

PART V AGREEMENT

THIS AGREEMENT is dated this 10th day of July, 2020, by and between Laramie County (hereinafter called Owner) and Simon Contractors, (hereinafter called Contractor).

Owner and Contractor, in consideration of the mutual covenants hereinafter set forth, agree as follows:

Article 1. WORK

The project for which the Work under the Contract Documents is generally described is as follows:

Railroad Road Full Depth Reclamation and Overlay

Article 2. ENGINEER

BenchMark Engineers, P.C.
1920 Thomes Avenue, Suite 200
Cheyenne, WY 82001
(307) 634-9064

hereinafter called Engineer, will assume all duties and responsibilities, and will have the rights and authority assigned to Engineer in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

Article 3. CONTRACT TIME

- 3.1 The Work will be substantially completed and ready for final payment in accordance with the General Conditions by October 30, 2020.
- 3.2 Liquidated Damages. Owner and Contractor recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if Work is not substantially complete within the time specified in paragraph 3.1 above, plus any extensions thereof allowed in accordance with the General Conditions. The parties also recognize the delays, expense, and difficulties involved in proving in a legal proceeding the actual loss suffered by Owner if the Work is not substantially complete on time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as Liquidated Damages for delay (but not as a penalty) Contractor shall pay Owner an amount based on the original contract amount as specified in the Supplemental Conditions, Section 3, for each calendar day that expires after the time specified in paragraph 3.1 for substantial completion until the Work is substantially complete.

Article 4. CONTRACT PRICE

Owner shall pay Contractor for performance of the Work in accordance with the Contract Documents, the prices bid for the unit or lump sum items as set forth in the conformed copy of the Proposal Schedule hereto attached, which prices shall conform to those in the accepted

Contractor's Proposal on file in the office of the Owner. Monthly and final payment shall be made as provided in the General Conditions.

Whenever any portion of the Work is to be performed for Contractor by a Subcontractor, Contractor shall have identified in writing, and given to Owner prior to the Notice of Award, those portions of the Work that Contractor proposes to subcontract. After the Notice of Award, Contractor may only subcontract portions of the Work with Owner's written consent.

Article 5. CHANGES IN THE WORK

The amount of any increases or decreases in the Contractor's Fee which results from a Change Order shall be set forth in the applicable Change Order. No increases or decreases in the Contractor's Fee will be allowed without an approved Change Order.

Article 6. PAYMENT PROCEDURES

Contractor shall submit Applications for Payment in accordance with the General Conditions. The Applications for Payment will indicate the amount of the Contractor's Fee then payable. Applications for Payment will be processed by Engineer as provided in the General Conditions.

- 6.1 Progress Payments. Owner shall make progress payments on account of the Contract Price on the basis of Contractor's Applications of Payment as recommended by Engineer. All such payments shall be subject to the limitations of the Proposal Schedule.

All such payments will be on the basis of the progress of the Work measured by the Schedule of values provided for in the General Conditions.

Payments prior to Final Payment shall be in an amount equal to 90% of such fee earned to the date of the approved Application for Payment (less in each case payments previously made on account of such fee) based on the progress of the Work measured by the schedule of values provided for in the General Conditions.

- 6.2 Final Payment. Upon final completion and acceptance of the Work in accordance with the General Conditions, the Owner shall pay the remainder of the Contract Price as recommended by Engineer as provided in said paragraph.

Article 7. CONTRACTOR'S REPRESENTATIONS

In order to induce Owner to enter into this Agreement, the Contractor makes the following representations:

- 7.1 Contractor has become familiar with the nature and extent of the Contract Documents, work locality, and with all local conditions and federal, state, and local laws, ordinances, rules and regulations that in any manner may affect cost, progress or performance of the Work.
- 7.2 Contractor has given Engineer written notice of all conflicts, errors or discrepancies that Contractor has discovered in the Contract Documents and the written resolution thereof by Engineer is acceptable to Contractor.

Article 8. ACCOUNTING RECORDS

Contractor shall check all materials, equipment and labor entering into the Work and shall keep such full and detailed accounts as may be necessary for proper financial management under this Agreement, and the accounting methods shall be satisfactory to Owner. Contractor shall preserve all such documents for a period of three (3) years after the final payment by Owner.

- 10.1 Terms used in this Agreement which are defined in the General Conditions shall have the meanings indicated in the General Conditions.
- 10.2 No assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without the written consent of the party sought to be bound; and specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by the law), and unless specifically stated to the contrary in any written consent to an assignment no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

