Planning • Building

MEMORANDUM

TO: Laramie County Planning Commission

FROM: Dan Peters, Chief Building Official

DATE: April 10, 2025

SUBJECT: 2024 International Fire Code Adoption

Executive Summary

Laramie County has been the issuing authority for building permits since the County adopted the International Building Codes in 2003. From 2003 to 2008 the County contracted with the City of Cheyenne to provide permitting and inspection services. In 2008 Laramie County initiated its own Building Division and began issuing and managing all building permits within the unincorporated boundaries of Laramie County. The State of Wyoming, under State Statute § 35-9-121, has delegated authority to Laramie County to “enforce and interpret local or state building, existing building and electrical safety standards which meet the requirements” of § 35-9-121.

The State of Wyoming Department of Fire Prevention and Electrical Safety has adopted the updated 2024 editions of the International Building Codes. Wyoming Statute § 35-9-121(a)(ii) requires that municipalities or counties that have been granted local enforcement authority shall within six (6) months following adoption of new codes by the State of Wyoming Department of Fire Prevention and Electrical Safety, shall adopt or maintain standards by ordinance or resolution that at least meet the adopted statewide standards. Laramie County desires to continue to act as the issuing local authority and as such intends to adopt the 2024 updated editions of the International Building Codes in accordance with State Statutes.

Adoption of any regulation must occur under the rule making requirements of Wyoming State Statute § 16-3-103. A 45-day notice period and opportunity for public input is required prior to any adoption of rules. On February 18, 2025 the Laramie County Board of County Commissioners approved resolution # **181016-17** giving public notice of Laramie County’s intent to adopt the 2024 IFC Code.

*At the time that the staff report was prepared, the Laramie County Clerk's Office and the Laramie County Planning and Development Office had **received no comment from the Public.***
