I. PURPOSE

The purpose of this Addendum is to modify the Electronic Recording Agreement (hereinafter referred to as "Agreement"), between COUNTY and CONTRACTOR for the purpose of recording real property documents by electronic transmission.

II. TERM

This Agreement shall commence on the date the last signature is affixed hereto by the duly authorized representatives of the parties, and shall remain in full force and effect until its termination in accordance with the terms or provisions of this Addendum, or pursuant to federal or state statute, rule or regulation.

IV. MODIFICATIONS

A. Section 6 titled "General Terms," the third ¶ is excluded and is of no further force or effect.

B. The parties to this agreement understand that data and information subject to confidentiality or privilege under Wyoming or Federal law and regulation may be available to CONTRACTOR and/or come into CONTRACTOR's possession and control as a result of performance under this agreement. CONTRACTOR agrees that it will comply with any applicable laws or regulations regarding the protection and/or unauthorized release of such materials and shall maintain appropriate security measures, consistent with industry standards, for the protection of such data or information.

V. ADDITIONAL PROVISIONS

A. Independent Contractor: The services to be performed by CONTRACTOR are those of an independent contractor and not as an employee of COUNTY. CONTRACTOR is not eligible for Laramie County Employee benefits and will be treated as an independent contractor for federal tax filing purposes. CONTRACTOR assumes responsibility for its personnel who provide services pursuant to this contract and will make all deductions required of employers by state, federal and local laws and shall maintain liability insurance for each of them. CONTRACTOR is free to perform the same or similar services for others.

B. Acceptance Not Waiver: COUNTY's approval of the reports, and work or materials furnished hereunder shall not in any way relieve CONTRACTOR of responsibility for the technical accuracy of the work. COUNTY's approval or acceptance of, or payment for, any of the services shall not be construed to operate as a waiver of any rights under the Agreement and this Addendum or of any cause of action arising out of the performance of the Agreement and this Addendum.

C. Termination: The Agreement and this Addendum may be terminated (a) by either party at any time for failure of the other party to comply with the terms and conditions of the Agreement and this Addendum; (b) by either party, with thirty (30) days' prior written notice to the other party; or (c) upon mutual written agreement by both parties.

D. Assignment: Neither the Agreement, this Addendum, nor any rights or obligations hereunder shall be assigned or delegated by a party without the prior written consent of the other party.

E. Modification: The Agreement and this Addendum shall be modified only by a written agreement, duly executed by all parties hereto.

F. Invalidity: If any provision of the Agreement and this Addendum is held invalid or unenforceable by any court of competent jurisdiction, or if the COUNTY is advised of any such actual or potential invalidity or unenforceability, such holding or advice shall not invalidate or render unenforceable any other provision hereof. It is the express intent of the parties the provisions of the Agreement and this Addendum are fully severable.

G. Applicable Law and Venue: The parties mutually understand and agree the Agreement and this Addendum shall be governed by and interpreted pursuant to the laws of the State of Wyoming. If any dispute arises between the parties from or concerning the Agreement and this Addendum or the subject matter hereof, any suit or proceeding at law or in equity shall be brought in the District Court of the State of Wyoming, First Judicial District, sitting at Cheyenne, Wyoming. The foregoing provisions of this paragraph are agreed by the parties to be a material inducement to CONTRACTOR and to COUNTY in executing the Agreement and this Addendum. This provision is not intended nor shall it be construed to waive COUNTY's governmental immunity as provided in the Agreement and this Addendum.

H. Contingencies: CONTRACTOR certifies and warrants no gratuities, kick-backs or contingency fees were paid in connection with the Agreement and this Addendum, nor were any fees, commissions, gifts or other considerations made contingent upon the award of the Agreement and this Addendum.

I. Discrimination: All parties agree they will not discriminate against any person who performs work under the terms and conditions of the Agreement and this Addendum because of race, color, gender, creed, handicapping condition, or national origin.

