Products before it provides any ES&S Hardware Maintenance Services. The purpose of such inspection shall be to determine whether or not the Products are in Normal Working Condition. The cost of such inspection will be at ES&S' then current rates and shall be due from Customer within thirty (30) days of its receipt of ES&S' invoice, therefore. If any of the Products is not in Normal Working Condition, ES&S, at the option of Customer, (i) shall provide such repairs and replacements as it deems reasonable and necessary to restore such item to Normal Working Condition, at Customer's expense with respect to the cost of any labor (charged at ES&S' then current rates) and parts used in such repairs or replacements, or (ii) shall not provide any ES&S Hardware Maintenance Services with respect to such Product(s).

### **ARTICLE III** **SOFTWARE LICENSE, MAINTENANCE AND SUPPORT SERVICES**

1. **License and Services Provided.** ES&S shall provide license, maintenance and support services ("Software License, Maintenance and Support") for the ES&S Software, to allow Customer to continue to license and use the software in accordance with the license terms set forth in Sections 2-4 of the General Terms as well as to enable it to perform in accordance with its Documentation in all material respects, and to cure any defect in material or workmanship. The specific Software License, Maintenance and Support services provided by ES&S and each party's obligations with respect to such services are set forth on Schedule A1.

2. **Updates.** During the Initial Post-Warranty Term, or any renewal or extension thereof, ES&S may continue to provide Updates in accordance with the terms of Section 5 of the General Terms. Unless otherwise agreed to by the parties, and subject to Customer's prior execution of a purchase order therefor, ES&S shall install ES&S Firmware Updates in accordance with Section 5 of the General Terms. ES&S shall install such ES&S Firmware Updates in conjunction with a scheduled Routine Maintenance Services event provided Customer is subscribing to and has paid for ES&S' hardware maintenance services which include Routine Maintenance Services. Customer shall pay ES&S to install all ES&S Firmware Updates which are requested to be installed outside of a scheduled Routine Maintenance Services event or in the event the Customer has not subscribed to ES&S' hardware maintenance services which include Routine Maintenance Services. Notwithstanding the foregoing, Customer shall pay ES&S to install all election management software Updates.

3. **Conditions.** ES&S shall not provide Software License, Maintenance and Support for any item of ES&S Software if such item requires such services as a result of (a) repairs, changes, modifications or alterations not authorized or approved by ES&S, (b) use, modification, dismantling, or transfer to third party without ES&S' prior written consent, (c) accident, theft, vandalism, neglect, abuse, liquid contact or use that is not in accordance with the Documentation, (d) causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, floods, riots, acts of war, terrorism or insurrection, government acts or orders; epidemics, pandemics or outbreak of communicable disease; quarantines; national or regional emergencies, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, (e) Customer's failure to timely and properly install and use the most recent update provided to it by ES&S, or (f) Customer's failure to notify ES&S within three (3) business days after Customer knows of the need for such services. Any such Software License, Maintenance and Support shall be provided at the fees to be agreed upon by the parties if and when the need for such Software License, Maintenance and Support arises. Replacement versions of Software and/or Third-Party Items or any services required in order to replace the same as a result of items set forth in this Section 3 or as a result of Customer's actions or inactions shall be billable to Customer at ES&S' then current rates.

4. **Proprietary Rights.** ES&S shall own the entire right, title, and interest in and to all corrections, programs, information, and work product conceived, created or developed, alone or with Customer or others, as a result of or related to the performance of this Exhibit A, including all proprietary rights therein or based thereon. Subject to the payment of all Software License, Maintenance and Support Fees, ES&S hereby grants to Customer a non-exclusive license to use that portion of such corrections, programs, information, and work product that ES&S actually delivers to Customer pursuant to this Exhibit A. All licensed items shall be deemed to be ES&S Software for purposes of this Exhibit A. Except and to the extent expressly provided herein, ES&S does not grant to Customer any right, license, or other proprietary right, express or implied, in or to any corrections, programs, information, or work product covered by this Exhibit A.

5. **Reinstatement of Software License, Maintenance and Support.** If the Initial Post-Warranty Term or any Renewal Period thereof expires without being renewed, Customer may thereafter receive a Software License and resume receiving Software Maintenance and Support upon (a) notification to ES&S, (b) payment of all fees, which would have been due to ES&S had the Initial Post-Warranty Term or any Renewal Period not expired, and (c) the granting to ES&S of access to the ES&S Software, so that ES&S may analyze it and perform such maintenance as may be necessary before resuming the Software License, Maintenance and Support services.
