

RESOLUTION NO

**A RATIFIED RESOLUTION APPROVING THE SUBMITTAL OF
A GRANT APPLICATION TO THE WYOMING ASSOCIATION
OF SHERIFFS AND CHIEFS OF POLICE THROUGH THE
WYOMING DEPARTMENT OF TRANSPORTATION FOR A FY19
SELECTIVE TRAFFIC OVERTIME ENFORCEMENT GRANT IN
THE AMOUNT OF \$14,447.54, ON BEHALF OF THE
GOVERNING BODY OF LARAMIE COUNTY, WYOMING**

FOR THE PURPOSE OF: REQUESTED FUNDS IN THE AMOUNT OF \$12,179.04
WILL BE USED FOR OVERTIME COSTS ASSOCIATED WITH SELECTIVE
TRAFFIC ENFORCEMENT AND \$2,268.50 WILL BE USED FOR THE PURCHASE
OF ONE HAND HELD RADAR UNIT FOR THE LARAMIE COUNTY SHERIFF'S
DEPARTMENT.

WITNESSETH

WHEREAS, the Governing Body of Laramie County desires to participate in the
SELECTIVE TRAFFIC OVERTIME ENFORCEMENT GRANT PROGRAM by
sponsoring this grant application to assist in financing this project; and

WHEREAS, the Governing Body of Laramie County has been provided with
preliminary cost estimates and information on the project; and

**NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY
OF LARAMIE COUNTY** that a grant application in the amount of \$14,447.54 be
submitted to the Wyoming Association of Sheriffs and Chiefs of Police through the
Wyoming Department of Transportation Highway Safety Program for consideration of
assistance in funding the Laramie County Sheriff's Department.

BE IT FURTHER RESOLVED, that Sandra Newland, or her successor in the
position of Laramie County Grants Manager, is appointed as agent of the Laramie County
Board of Commissioners to execute and submit applications and certifications for these
funds and to receive funds and implement the programs funded under this grant.

PASSED, APPROVED AND ADOPTED THIS 20TH DAY OF MARCH, 2018.

WASCO
Highway Safety Office
Selective Traffic Enforcement
P.O. Box 990
Douglas, WY 82633

Dear Highway Safety Office:

The Laramie County Sheriff's Department would like to request funding for one hand-held Stalker II moving radar unit. The requested radar is Buy American Certified and is located on the Conforming Products List. Our department agrees to continue participation in the Selective Traffic Enforcement Grant Program for an additional two fiscal years as required. Our department also acknowledges the requirement of purchasing the funded equipment by December 31, 2018. The Laramie County Sheriff's Department has received one radar unit purchased through HWS funds in FY2015. The Department currently has forty in car radar units, with approximately 50% of them being older models that are phased out of use.

This request will be the first hand-held radar unit for the Sheriff's Department. We are requesting a hand-held unit to provide the department with increased efficiency and flexibility. The radar can be used by deputies that currently do not have a radar unit installed in their vehicle, thus increasing enforcement opportunities under Selective Traffic Enforcement grant activities. Enclosed within our application please find a quote for the Stalker II moving radar unit.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard Hillegas", is written over a blue circular stamp. The signature is fluid and cursive, with a long horizontal stroke extending to the right.

This Quote or Purchase Order is subject in all respects to the Terms and Conditions detailed at the back of this document. These Terms and Conditions contain limitations of liability, waivers of liability even for our own negligence, and indemnification provisions, all of which may affect your rights. Please review these Terms and Conditions carefully before proceeding.

