1. **Parties.** This is a Sub-Award Agreement (Agreement) of federal financial assistance from the Wyoming Department of Transportation Highway Safety Program (WYDOT), whose address is 5300 Bishop Boulevard, Cheyenne, Wyoming 82009-3340, to Laramie County Sheriff's Office (Sub-Recipient), whose address is 1910 Pioneer Avenue, Cheyenne, Wyoming 82001-4449.
2. **Purpose.** The purpose of this Agreement is to set forth the respective relationships and responsibilities of the Sub-Recipient and the WYDOT in the administration of the Highway Safety Behavioral Program and establish all grant requirements outlined by the WYDOT and all applicable State and Federal regulations.
3. **Term of Agreement.** The term of this Agreement is from October 1, 2023, or the Effective Date, whichever is later, through January 28, 2025. The Sub-Recipient's Budget Period is from October 1, 2023, or the Effective Date, whichever is later, through September 30, 2024. The WYDOT's Performance Period is from October 1, 2023, through January 28, 2025.
4. **Problem Statement.** Wyoming's alcohol and drug involved crashes have steadily increased despite enforcement and prevention efforts from the state's seventy-six (76) active law enforcement agencies. Removing impaired drivers from Wyoming roads requires the ability to detect drivers under the influence of alcohol, drugs and/or prescription medication. This technical work significantly impacts law enforcement's time evidenced by the number of hours of training required to detect impaired drivers while investigating traffic crashes to enforce Wyoming's impaired driving laws.

Impaired driving is responsible for needless deaths and injuries on Wyoming roadways each year. Driving while impaired includes anyone who drives a vehicle while being impaired by alcohol, drugs, prescription medications, or any combination of those substances. During the years 2018 to 2022, impaired driving crashes contributed to 41.5% of fatal crashes, 12.9% of injury crashes and 7.3% of property damage only crashes. Impaired driving crashes averaged 53 fatalities a year, as reported by the Wyoming Electronic Crash Records System (WECRS).

WYDOT Driver Services Program reported an increase in driving under the influence (DUI) convictions of 16% from 2021 to 2022, which can be attributed to an increase in impaired driving, sustained high visibility enforcement (HVE), as well as, combined efforts of the Governor's Council on Impaired Driving, Impaired Driving Program, and the Traffic Safety Resource Prosecutor. Alcohol and Crime in Wyoming 2022 reported DUIs accounted for 30.86% of all statewide arrests with an average blood alcohol content (BAC) of 0.16. Additionally, 53% of people arrested for DUI had a reported BAC level above 0.16 and 14% had a BAC of 0.24 or greater.

5. **Scope of Work.** This project will lead the efforts in training new and veteran peace officers, judicial officials and traffic safety advocates on the emerging trends of impaired driving on the road and in courtroom tactics. Officers having proper training and skill to

detect alcohol and/or drug impaired drivers will help reduce the overall number of impaired driving fatalities and serious injuries.

6. **Performance Measures.** The Safety Management System (SMS) Committee analyzes the five (5) and ten (10) year running averages along with recent trends to determine the new performance targets. Section 7 and Section 8 below will assist the WYDOT in reaching statewide performance measures listed below:
 - A. C-1 Number of Traffic Fatalities (Fatality Analysis Reporting System (FARS), Federal Highway Administration (FHWA)).
 - B. C-2 Number of Serious Injuries in Traffic Crashes (State).
 - C. C-5 Number of fatalities in crashes involving a driver or motorcycle operator with a BAC of 0.08 and above (FARS).
 - D. S-2 Number of Drug Involved Fatal and Serious Injuries.

2. **General Assurances.** In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Sub-Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity, for which the Sub-Recipient receives Federal financial assistance from DOT, including NHTSA.

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI of the Civil Rights Act of 1964 and other non-discrimination requirements (the Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these nondiscrimination statutes and requirements to include all programs and activities of the Sub-Recipient, so long as any portion of the program is Federally assisted.

3. **Specific Assurances.** More specifically, and without limiting the above general Assurance, the Sub-Recipient agrees with and gives the following Assurances with respect to its Federally assisted Highway Safety Grant Program:

A. The Sub-Recipient agrees that each "activity," "facility," or "program," as defined in § 21.23(b) and (e) of 49 CFR part 21 will be (with regard to an "activity") facilitated, or will be (with regard to a "facility") operated, or will be (with regard to a "program") conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.

B. The Sub-Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with all Highway Safety Grant Programs and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

"The [name of Sub-Recipient], in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."

C. The Sub-Recipient will insert the clauses of Appendix A and E of this Assurance (also referred to as USDOT Order 1050.2A) in every contract or agreement subject to the Acts and the Regulations.

D. The Sub-Recipient will insert the clauses of Appendix B of USDOT Order 1050.2A, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Sub-Recipient.

