Mimecast Attachment Protection has deemed this file to be safe, but always exercise caution when opening files.

As I get ready to leave town for a week, I have only gotten two of the appointment applications, which I've attached. Both of the attached forms require county appointment, but only Dr. Berry's requires city approval.

Every year, five of the board's fifteen seats need to be filled. Eleven of the board members are nominated by agencies or organizations in the community and require the approval of both the city council and the county commission. Four at-large members (two each for the city and county) only need approval by the governing body of the board that appoints them.

This year the members are:

Ronn Jeffrey - city at-large, must be approved by city only (waiting for form, asked Ronn to send it directly to Holly)

Dick Berry - Youth Alternatives, must be appointed by city and county (form attached)

Carol Tullio - county at-large, must be approved by county only (form attached)

Allison Anderson - city at-large, must be appointed by city only (waiting for form, asked Allison to send it directly to Holly)

Vacant - county at-large. This position is vacant and will need to apply for appointment once a replacement is found.

Please let me know if you have any questions. If you do not receive the forms from Ronn and Allison, I will follow up with them both at the board's next meeting to get hardcopy applications completed and just hope to avoid too much of a break in their appointments.

Please let me know if you have any questions. Although I will be out of the office, I will be available by phone or email every day. If I receive the forms back from Ron and Allison, I will forward them to you. Please advise if either the board members or myself should attend the governing body meetings or if there are any questions from the city or county administrations that the members, board or myself can answer. Thank you both.