Applied Concepts, Inc. (d/b/a Stalker Radar) Product Terms and Conditions

- (1) Purpose. The terms set forth herein govern the sale and delivery of the Stalker Radar and other products (collectively "Products") sold by Applied Concepts, Inc. (d/b/a Stalker Radar "we," "us," "bur," etc.) and purchased by the purchaser ("you," "your," etc.).
- (2) Price and Product Changes; Errors. Prices of Products are subject to change without notice, and all references in sales brochures, technical data sheets and offers on our website or otherwise as to size, weight, and other details of the Products are approximate only. No such term shall be binding on us unless expressly incorporated in a purchase order which is approved and accepted by us in accordance with these terms. In the event that a Product is mistakenly listed at an incorrect price or with other incorrect information, we reserve the right to refuse or cancel any orders placed for a Product listed at the incorrect price or based on incorrect product information. In addition, we are not responsible for any inability to fulfill orders due to reasons beyond our control. We reserve the right to refuse or cancel any such orders whether the order has been confirmed and you have paid for the Product. If you have already paid for the Product and your order is cancelled, we will issue a refund in the amount paid.
- (3) Cancellation. Cancellation of an order for standard Products will be accepted without penalty, prior to shipment. Cancellation of an order for non-standard or customized Products will not be accepted once item is in production or shipped.
- (4) Delivery. Unless separate arrangements have been agreed upon in writing with you to the contrary, the terms of delivery are F.O.B. our loading dock. We will use commercially reasonable efforts to make your purchased Products available for pick-up and delivery by you within a reasonable time after acceptance of an order from you, or, if you so specify, to place the purchased Products with a common carrier at your expense for delivery to you. You bear the risk of loss or destruction of the purchased Products upon and after the first to occur of (a) pick-up or acceptance of the Products by you or your common carrier at our place of business, or (ii) five (5) days after confirmation from us that the Products are ready for pick-up at our place of business. If we are required to store the Products due to any delay caused by you, you will reimburse us for reasonable storage charges. We reserve the right to make the Products available for pick-up and delivery in installments provided that such installment shall not be less than one Product unit, unless otherwise expressly confirmed in a written communication to the contrary by us. Delay in delivery of any installment shall not relieve you of your obligation to accept remaining deliveries.
- (5) Returns. We must authorize all returns and a Return Material Authorization (RMA), prior to shipping. All returns must be made within thirty (30) days after delivery as specified in Section (4). Returns will be shipped at your expense. An RMA number can be obtained by e-mailing Customer Service: csd@a-concepts.com. We will not be responsible for, nor guarantee credit or replacement on, any product returned to us without an RMA. Under no circumstances will we accept collect shipments. Products returned must be received by us in re-salable condition. Product that cannot go back to stock as received will not be accepted. Please securely pack the Product and write the RMA number on the outside of the shipping box, not the product box. All returns are subject to a restocking charge of 15% of net price. A minimum repacking fee of 35% of current net price will be charged for all returned product requiring repackaging. Specific items may require additional charges.
- (6) Payment. You will pay the purchase price and applicable taxes and duties for Products without setoff, deduction, or withholding net 30. You hereby grant us a purchase money security interest in and to the Products until the purchase price and other applicable charges are paid in full. You consent to filing of a UCC-1 or other applicable document that we deem necessary to perfect this security interest and appoint our designee as your attorney-in-fact to execute and file such UCC-1 or other document in our sole discretion.
- (7) Proprietary Information. We have and claim various proprietary rights in the Products. You will not directly or indirectly cause any proprietary rights to be violated or any proprietary information to be disclosed to any third party without our prior written consent.
- (8) Warranty. We warrant Products to be free of defects and (a) that Products will perform materially in accordance with the user guides, quick reference guides, and other technical and operations manuals and specifications for Products

provided by us. At our election, we will repair or replace at our cost all Product hardware components that fail due to defective materials or workmanship during the warranty period specified in your owner's manual or a longer period specified in your quote or invoice. You must return failed Product to the factory or an authorized service center, freight prepaid. Return shipping on any components that fail within 6 months from shipment date, will be paid for by us through a shipping label we provide to you. We will pay standard UPS ground on all return shipping. This warranty excludes normal wear-and-tear such as frayed cords, broken connectors, scratched or broken cases, or physical abuse. The foregoing warranty is exclusive, in lieu of all other warranties, of quality, fitness, or merchantability, whether written, oral, or implied. We will not be liable for any direct, indirect, consequential or incidental damages arising out of the use or inability to use Product even if you have advised us of the possibility of such damages. As a further limit on warranty, and as an expressed warning, you should be aware that harmful personal contact may be made with a Product in the event of violent maneuvers, collisions, or other circumstances, even though said Product is installed and used according to instructions. We specifically disclaim any liability for injury caused by a Product in all such circumstances. Any attempt to repair a Product on your own will void this warranty.