E. That where the Sub-Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.

- F. That where the Sub-Recipient receives Federal financial assistance in the form of, or for the acquisition of, real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.
- G. That the Sub-Recipient will include the clauses set forth in Appendix C and Appendix D of USDOT Order 1050.2A, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - (i) for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - (ii) for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- H. That this Assurance obligates the Sub-Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Sub-Recipient, or any transferee for the longer of the following periods:
 - (i) the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - (ii) the period during which the Sub-Recipient retains ownership or possession of the property.
- I. The Sub-Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
- J. The Sub-Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the Sub-Recipient also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing NHTSA's

access to records, accounts, documents, information, facilities, and staff. The Sub-Recipient also recognizes that the Sub-Recipient must comply with any program or compliance reviews, and/or complaint investigations conducted by NHTSA. The Sub-Recipient must keep records, reports, and submit the material for review upon request to NHTSA, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The Sub-Recipient gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. Department of Transportation under WYDOT's Highway Safety Grant Program. This ASSURANCE is binding on the WYDOT, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors' transferees, successors in interest, and any other participants in the Highway Safety Grant Program. The person(s) signing the Agreement is/are authorized to sign this ASSURANCE on behalf of WYDOT.

6. **Certification Regarding Federal Lobbying.** The Sub-Recipient certifies, to the best of its knowledge and belief, that:
- A. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
 - B. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Such activities include both direct and indirect e.g., “grassroots” lobbying activities, with one exception.
8. **Certification Regarding Debarment and Suspension.**
 - A. By executing this Agreement, the Sub-Recipient is providing the certification set out below and agrees to comply with the requirements of 2 CFR parts 180 and 1300.
 - B. The inability of the Sub-Recipient to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The Sub-Recipient shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the WYDOT’s determination whether to enter into this transaction. However, failure of the primary Sub-Recipient to furnish a certification or an explanation shall disqualify the Sub-Recipient from participation in this transaction.
 - C. The certification in this clause is a material representation of fact upon which reliance was placed when the WYDOT determined to enter into this transaction. If it is later determined that the Sub-Recipient knowingly rendered an erroneous certification, in addition to other remedies available, to the Federal Government or the WYDOT may terminate this transaction for cause or default or may pursue suspension or debarment.
 - D. The Sub-Recipient shall provide immediate written notice to the WYDOT to which this proposal is submitted if at any time the Sub-Recipient learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
 - E. The terms *covered transaction*, *debarment*, *suspension*, *ineligible*, *lower tier*, *participant*, *person*, *primary tier*, *principal*, and *voluntarily excluded*, as used in this clause, have the meaning set out in the Definitions and coverage sections of 2 CFR part 180. - G. The Sub-Recipient will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the WYDOT without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR parts 180 and 1300.
- H. The Sub-Recipient in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. The Sub-Recipient may decide the method and frequency by which it determines the eligibility of its principals. Each Sub-Recipient may, but is not required to, check the list of Parties Excluded from Federal Procurement and Non-procurement Programs.
- I. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a Sub-Recipient is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- J. Except for transactions authorized under section 6 Certification Regarding Federal Lobbying of these assurances, if a Sub-Recipient in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the WYDOT may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

- A. By signing this Agreement the lower tier Sub-Recipient is providing the certification set out below and agrees to comply with the requirements of 2 CFR parts 180 and 1300.

- F. The lower tier Sub-Recipient will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR parts 180 and 1300.
- G. A Sub-Recipient in a covered transaction may rely upon a certification of a Sub-Recipient in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A Sub-Recipient may decide the method and frequency by which it determines the eligibility of its principals. Each Sub-Recipient may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.
- H. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a Sub-Recipient is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- I. Except for transactions authorized under subsection E of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the department or agency with which this transaction originated may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

12. **Buy American Act.** The Sub-Recipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or sub-recipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than twenty-five percent (25%). In order to use Federal funds to purchase foreign produced items, the WYDOT must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.
13. **Certification on Conflict of Interest.** General Requirements.
 - A. No employee, officer or agent of the WYDOT or its Sub-Recipient who is authorized in an official capacity to negotiate, make, accept or approve, or to take part in negotiating, making, accepting or approving any sub-award, including contracts or subcontracts, in connection with this grant shall have, directly or indirectly, any financial or personal interest in any such sub-award. Based on this policy:
 - A. The Sub-Recipient shall disclose any conflict of interest identified as soon as reasonably possible, making an immediate and full disclosure in writing to

NHTSA. The disclosure shall include a description of the action which the Sub-Recipient has taken or proposes to take to avoid or mitigate such conflict.

