Planning • Building

MEMORANDUM

TO: Laramie County Planning Commission

FROM: Sonny M. Pourchot, Associate Planner

DATE: May 14th, 2026

TITLE: Review and Action on a Class C Conditional Use Permit for the BT Campground Cabins, located in a portion of Tract 4, Allison Tracts, situated in the W ½ of Section 8, T13N, R66W, Laramie County, WY, and located at 215 S Greeley Highway, Cheyenne, WY.

EXECUTIVE SUMMARY

DeRoon Consulting, LLC, on behalf of landowner, BT II, LLC, has submitted an application for approval of a Class C Conditional Use Permit for the BT Campground Cabin location. They have also submitted applications for a Modest Plat: Lot Line Adjustment to acquire the land for the new cabin location (BOCC approval) and a site plan amendment to include the cabin use (Administrative approval). These additional applications are being combined for ease of reading and will be determined by the means listed above. The purpose of the project is to expand the campground to include the eight (8) new cabins that will be situated on the newly acquired portion of land.

BACKGROUND

The subject property is located in the Community Business – CB zone district and consists of 0.43 acres, with the remainder of the BT Campground being Planned Unit Development – PUD zone district. The surrounding area is also zoned Community Business – CB zone district. The property is currently accessed from S Greeley Highway.

Pertinent Laramie County Land Use Regulations or Statutory Provisions include:

Section 1-3-100 governing public notice.
Section 2-3-102(d)(iii) governing the Class C Conditional Use permitting process.
Section 2-4-105 governing the CB – Community Business Zone District.
Section 3-1-109 governing commercial projects.
Section 4-2-103 governing Modest Plat: Lot Line Adjustments.
Section 3-1-109(h) governing Revised Site Plans.

DISCUSSION

The Laramie County Comprehensive Plan designates this area as Urban Rural Interface – URI, which is intended to accommodate a mix of more intensive land uses than other areas. These areas may have public water and sewer services, a higher level of vehicular access, and a greater overall level of community services. PlanCheyenne Future Land Use designates this area as CB – Community Business, and MU-C – Mixed-Use Commercial. Both plans align with the intended use of these properties.

This property is part of South Cheyenne Water Sewer district and regulations pertaining to water and sewer services will be addressed in the site plan application.

Public notice was published, and neighbor notice letters were sent by first class mail. Staff received no written comments from adjacent landowners. Agency comments were addressed.

A conditional use is given to land use meant to be beneficial to the permitted uses or those similar within a zoning district with conditions; or it requires conditions to mitigate impacts it may have on the surrounding area. Every listed land use or land use proposal similar in nature, intensity and community impact which requires a conditional use permit has probable impacts and is required to meet all conditions within the LCLUR. It was determined that a Class C Conditional Use Permit would be required along with a Site Plan. Class C Conditional uses are generally those which are presumed intense in nature and likely require conditions to mitigate impacts they may have on the surrounding area to uphold public health, safety and general welfare. Any conditions placed by the governing bodies shall be met.

Section 2-3-102 of the Laramie County Land Use Regulations requires that the Laramie County Planning Commission decide as to whether the proposed use is permitted and is in conformance with all applicable development standards. Staff find this application is in conformance with the plans and policies of Laramie County.

RECOMMENDATION and FINDINGS

Based on evidence provided, staff finds that:

- a. This application meets the criteria for a Class C Conditional Use Permit pursuant to section 2-3-102(d)(iii) of the 2025 Laramie County Land Use Regulations.
- b. This application meets the criteria for commercial projects pursuant to section 3-1-109 of the 2025 Laramie County Land Use Regulations.
- c. This application is in conformance with section 2-4-105 of the 2025 Laramie County Land Use Regulations governing the CB – Community Business Zone District.

and that the Planning Commission may recommend approval of the Class C Conditional Use Permit for the BT Campground Cabins, located in a portion of Tract 4, Allison Tracts, situated in the W ½ of Section 8, T13N, R66W, Laramie County, WY, to the Laramie County Board of Commissioners with no conditions.