- (9) Limitations of Liability. WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, OUR AND OUR AFFILIATES' AND LICENSORS' AGGREGATE LIABILITY UNDER THIS AGREEMENT WILL BE LIMITED TO THE GREATER OF \$100,000 OR THE AMOUNT YOU ACTUALLY PAID US UNDER THIS AGREEMENT FOR PRODUCTS DURING THE 12 MONTHS PRECEDING THE CLAIM

(10) Miscellaneous

- a) Force Majeure. We and our partners will not be liable for any delay or failure to perform any obligation under this Agreement where the delay or failure results from any cause beyond our reasonable control, including acts of God, labor disputes or other industrial disturbances, systemic electrical, telecommunications, or other utility failures, earthquake, storms or other elements of nature, blockages, embargoes, riots, acts or orders of government, acts of terrorism, or war.
- b) Assignment. You may not assign or otherwise transfer Products or any of your rights and obligations specified herein without our prior written approval. Subject to the foregoing, these terms and conditions will be binding upon, and inure to the benefit of us, you and our and your respective successors and permitted assigns.
- c) Jurisdiction. Your purchase of Product and these terms and conditions shall be governed by, construed, and enforced in accordance with the laws of the State of Texas without regard to its conflicts of laws provisions. Any controversy or claim arising out of or relating to this agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Such Arbitration shall take place only in Collin or Dallas Counties, State of Texas. There is no recourse beyond the Binding Arbitration mentioned herein and that no civil litigation or action will be brought by either party as a direct result of your purchase or use of Product or these terms and conditions. The non-prevailing party (as exclusively determined by the arbitrator) shall pay all of the prevailing party's arbitration fees, attorneys' fees, costs (including costs of investigation), expert witness fees, and all other related expenses of every kind and nature whatsoever. Notwithstanding the foregoing, we may seek any equitable or injunctive relief in a court having proper jurisdiction to protect our rights under these terms and conditions or to protect any of our proprietary interest or goodwill.
- d) Severability. In the event that any provision of these terms and conditions is held by a court of competent jurisdiction to be unenforceable because it is invalid or in conflict with any law or any relevant jurisdiction, the validity of the remaining provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if these terms and conditions did not contain the particular provisions held to be unenforceable.

Stalker II - SDR | Stationary Directional Radar
Stalker II - MDR | Moving Directional Radar

The performance and range of a vehicle-mounted radar in a versatile, hand-held lightweight package. The Stalker II includes direction-sensing and moving mode technology and is available in either moving / stationary or stationary-only versions.

STALKER II

- High Performance Design Using Direction-Sensing Technology
- Faster Speed Tracking
- 3 Window Display
- Detachable, Rechargeable, High Capacity Battery Handle
- Rugged, Waterproof Die-Cast Metal Construction
- Plug-n-Play Vehicle Speed Sensing for MDR Model
- Touch Panel Keys with Backlit LCD
- **Stalker - Used by more State Agencies than all other radar brands combined**

Ergonomic
infrared
remote

stalkerRadar.com

■ Stalker II MDR | Moving Directional Radar

The Stalker II MDR, moving directional radar, brings direction-sensing technology to a hand-held radar. The Stalker II can automatically distinguish between faster or slower same-lane targets in moving mode without a slower key and can simultaneously track targets closing or going away. The rear antenna option allows the connection to a rear-facing antenna to yield performance of a two-antenna dash-mounted unit. An ergonomic infrared remote control is standard.

■ Stalker II SDR | Stationary Directional Radar

The Stalker II SDR, stationary directional radar, has the range and performance of a vehicle-mounted radar in a versatile hand-held package with patented direction-sensing technology. The ergonomic infrared remote may be added to increase the Stalker II's versatility.

Backlit Rear Display

The 3-window backlit display presents an intuitive user interface with clear messaging and control buttons. It features LCD display windows for simultaneously displaying Strongest Target, Faster Target, with direction arrows that indicate the direction of travel for both the strongest and faster targets along with Patrol Speed (in moving mode). By displaying both strongest and faster targets simultaneously, the Stalker II can monitor faster vehicles passing larger vehicles and display the speed of both targets.

TRIGGER – Pull the trigger to transmit and release for hold. A pull (to transmit) pull (to hold) operation is optional. The trigger is used in stopwatch mode to perform the start/stop function.

MENU – is used to enter the operator menu.

STAY/MOV – selects stationary or moving mode in the MDR. Not used in the SDR.

▲/TEST – ▲ sets distance in stopwatch mode and increments settings in the operator menu. **TEST** performs a diagnostic check on the radar.

