**DATE:** May 12, 2026  
**SUBJECT:** Resolution Acknowledging Receipt of and Accepting the Safe Streets and Roads for All (SS4A) Comprehensive Safety Action Plan

Dear Laramie County Board of Commissioners:

The Cheyenne Metropolitan Planning Organization (MPO) respectfully submits for your review and consideration the attached resolution acknowledging receipt and acceptance of the Safe Streets and Roads for All (SS4A) Comprehensive Safety Action Plan prepared by Felsburg Holt and Ullevig (FHU).

This plan was programmed in the MPO's FY 2025–2026 Unified Planning Work Program to evaluate transportation safety concerns throughout the Cheyenne MPO planning area and develop strategies intended to reduce roadway fatalities and serious injuries for all users of the transportation system. The SS4A Comprehensive Safety Action Plan evaluates crash trends, roadway characteristics, and contributing safety factors affecting motorists, pedestrians, bicyclists, transit users, and freight movement within the region. The plan identifies a High Injury Network, establishes safety emphasis areas, and provides planning-level recommendations intended to improve transportation safety throughout the community.

The work was completed through coordination with local, regional, and state partners, along with public outreach and engagement activities conducted in accordance with the MPO's Public Participation Plan.

Acceptance of this resolution recognizes the SS4A Comprehensive Safety Action Plan as a planning and reference document only. The plan does not authorize funding, construction, land-use decisions, or regulatory action, but may be used to inform future planning efforts, grant applications, transportation coordination, and project prioritization activities.

We appreciate your continued coordination and partnership in regional transportation planning and safety efforts.

Respectfully submitted,

**Jennifer Corso**, Senior Planner  
Cheyenne Metropolitan Planning Organization
