Marissa Pomerleau, Planning, said Beef Bucks, LLC, submitted a site plan application for Lot 1, Bock 4, Murray Hill Estates. The application was submitted to request approval to establish an RV, boat, and trailer outdoor storage facility. She said on July 20, 2021 the Board of County Commissioners voted to approve a zone change from CB - Community Business to PUD - Planned Unit Development for the property. She noted 'Exhibit B' - PUD regulations were omitted from the zone change resolution. The changes to add 'Exhibit B' to the zone change resolution were brought before the Board on January 4, 2022. The Board voted to postpone approval of the revised resolution to include the PUD regulations until presentation of the site plan. Ms. Pomerleau said the proposed motion to approve the revisions to the zone change resolution is included in the staff report. Agenda Items #20 and #21 were combined into one report.

Chairman Thompson opened the hearing for PUBLIC COMMENT. Tom Mason, Cheyenne MPO, voiced concerns about the proximity of access to Hynds Blvd and the need to move it further to the east. Stan Rognon, and Larry Fodor, residents, expressed concerns about problems with access off Hynds Blvd and Chief Dr, the need for trees for screening to retain the neighborhood feel and keep the area residential, and limiting hours of operation. Chairman Thompson questioned if there was a traffic study. Ms. Pomerleau and Molly Bennett, Public Works, explained a waiver to the traffic study was granted in this situation. Ms. Bennett noted the distance required for access off Hynds Blvd could not be met because there is not enough distance per WYDOT Regulations from other access points. Hearing no further PUBLIC COMMENT, Chairman Thompson closed the hearing.

Jenny Carron and Jeff Teasley, co-owners and applicants, provided an updated site plan to the Board which moved the entrance to Chief Dr, 84 feet further to the east from the right-of-way on Hynds Blvd, because of the potential for a vehicle to back up or a queue to form on Hynds Blvd. Mr. Teasley said he was agreeable to reduced hours of operation but requested extended hours be permitted on weekends and certain holidays. Mr. Teasley spoke about xeriscaping the property.

The Board discussed the need for signage directing patrons to exit to the left towards Hynds Blvd, the need for reduced hours, and for landscaping on the north portion of the property. Commissioner Heath expressed her concerns about having trees on the north side of the property because of snow.