- B. NHTSA will review the disclosure and may require additional relevant information from the Sub-Recipient. If a conflict of interest is found to exist, NHTSA may
 - (i) terminate the award, or
 - (ii) determine that it is otherwise in the best interest of NHTSA to continue the award and include appropriate provisions to mitigate or avoid such conflict.
- C. Conflicts of interest that require disclosure include all past, present or currently planned organizational, financial, contractual or other interest(s) with an organization regulated by NHTSA or with an organization whose interests may be substantially affected by NHTSA activities, and which are related to this award. The interest(s) that require disclosure include those of any recipient, affiliate, proposed consultant, proposed subcontractor and key personnel of any of the above. Past interest shall be limited to within one (1) year of the date of award. Key personnel shall include any person owning more than a twenty percent (20%) interest in a Sub-Recipient, and the officers, employees or agents of a Sub-Recipient who are responsible for making a decision or taking an action under an award where the decision or action can have an economic or other impact on the interests of a regulated or affected organization.

- 16. **Policy on Banning Text Messaging While Driving.** In accordance with Executive Order 13513, Federal Leadership On Reducing Text Messaging While Driving, and USDOT Order 3902.10, Text Messaging While Driving. The WYDOT encourages Subrecipients to adopt and enforce workplace safety policies to decrease crashes caused by distracted driving, including policies to ban text messaging while driving company-owned or -rented vehicles, Government-owned, leased or rented vehicles, or privately-owned when on official Government business or when performing any work on or behalf of the Government. The WYDOT also encourages Sub-Subrecipients to conduct workplace safety initiatives in a manner commensurate with the size of the business, such as establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving, and education, awareness, and other outreach to employees about the safety risks associated with texting while driving.
- 17. **Records Retention.** Sub-Recipient must maintain financial records, supporting documents, statistical records, and all other records pertinent to the Federal award for a period of three (3) years from the date of submission of the Annual Report. If any litigation, claim, or audit is started before the expiration of the three (3)-year period, the records must

19. **Cost Principles and Grant Management.** The eligibility of costs incurred and the management of this project shall be determined in accordance with 2 CFR 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
20. **Obligation of Funds.** Federal funds may not be obligated prior to the Effective Date or subsequent to the termination date of the Budget Period. Requests for reimbursement outstanding at the termination date of the Budget Period must be made within thirty (30) days or those funds may not be paid.
21. **Program Income.** The WYDOT safety programs encourage Sub-Recipients to earn income to help defray program costs, but there are federal regulations that must be followed. Program income is defined as gross income received by the WYDOT and/or Sub-Recipient directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. Income earned by the Sub-Recipient with respect to the conduct of the project (sale of publications, registration fees, service charges, donations for child safety seats, etc.) must be accounted and income applied to project purposes, used to reduce project costs, or be used to meet cost WYDOT matching requirements. The Sub-Recipient is responsible for reporting all program income according to federal and state requirements.
22. **Purchases.** Sub-Recipients shall follow such policies and procedures allowed by the WYDOT when procuring property and services under this Federal award.
23. **Third Party Participants.** No contracts or agreements may be entered into by the Sub-Recipient related to this project which are not incorporated into the sub-award agreement and approved in advance by the WYDOT. The Sub-Recipient will retain ultimate control and responsibility for the project. The WYDOT shall be provided with a copy of all contracts and agreements entered into by the Sub-Recipient. Any contract or agreement must allow for the greatest competition practicable and evidence of such competition or justification for a negotiated contract or agreement shall be provided to the WYDOT.
24. **Participation by Disadvantaged Business Enterprises.** The Sub-Recipient agrees to take all necessary and reasonable steps in accordance with Title 49, CFR, Subtitle A, Part 26 to

27. **Conflict of Interest.** The Sub-Recipient/Local Public Agency (LPA)/Sponsor must disclose in writing any potential conflict of interest to the WYDOT including financial or other personal interests.
28. **Mandatory Disclosures.** The Sub-Recipient/LPA/Sponsor must disclose, in a timely manner, in writing to the WYDOT all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting this award. Failure to make required disclosures can result in remedies for noncompliance including suspension or debarment.
29. **Procurements by States.** Sub-Recipient must follow the procurement standards in 2 C.F.R. §200.318 through 200.327.
30. **Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms.**

- (v) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- (vi) Requiring the Sub-Recipient, if subcontracts are to be let, to take the affirmative steps listed in paragraphs subsections (i) through (v) of this section.