PROPOSED MOTION

I move to recommend approval of the Class C Conditional Use Permit for the BT Campground Cabins, located in a portion of Tract 4, Allison Tracts, situated in the W ½ of Section 8, T13N, R66W, Laramie County, WY, to the Laramie County Board of Commissioners, and adopt the findings of facts a, b, and c of the staff report with no conditions.

Miscellaneous Notes

Access will off existing campground. Proposed is the construction of 8 cabins west of the new campground. The site is under contract for purchase. Water and sewer provided by SCWSD. Current zoning is CB and this proposal is a use by right so no zone change is needed but does require a Class C Conditional Use Permit which includes a conceptual plan. Public Hearings will be held by the Planning Commission and the BOCC. After approval a site plan application will be required. Can be done concurrently with the site plan at risk in case the CUP isn't approved. If want to change the campground an amendment would be needed to that site plan. WYDOT access is approved for the campground but will need documentation of the total number of additional traffic would be and does not exceed peak hour traffic. Turn lane is not usually placed in a turn lane area. Applicant said that they would eliminate a left turn. Other existing accesses will be closed to this property.

Miscellaneous Notes (2)

Scott with South Cheyenne Water and Sewer. This project will have its own taps and not be included in the campground operation. Approval from BOPU will be needed to see if the additional load can be handled. DEQ will need to be included in this project. Seth with the City of Cheyenne does not see anything substantial with the project but will be a reviewer on the application. Class C Permit \$750, \$500 Site Plan, legal ad, mailings, sign, engineer review fees. If done concurrently these expenses can be shared. DEQ permit for the campground is almost completed. Building permits will be required for the structures. After receiving the COR the building permits application can be submitted. Structures will be pre-made with a kitchenette, restroom.

Miscellaneous Notes (3)

Proposed setbacks meet the requirements of the 2025 LCLUR.

CONDITIONS

* Disclaimer: These are intended as guidance only. Fee calculations are determined at the time of application, and issues that arise during review periods are not always anticipated at pre-application stage. Public Records Act: This document and any documents provided by the applicant to Planning may constitute a public record under W.S.S. 16-4-201 et seq. Applicants are advised not to divulge any information at a Pre-Application Meeting with Planning that they do not yet desire to be public information.

* A traffic study may be required for any site plan, subdivision permit, or access request for any development and shall be required for any project or development that will generate 100 or more trips during any hour or over 200 trips per day. Traffic studies shall be prepared by a qualified civil engineer licensed by the Wyoming State Board of Registration for Professional Engineers and Professional Land Surveyors to practice engineering in Wyoming. The applicant and the engineer shall meet with the County prior to preparation of the traffic study to discuss specific issues or concerns. The Director of Planning and Development may waive a traffic study based on estimated ADT, and peak hour trips, or existing road or site conditions, including adequate pedestrian access.

* Requests for waivers for drainage impact studies shall be made in writing to the Laramie County Public Works Department. The County shall review the request and approve the grant for a waiver or identify the level of study required for the proposed development action. Laramie County Public Works may waive the requirement for drainage study based on the following: a. Information is provided to substantiate there are no potential drainage problems at the site or downstream of the site (including impacts to downstream floodplains). b. The development or redevelopment will not result in an increase in the historic impervious area. c. The development or redevelopment of an area is immediately adjacent to a major drainageway that is capable of conveying the fully developed basin 100-year flood without impact to the base flood elevation. d. The development or redevelopment is unlikely to create drainage problems.

* A waiver or alternative to the required landscaping may be presented to the Planning and Development Director for review. The Director shall approve the proposed alternative landscape plan based on the following criteria: A. the proposed alternative meets or exceeds the intent of this regulation, and B. the proposed alternative is well-integrated with the surrounding landscaping and land uses, and C. the proposed alternative meets the goals of Laramie County Comprehensive Plan and; D. the purpose of the required site plan is to legalize an existing use and the impact or benefits of the landscape plan on the property would be minimal; or E. the landscaping as required would prohibit reasonable use of the property.

