RE: 237 I-25 Service Road Building Code Compliance

On 3/11/25, I conducted an onsite inspection from the I-25 Service Road. Based upon those results, I have determined that structures have been erected between 3 buildings at overhead door locations. The freight doors were open between buildings A-B-C.

Please be advised that the original design of this building was based upon the 2018 International Building Code (IBC) and 2019 Laramie County Fireworks Retail Sales Regulation (CFRS) where 10'+ separation from exterior walls of other structures is required. The overhead doors are listed as ¾ hr. fire rating as part of the rated walls. The fire rating is only effective in the closed position. See 2018 IBC sections 705, and 716 for details.

Enclosures should be removed, and overhead doors should remain closed during business hours. The overhead doors are approved for moving products from unit to unit only, not to be used as a pedestrian walkway.

Our department contacted the applicant's representative and was advised that they would only be willing to meet if their design professional (Mike Potter) was present. I am currently awaiting a meeting to rectify these life and safety issues from an adopted building code standpoint.

CONSUMER FIREWORKS SALES AGREEMENT

This Invoice and Sales Agreement establishes the terms that govern the sales of consumer fireworks (DOT 1.4G; UN 0336) to Purchaser by Jake's Fireworks Inc., a Kansas Corporation or Far East Imports, Inc., a Kansas Corporation (Jake's or Far East). It is understood that Jake's and Far East are not manufacturers of consumer fireworks and import and distribute consumer fireworks in the United States. This Sales Agreement evidences the parties' entire agreement and may be modified only by written agreement. Previous verbal agreements are not enforceable. All price sheet quotes are cash prices and FOB Pittsburg, Kansas. Freight charges must be paid in full before shipment. Should Purchaser fail to make payment as required, refuse delivery, or otherwise breach this agreement, Jake's or Far East may recover both actual damages, interest at up to 15% per annum on any unpaid balance, consequential damages and all costs and expenses including collection fees, court costs, and attorney's fees. The Purchaser consents to this Agreement being governed by the laws of the State of Kansas, and that Kansas will have exclusive jurisdiction over this agreement with venue in Crawford County, Kansas.

The parties agree that as a condition to Purchaser buying its fireworks products from Jake's or Far East that Jake's must issue Purchaser a Certificate of Insurance as an Additional Insured for each location requested in writing by Purchaser. The insurance coverage provided by this Certificate will be Primary and will not seek contribution from any other insurance provided to an Additional Insured. Under this contract, any entity or individual named on the Certificate of Insurance will be an Additional Insured under the Jake's or Far East liability insurance policy. The Parties further agree that Jake's or Far East may charge an administrative fee for the processing and issuing of each Certificate of Insurance.

Upon delivery, the purchaser must inspect the ordered products, and all claims for discrepancies, shortages, and/or damages must be made in writing within three (3) calendar days of delivery, or all such claims are waived. You must also send in pictures of the damaged merchandise with the written damage notification. Only notifications received and approved in writing by Jake's or Far East will result in invoice adjustments.

The purchaser is solely responsible for compliance with all local, state, and federal laws. This transaction is a wholesale commercial transaction between knowledgeable merchants. The Purchaser acknowledges that fireworks ordered are not sold on consignment or approval and are not returnable. This Agreement constitutes no joint venture or partnership. Nor will the Purchaser be the agent, dealer, or representative of Jake's Fireworks, Inc. The Purchaser is an independent merchant and is buying the product for resale.

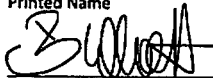

If Purchaser is picking up the ordered items at a Jake's facility, Purchaser should contact the Jake's facility at least 48 hours in advance and arrange the pickup. If such notice is not provided the order may not be ready for delivery when Purchaser arrives.
