Business Associate agrees to take reasonable steps, including providing adequate training to its employees to ensure compliance with this BAA and to ensure that the actions or omissions of its employees or agents do not cause Business Associate to breach the terms of this BAA.

4. **Reporting Disclosures of PHI and Security Incidents.** Business Associate will report to Covered Entity in writing any use or disclosure of PHI not provided for by this BAA of which it becomes aware and Business Associate agrees to report to Covered Entity any Security Incident affecting Electronic PHI of Covered Entity of which it becomes aware. A. Upon request and instruction from Covered Entity, Business Associate will amend PHI or a record about an Individual in a Designated Record Set that is maintained by, or otherwise within the possession of, Business Associate as directed by Covered Entity in accordance with procedures established by 45 CFR §164.526. Any request by Covered Entity to amend such information will be completed by Business Associate within fifteen (15) business days of Covered Entity's request.

B. In the event that any Individual requests that Business Associate amend such Individual's PHI or record in a Designated Record Set, Business Associate within ten (10) business days will forward this request to Covered Entity. A. Business Associate will document any disclosures of PHI made by it to account for such disclosures as required by 45 CFR §164.528(a). Business Associate also will make available information related to such disclosures as would be required for Covered Entity to respond to a request for an accounting of disclosures in accordance with 45 CFR §164.528. At a minimum, Business Associate will furnish Covered Entity the following with respect to any covered disclosures by Business Associate: (i) the date of disclosure of PHI; (ii) the name of the entity or person who received PHI; and, if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of the disclosure which includes the basis for such disclosure.

C. In the event an Individual delivers the initial request for an accounting directly to Business Associate, Business Associate will within ten (10) business days forward such request to Covered Entity.

12. Availability of Books and Records. Business Associate will make available its internal practices, books, agreements, records, and policies and procedures relating to the use and disclosure of PHI, upon request, to the Secretary of HHS for purposes of determining Covered Entity's and Business Associate's compliance with HIPAA, and this BAA.

13. Responsibilities of Covered Entity. With regard to the use and/or disclosure of Protected Health Information by Business Associate, Covered Entity agrees to:

A. Notify Business Associate of any limitation(s) in its notice of privacy practices in accordance with 45 CFR §164.520, to the extent that such limitation may affect Business Associate's use or disclosure of PHI.

B. Notify Business Associate of any changes in, or revocation of, permission by an Individual to use or disclose Protected Health Information, to the extent that such changes may affect Business Associate's use or disclosure of PHI.

C. Notify Business Associate of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR §164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

D. Except for data aggregation or management and administrative activities of Business Associate, Covered Entity shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under HIPAA if done by Covered Entity.

14. Data Ownership. Business Associate's data stewardship does not confer data ownership rights on Business Associate with respect to any data shared with it under the Agreement, including any and all forms thereof.

15. Term and Termination.

A. This BAA will become effective on the date of the last signature affixed to this document and will continue in effect until all obligations of the Parties have been met under the accompanying Agreement and under this BAA.

B. Covered Entity may terminate immediately this BAA, the Agreement, and any other related agreements if Covered Entity makes a determination that Business Associate has breached a material term of this BAA and Business Associate has failed to cure that material breach, to Covered Entity's reasonable satisfaction, within thirty (30) days after written notice from Covered Entity. Covered Entity may report the problem to the Secretary of HHS if termination is not feasible.

C. If Business Associate determines that Covered Entity has breached a material term of this BAA, then Business Associate will provide Covered Entity with written notice of the existence of the breach and shall provide Covered Entity with thirty (30) days to cure the breach. Covered Entity's failure to cure the breach within the 30-day period will be grounds for immediate termination of the Agreement and this BAA by Business Associate. Business Associate may report the breach to HHS.

D. Upon termination of the Agreement or this BAA for any reason, all PHI maintained by Business Associate will be returned to Covered Entity or destroyed by Business Associate. Business Associate will not retain any copies of such information. This provision will apply to PHI in the possession of Business Associate's agents and subcontractors. If return or destruction of the PHI is not feasible, in Business Associate's reasonable judgment, Business Associate will furnish Covered Entity with notification, in writing, of the conditions that make return or destruction infeasible. Upon mutual agreement of the Parties that return or destruction of the PHI is infeasible, Business Associate will extend the protections of this BAA to such information for as long as Business Associate retains such information and will limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible. The Parties understand that this Section 15.D. will survive any termination of this BAA.

16. Effect of BAA

A. This BAA is a part of and subject to the terms of the accompanying Agreement, except that to the extent any terms of this BAA conflict with any term of the Agreement, the terms of this BAA will govern.

B. Except as expressly stated in this BAA or as provided by law, this BAA will not create any rights in favor of any third party.

17. Regulatory References. A reference in this BAA to a section in HIPAA means the section as in effect or as amended at the time.

18. Notices. All notices, requests and demands or other communications to be given under this BAA to a Party will be made via either first class mail, registered or certified or express courier, or electronic mail to the Party's address given below:

20. **HITECH Act Compliance.** The Parties acknowledge that the HITECH Act includes significant changes to the Privacy Rule and the Security Rule. The privacy subtitle of the HITECH Act sets forth provisions that significantly change the requirements for business associates and the agreements between business associates and covered entities under HIPAA and these changes may be further clarified in forthcoming regulations and guidance.