RE: Response to Agency Review Comments: Conditional Use Permit PZ-26-00019
BT Campground

Dear Ms. Keen,

Follows are responses to the Agency Review Comments received on 2.26.26

Date	Reviewer	Response to Comment
2.27.26	Seth Lloyd, City of Cheyenne	Acknowledged. We are working directly with SCWSD.
2.27.26	Conservation District	Additional area contributing to the pond from this site plan amendment is negligible and does not adversely impact the performance of the previously approved detention pond.
3.6.26	Cambia McCollom, GIS	Addressing: The Developer agrees the entire premise will be addressed as 227 S. Greeley Hwy, or as advised otherwise.
3.10.26	Scott Sprakties, SCWSD	Acknowledged, District/BOPU details are referenced within the plan set. We are working directly with Scott on permitting and will serve letters for the additional parcel.
3.10.26	Taylor McCort, WyDoT	<ol style="list-style-type: none">1. Applications for removal of two accesses have been submitted to WyDot for review and comment.2. The ADA ramp configuration was approved with the previous access permit. It is a modified WYDOT ramp, designed to keep improvements within the right-of-way.3. Developer will apply for WyDoT ROW permits prior to construction within the ROW
3.11.26	Scott Larson, LC Engineering	A drainage memorandum has been prepared to demonstrate impacts to approved drainage.
3.11.26	Molly Bennett, Public Works	Site Plan Amendment comments have been addressed with this submittal.

I hope this information is helpful. Please let me know if you need additional information or clarification.

Kind regards,

Deanne Roon, RLA

RESOLUTION NO. _____

A RESOLUTION FOR A CLASS C CONDITIONAL USE PERMIT FOR “BT CAMPGROUND CABINS,” SITUATED IN A PORTION OF TRACT 4, ALLISON TRACTS, SITUATED IN THE W ½ OF SECTION 8, T13N, R66W, OF THE 6TH P.M., LARAMIE COUNTY, WY.

WHEREAS, Wyoming State Statutes §18-5-101 to 18-5-107; §18-5-201 to 18-5-208; §18-5-301 to 18-5-315 authorize Laramie County, in promoting the public health, safety, morals and general welfare of the county, to regulate the use of land through zoning in unincorporated Laramie County; and

WHEREAS, the Laramie County Board of Commissioners have adopted the 2025 Laramie County Land Use Regulations; and

WHEREAS, this application meets the criteria for a Class C Conditional Use Permit pursuant to section 2-3-102(d)(iii) of the 2025 Laramie County Land Use Regulations; and

WHEREAS, this application meets the criteria for determination by the Planning and Development Director to determine if a conditional use permit shall be required pursuant to section 2-3-102(c)(iv); and

WHEREAS, this application meets the criteria for commercial projects pursuant to section 3-1-109 of the 2025 Laramie County Land Use Regulations; and

WHEREAS, this application is in conformance with section 2-4-105 of the 2025 Laramie County Land Use Regulations governing the CB – Community Business Zone District.

NOW THEREFORE BE IT RESOLVED BY THE LARAMIE COUNTY BOARD OF COUNTY COMMISSIONERS, as follows:

The Laramie County Board of County Commissioners finds that:

- a. This application meets the criteria for a Class C Conditional Use Permit pursuant to section 2-3-102(d)(iii) of the 2025 Laramie County Land Use Regulations.
- b. This application meets the criteria for commercial projects pursuant to section 3-1-109 of the 2025 Laramie County Land Use Regulations.
- c. This application is in conformance with section 2-4-105 of the 2025 Laramie County Land Use Regulations governing the CB – Community Business Zone District.

and the Board approves a Class C Conditional Use Permit for the “BT Campground Cabins,” situated in a portion of Tract 4, Allison Tracts, situated in the W ½ of Section 8, T13N, R66W, of the 6th P.M., Laramie County, WY, as shown on the attached ‘EXHIBIT A’ with no conditions.

