Comments: _____

I am interested in serving on the Visit Cheyenne Board to contribute to the organization's ongoing efforts to support tourism in the area. My professional experience in air service development for the Wyoming Department of Transportation provides a unique perspective on attracting visitors and understanding the importance of connectivity within the broader transportation system. As a volunteer with Cheyenne Frontier Days, I have witnessed firsthand the significant impact tourism has on our local businesses and the community. I'd welcome the opportunity to support Cheyenne's continued development as a destination in a thoughtful, strategic way.