LOCK/REL – is used to **LOCK** and **RELEASE** strong speed targets.

BOTH/DIRECTION – This key is used to select target direction.

LIGHT/▲ – **LIGHT** switches the backlight on and off. **▲** sets distance in stopwatch mode and decrements settings in the operator menu. **POWER** – toggles the main power ON and Off. **Multi-Function Port** – connection point for VSS, external power, and RS-232 data output.

Rear Antenna Option

The Stalker II MDR can be purchased with an optional rear antenna port. With this feature, a second, rear-facing antenna can be connected to the Stalker II MDR to yield the performance of a two-antenna dash-mounted unit either in a patrol vehicle or on a motorcycle.

Motorcycle/Waterproof Applications

STALKER

The Stalker II brings versatility to motorcycle applications as a handlebar mount, with or without the battery handle attached, or used as a traditional hand-held with an optional holster.

Its die-cast-metal case is smaller and lighter than most hand-helds, and the Stalker II is waterproof to a depth of 2 feet. That makes the Stalker II at home on the water as well as on the roadway.

Full-Function Remote Control

The full function remote control adds to the Stalker II's versatility and provides direct access to the operator settings that can also be accessed in the Operator Menu.

▲ – is used to set distance in stopwatch mode and to increment settings in the operator menu.

STRONG LOCK/REL – is used to lock and release strong targets.

ANT – toggles between integral antenna and optional, rear-facing antenna.

FAST LOCK/REL – is used to lock and release faster targets.

▼ – is used to set distance in stopwatch mode and to decrement settings in the operator menu.

BOTH / DIRECTION – is used to select target direction for both stationary and moving modes.

SEn / 100 – SEn adjusts the sensitivity (range) of the radar. 100 is used for setting distance in stopwatch mode.

TEST / MENU – TEST performs a diagnostic check on the radar; MENU is used to enter the operator menu.

XMIT/HLD – toggles between transmit mode and hold mode.

SS – is the Start/Stop control for stopwatch operation.

STA/MOV – selects either stationary mode or moving mode.

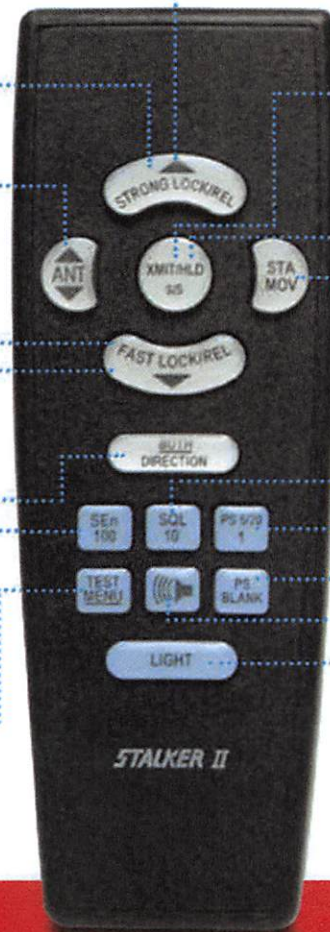

SQL / 10 – SQL toggles the squelch control on/off. 10 is used for setting distance in stopwatch mode.

PS 5/20 / 1 – PS 5/20 is used to set the minimum patrol speed. 1 is used for setting distance in stopwatch mode.

PS BLANK – will blank a locked patrol speed and it is also used to reacquire a new patrol speed.

Speaker icon – is used to adjust the Doppler volume and the beep volume.

LIGHT – activates the remote backlight for 6 seconds.

Power to Enforce.

Optional Accessories

The versatile Stalker II has available mounts, holsters and antenna connections for nearly any application.

Mounts

The Stalker II can be dash mounted (with or without handle) in the police vehicle.

A variety of mounts are available for several makes and models of vehicles and motorcycles.

Holster

The holster fully protects the Stalker II when not in use, keeping it safely and securely tucked away on motorcycle patrol. Available with and without keyed lock.

Detachable Battery Handle

With its detachable high-capacity battery handle, the Stalker II is easily mounted to any law enforcement vehicle, and will go from hand-held to dash mount and back to hand-held in a snap.

The intelligent battery charger protects batteries and operates using either the 120 VAC wall adapter or an optional 12 VDC cigarette plug cable.