PRESENTED, READ, AND ADOPTED, this _____ day of _____, 2026.

LARAMIE COUNTY BOARD OF COMMISSIONERS

Gunnar Malm, Chairman

RESOLUTION NO. _____

A RESOLUTION FOR A MODEST PLAT: LOT LINE ADJUSTMENT TO BE KNOWN AS “BT II FIRST SUBDIVISION, 3RD FILING,” SITUATED IN A PORTION OF TRACT 4, ALLISON TRACTS, SITUATED IN THE W ½ OF SECTION 8, T13N, R66W, OF THE 6TH P.M., LARAMIE COUNTY, WY.

WHEREAS, Wyoming State Statutes §18-5-101 to 18-5-107; §18-5-201 to 18-5-208; §18-5-301 to 18-5-315 authorize Laramie County, in promoting the public health, safety, morals and general welfare of the county, to regulate the use of land through zoning in unincorporated Laramie County; and

WHEREAS, the Laramie County Board of Commissioners have adopted the 2025 Laramie County Land Use Regulations; and

WHEREAS, this application meets the criteria for a Modest Plat: Lot Line Adjustment pursuant to section 4-2-103 of the 2025 Laramie County Land Use Regulations.

NOW THEREFORE BE IT RESOLVED BY THE LARAMIE COUNTY BOARD OF COUNTY COMMISSIONERS, as follows:

The Laramie County Board of Commissioners finds that:

- a. This application meets the criteria for a Modest Plat: Lot Line Adjustment pursuant to section 4-2-103 of the 2025 Laramie County Land Use Regulations.

And the Board approves the Modest Plat: Lot Line Adjustment to be known as “BT II First Subdivision, 3rd Filing,” situated in a portion of Tract 4, Allison Tracts, situated in the W ½ of Section 8, T13N, R66W, of the 6th P.M., Laramie County, WY, as shown on the attached ‘Exhibit B’ – Modest Plat: Lot Line Adjustment Plat.

PRESENTED, READ, AND ADOPTED, this _____ day of _____, 2026.

LARAMIE COUNTY BOARD OF COMMISSIONERS

Gunnar Malm, Chairman

ZONING DISTRICT: PUD

Project Request:

The Owner Developer would like to merge a .43-acre parcel with the North parcel of the previously approved BT Campground site to develop a site for 8 cabins and an entry feature. Minor revisions to the existing campground site plan are included to meet requirements for a KOA Franchise. A Simple Plat and Site Plan amendment applications are hereby submitted for review and approval.

Modifications to the Existing Site Plan will include the following revisions:

1. Commercial-grade Playground area for up to 12 children and a site for corn hole game.
2. Additional dog park area to the north side of the campground.
3. Install security gates at both access points.
4. Improvements to 4 sites to include space for tent camping.
5. Remove extra parking spaces at several sites to allow for more open space for campers. Each of the 41 spaces will have a single parking space in addition to the RV space provided.
6. Each RV space will have a designated fire ring and picnic table
7. Minor modifications to drives to maintain driveway widths and turning radius in conformance to KOA standards, which are in compliance with County roadway standards.

The Cabin Site Plan will include the following:

1. 8 cabins will be a maximum of 250 SF in size. Cabins will be equipped with sewer and water connections for shower and restroom facilities.
2. Each cabin will include a designated patio area with Picnic tables, barbeque grill and fire pit.
3. Each cabin will have 1 designated parking space.
4. Access will be established from the existing access drive into the Campground. Two existing curb cuts along the Greeley Highway will be removed.
5. Install 1 additional trash enclosure at the site exit for camper convenience
6. Establish a landscape entry feature with identification signage.