- 10.3 Owner and Contractor each bind themselves their partners, successors, assigns and legal representatives to the other party hereto, and the partners, successors, assigns and legal representatives of the other party, in respect to all covenants, agreements and obligations contained in the Contract Documents.
- 10.4 Retention of Records: Contractor agrees to retain all required records for three (3) years after Owner makes final payment and all other matters relating to the Agreement are concluded. Contractor agrees to permit access by the Owner or any of its duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this specific Agreement for purposes including but not limited to audit, examination, excerpts, and transcriptions. It is agreed that finished or unfinished documents, data or reports, prepared by Contractor under this contract shall be considered the property of the Owner and upon completion of the services to be performed, or upon termination of this Agreement for cause, or for the convenience of the Owner, will be turned over to the Owner.
- 10.5 Independent Contractor: The services to be performed by Contractor are those of an independent contractor and not as an employee of Owner. Contractor will be treated as an independent contractor for federal tax filing purposes. Contractor assumes responsibility for its personnel who provide services pursuant to this contract and will make all deductions required of employers by state, federal and local laws and shall maintain liability insurance for each of them. Contractor is free to perform the same or similar services for others.
- 10.6 Acceptance Not Waiver: Owner approval of the reports, and Work or materials furnished hereunder shall not in any way relieve Contractor of responsibility for the technical accuracy of the Work. Owner approval or acceptance of, or payment for, any of the services shall not be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.
- 10.7 Invalidity: If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, or if the Owner is advised of any such actual or potential invalidity or unenforceability, such holding or advice shall not invalidate or render unenforceable any other provision hereof. It is the express intent of the parties that the provisions of this Agreement are fully severable.
- 10.8 Applicable Law and Venue: The parties mutually understand and agree this Agreement shall be governed by and interpreted pursuant to the laws of the State of Wyoming. If any dispute arises between the parties from or concerning this Agreement or the subject matter hereof, any suit or proceeding at law or in equity shall be brought in the District Court of the State of Wyoming, First Judicial District, sitting at Cheyenne, Wyoming. The foregoing provisions of this paragraph are agreed by the parties to be a material inducement to Contractor and to Owner in executing this Agreement. This provision is not intended nor shall it be construed to waive Owner's governmental immunity as provided in this Agreement.
- 10.9 Contingencies: Contractor certifies and warrants no gratuities, kick-backs or contingency fees were paid in connection with this Agreement, nor were any fees, commissions, gifts or other considerations made contingent upon the award of this Agreement.

- 10.10 Discrimination: All parties agree they will not discriminate against any person who performs Work under the terms and conditions of this Agreement because of race, color, gender, creed, handicapping condition, or national origin.
- 10.11 ADA Compliance: All parties agree they will not discriminate against a qualified individual with disability, pursuant to a law as set forth in the Americans With Disabilities Act, P.L. 101-336, 42 U.S.C. § 12101, et seq., and/or any properly promulgated rules and regulations relating thereto.
- 10.12 Governmental/Sovereign Immunity: Owner does not waive its Governmental/Sovereign Immunity, as provided by any applicable law including W.S. 1-39-101 et seq., by entering into this Agreement. Further, Owner fully retains all immunities and defenses provided by law with regard to any action, whether in tort, contract or any other theory of law, based on this Agreement.
- 10.13 Third Parties: The parties do not intend to create in any other individual or entity the status of third-party beneficiary, and this Agreement shall not be construed so as to create such status. The rights, duties and obligations contained in this Agreement shall operate only between the parties to the Agreement and shall inure solely to the benefit of the parties to this Agreement.
- 10.14 Conflict of Interest: Owner and Contractor affirm, to their knowledge, no Contractor employee has any personal beneficial interest whatsoever in the agreement described herein. No staff member of Contractor, compensated either partially or wholly with funds from this Agreement, shall engage in any conduct or activity which would constitute a conflict of interest relative to this Agreement.
- 10.15 Force Majeure: Neither party shall be liable to perform under this Agreement if such failure arises out of causes beyond control, and without the fault or the negligence of said party. Such causes may include, but are not restricted to, acts of God or public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. In every case, however, a failure to perform must be beyond the control and without the fault or the negligence of said party.
- 10.16 Limitation on Payment: Owner's payment obligation is conditioned upon the availability of funds which are appropriated or allocated for the payment of this obligation. If funds are not allocated and available for the continuance of the services and equipment provided by Contractor, the Agreement may be terminated by Owner at the end of the period for which funds are available. Owner shall notify Contractor at the earliest possible time of the services which will or may be affected by a shortage of funds. At the earliest possible time means at least thirty (30) days before the shortage will affect payment of claims if Owner knows of the shortage at least thirty (30) days in advance. No penalty shall accrue to Owner in the event this provision is exercised, and Owner shall not be obligated or liable for any future payments due or for any damages as a result of termination under this provision. This provision shall not be interpreted or construed to permit Owner to terminate this Agreement in order to acquire similar services from another party.
- 10.17 Notices: All notices required and permitted under this Agreement shall be deemed to have been given, if and when deposited in the U.S. Mail, properly stamped and addressed

to the party for whom intended at such parties' address listed herein, or when personally delivered personally to such party. A party may change its address for notice hereunder by giving written notice to the other party.

- 10.18 Compliance with Law: Contractor shall comply with all applicable laws, regulations, and ordinances, whether Federal, State or Local.

IN WITNESS WHEREOF, the parties hereto have signed this Agreement in triplicate. One counterpart each has been delivered to Owner, Contractor, and Engineer. All portions of the Contract Documents have been signed and identified by Owner, or by Engineer on Owner's behalf, and Contractor.
