Statement of Interest

As a life-long native of Pine Bluffs, I have seen first hand the positive impact that the Laramie County Recreation Planning and Advising Board can have on the communities it serves. This upcoming spring, I will graduate from the University of Wyoming, with my masters degree, and plan to return to my hometown to start a career and one day a family. Representing Pine Bluffs, as well as the other small communities within Laramie County, while also contributing to the recreational development of the City of Cheyenne will allow me to ensure that my community and its neighbors are able to continue to make the recreational developments necessary to grow while firstly serving our community members. As a new board member for the LCRPAB, I believe I can add a new and young perspective to an already well-rounded board, and would appreciate the opportunity to serve my town and county.