J. ADA Compliance: All parties agree they will not discriminate against a qualified individual with disability, pursuant to a law as set forth in the Americans With Disabilities Act, P.L. 101-336, 42 U.S.C. § 12101, *et seq.*, as amended, and/or any properly promulgated rules and regulations relating thereto.

K. Governmental/Sovereign Immunity: COUNTY does not waive its Governmental/Sovereign Immunity, as provided by any applicable law including Wyo. Stat. § 1-39-101 through 121, as amended, by entering into the Agreement and this Addendum. Further, COUNTY fully retains all immunities and defenses provided by law with regard to any action, whether in tort, contract or any other theory of law, based on the Agreement and this Addendum.

L. Third Parties: The parties do not intend to create in any other individual or entity the status of third party beneficiary, and the Agreement and this Addendum shall not be construed so as to create such status. The rights, duties and obligations contained in the Agreement and this Addendum shall operate only between the parties to the Agreement and this Addendum, and shall inure solely to the benefit of the parties to the Agreement and this Addendum.

M. Indemnification: To the fullest extent permitted by law, CONTRACTOR agrees to indemnify and hold harmless COUNTY, its elected and appointed officials, employees and volunteers from any and all liability for injuries, damages, claims, penalties, actions, demands or expenses arising from or in connection with work performed by or on behalf of CONTRACTOR for COUNTY except to the extent liability is caused by the sole negligence or willful misconduct of COUNTY or its employees.

N. Conflict of Interest: COUNTY and CONTRACTOR affirm, to their knowledge, no CONTRACTOR employee has any personal beneficial interest whatsoever in the Agreement and this Addendum described herein. No staff member of CONTRACTOR, compensated either partially or wholly with funds from the Agreement and this Addendum, shall engage in any conduct or activity which would constitute a conflict of interest relative to the Agreement and this Addendum.

O. Force Majeure: Neither party shall be liable to perform under the Agreement and this Addendum if such failure arises out of causes beyond the control, and without the fault or the negligence of said party. Such causes may include, but are not restricted to, Act of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. In every case, however, a failure to perform must be beyond the control and without the fault or the negligence of said party.

Q. Addendum Controls: Where a conflict exists or arises between any provision or condition of this Addendum and the Agreement, the provisions and conditions set forth in this Addendum shall control.

R. Compliance with Law: CONTRACTOR shall comply with all applicable laws, regulations and ordinances, whether Federal, State or Local.

ELECTRONIC RECORDING AGREEMENT

THIS ELECTRONIC RECORDING AGREEMENT ("Agreement") is made and entered into effective as of _____, 2020 by and between SYNREGO, INC., a California corporation ("SYNREGO") located at 590 W. Lambert Rd., Brea, CA 92821 and Laramie County, Wyoming ("Jurisdiction") located at 310 West 19th Street, P.O. Box 608, Cheyenne, WY 82003-0608

RECITALS

A. SYNREGO offers a national electronic recording platform and service to function as a trusted third party for Title Insurance Companies, Attorneys, Mortgage Bankers, Full Service Banks and other trusted entities to submit electronic documents to government entities for recording.

B. Jurisdiction desires to offer recording of real property documents by electronic transmission in substitution for conventional paper-based documents and to assure that transactions are not legally invalid or unenforceable as a result of the use of available electronic technologies for the mutual benefit of the parties of the transactions.

AGREEMENT

1. **Electronic Recording.** For purposes of this Agreement, *Electronic Recording* is defined based on the level of automation and structure of the transaction. The three levels of automation are as follows:

- **Level 1** Submitting organizations transmit scanned image copies of ink signed documents to Jurisdiction. Jurisdiction completes the recording process in the same way as paper using the imaged copy as the source document. An electronic recording endorsement is returned to the organization in the form of a label or printing process in order for the submitting organization to append that information to the original paper document.
- **Level 2** Submitting organizations transmit scanned images of ink signed documents along with electronic indexing information to Jurisdiction. Jurisdiction performs an electronic examination of the imaged documents and indexing data, and then completes the recording process using the imaged copy and electronic indexing information. The electronic version of the recorded document is returned electronically to the submitting organization along with the electronic recording data.
- **Level 3** Submitting organizations transmit "Smart" documents which are a single object containing the electronic version of the document in such a way that enables the electronic extraction of data from the object. Smart documents are required to be signed and notarized electronically. The Smart document is endorsed electronically by Jurisdiction and returned in Smart document format to the submitting organization.

2. **Program Eligibility**

Title Insurance Companies, Attorneys, Mortgage Bankers, Full Service Banks and other trusted entities (collectively, "Trusted Entities") may directly or through a trusted third-party provider submit real property records for electronic recording. Electronic Recording mandates a close working relationship as well as mutual trust between Jurisdiction and the submitting entity. All parties of the Electronic Recording transaction desire to operate and maintain a secure recording system that safeguards parties to recordation from deceit, fraud and forgery. This Agreement outlines the procedures and rules for the trusted relationship between SYNREGO and Jurisdiction to facilitate a safe and secure Electronic Recording relationship.

Participation in the Electronic Recording program is voluntary and the decision to do so is a business judgment.

There will be no added fees or costs of any kind charged by Jurisdiction for Electronic Recording.

3. **Jurisdiction Requirements**

The Electronic Recording Program of the Jurisdiction is defined by the requirements defined below and provided to SYNREGO through the online questionnaire and secure ACH link, if your preference is to have SYNREGO send payments via ACH:

- Jurisdiction's document and indexing specifications
- Jurisdiction's processing schedules and hours of operation
- Jurisdiction's business rules
- Jurisdiction's payment information

4. **SYNREGO Responsibilities**

SYNREGO acknowledges that Electronic Recording permits its customers, who are Trusted Entities, to prepare, sign and/or transmit in electronic formats documents and business records and the document or records shall be considered as the "original" record of the transaction in substitution for, and with the same intended effect as, paper documents and, in the case that such documents bear a digital or electronic signature, paper documents bearing handwritten signatures.

SYNREGO shall require that all Trusted Entities ensure that only original documents are used to create the electronic documents. SYNREGO shall require that documents submitted by Trusted Entities for Electronic Recording have been checked by Trusted Entities before submission for errors, omissions, scanning defects, illegible areas, and other deficiencies that would affect the Jurisdiction's ability to record the document and the public notice to be created thereby.

SYNREGO shall ensure that all reasonable security measures and credentials implemented by SYNREGO providing access to its electronic recording platform are protected and shall implement and maintain rigorous password requirements and protection.

SYNREGO shall require all Trusted Entities to represent and agree that all documents submitted for recording by Trusted Entities are authentic for all purposes as fully as if paper versions of the documents have been manually signed.

SYNRGO is a proud member of Property Records Industry Association (PRIA) and American Land Title Association (ALTA). SYNRGO complies with PRIA's standards for electronic recording and ALTA's Best Practices.

5. **Reporting and Payments**

SYNRGO shall provide Jurisdiction with access to daily reports of all electronic recording activity submitted for recording to Jurisdiction through SYNRGO. SYNRGO shall process payment of all daily activity via ACH Push by end of day and payment will be issued to Jurisdiction next business day unless another form of payment is used such as ACH Pull.

6. **General Terms**

The Jurisdiction will not incur any liability for the information electronically transmitted by SYNRGO. Should a dispute or legal action arise concerning an electronic transaction, the Jurisdiction will be held harmless and not liable for any damages.

The Jurisdiction will not incur any liability for any breach of security, fraud or deceit as a result of Electronic Recording. Neither SYNRGO nor the Jurisdiction shall be liable to the other for any special, incidental, exemplary or consequential damages arising from or as a result of any delay, omission or error in the Electronic Recording transmission or receipt.

SYNRGO and Jurisdiction will attempt in good faith to resolve any controversy or claim arising out of or relating to Electronic Recording through either negotiation or mediation prior to initiating litigation.