31. Domestic preferences for procurements.

- A. As appropriate and to the extent consistent with law, the Sub-Recipient should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all sub awards including all contracts and purchase orders for work or products under this award.
- B. For purposes of this section:
 - (i) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
 - (ii) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

32. Monitoring and reporting program performance.

- A. **Monitoring by the non-Federal entity.** The WYDOT is responsible for oversight of the operations of the Federal award supported activities. - B. **Reporting program performance.** The WYDOT must use OMB-approved common information collections, as applicable, when providing financial and

performance reporting information. As appropriate and in accordance with above mentioned information collections, the Sub-Recipient must relate financial data and accomplishments to performance goals and objectives of the Federal award. Also, in accordance with above mentioned common information collections, and when required by the terms and conditions of the Federal award, the Sub-Recipient must provide cost information to demonstrate cost effective practices (e.g., through unit cost data). In some instances (e.g., discretionary research awards), this will be limited to the requirement to submit technical performance reports (to be evaluated in accordance with the WYDOT's policy). Reporting requirements must be clearly articulated such that, where appropriate, performance during the execution of the Federal award has a standard against which the WYDOT's performance can be measured.

C. Non-construction performance reports. The WYDOT must use standard, government wide OMB-approved data elements for collection of performance information including performance progress reports, Research Performance Progress Reports.

- (i) As appropriate in accordance with above mentioned performance reporting, these reports will contain, for each Federal award, brief information on the following unless other data elements are approved by OMB in the WYDOT's information collection request:
 - (a) A comparison of actual accomplishments to the objectives of the Federal award established for the period. Where the accomplishments of the Federal award can be quantified, a computation of the cost (for example, related to units of accomplishment) may be required if that information will be useful. Where performance trend data and analysis would be informative to the NHTSA program, NHTSA should include this as a performance reporting requirement.
 - (b) The reasons why established goals were not met, if appropriate.
 - (c) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

D. Significant developments. Events may occur between the scheduled performance reporting dates that have significant impact upon the supported activity. In such cases, the Sub-Recipient must inform the NHTSA or the WYDOT as soon as the following types of conditions become known:

- (i) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the Federal award. This disclosure must

include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

- (ii) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more or different beneficial results than originally planned.

F. **Site visits.** NHTSA may make site visits as warranted by program needs.

G. **Performance report requirement waiver.** NHTSA may waive any performance report required by this part if not needed.

33. **Requirements for pass-through entities.**

A. All pass-through entities (PTE) must:

- (i) Ensure that every sub-award is clearly identified to the Sub-Recipient as a sub-award and includes the following information at the time of the sub-award and if any of these data elements change, include the changes in subsequent sub-award modification. When some of this information is not available, the WYDOT must provide the best information available to describe the Federal award and sub-award. Required information includes:

(a) Federal award identification.

- (1) Sub-Recipient name (which must match the name associated with its unique entity identifier);
- (2) Sub-Recipient's unique entity identifier (UEI);
- (3) Federal Award Identification Number (FAIN);
- (4) Federal Award Date (see the definition of Federal award date in §200.1 of this part) of the award to the WYDOT by NHTSA;
- (5) Sub-award Period of Performance Start and End Date;
- (6) Sub-award Budget Period Start and End Date;
- (7) Amount of Federal Funds Obligated by this action by the WYDOT to the Sub-Recipient;

- (8) Total Amount of Federal Funds Obligated to the Sub-Recipient by the WYDOT including the current financial obligation;
 - (9) Total Amount of the Federal Award committed to the Sub-Recipient by the WYDOT;
 - (10) Federal award project description, as required to be responsive to the Federal Funding Accountability and Transparency Act (FFATA);
 - (11) Name of Federal awarding agency, pass-through entity, and contact information for awarding official of the WYDOT;
 - (12) Assistance Listings number and Title; the WYDOT must identify the dollar amount made available under each Federal award and the Assistance Listings Number at time of disbursement;
 - (13) Identification of whether the award is R&D; and
 - (14) Indirect cost rate for the Federal award (including if the de minimis rate is charged) per §200.414.
- B. All requirements imposed by the WYDOT on the Sub-Recipient so that the Federal award is used in accordance with Federal statutes, regulations and the terms and conditions of the Federal award;
- C. Any additional requirements that the WYDOT imposes on the Sub-Recipient in order for the WYDOT to meet its own responsibility to NHTSA including identification of any required financial and performance reports;
- D. Approve a federally recognized indirect cost rate, possibly negotiated between the Sub-Recipient and NHTSA. If no approved rate exists, the WYDOT must determine the appropriate rate in collaboration with the Sub-Recipient, which is either:
 - (i) The negotiated indirect cost rate between the WYDOT and the Sub-Recipient; which can be based on a prior negotiated rate between a different PTE and the same Sub-Recipient. If basing the rate on a previously negotiated rate, the WYDOT is not required to collect information justifying this rate, but may elect to do so;
 - (ii) The de minimis indirect cost rate.

- (a) The WYDOT must not require use of a de minimis indirect cost rate if the Sub-Recipient has a federally approved rate. Sub-Recipients can elect to use the cost allocation method to account for indirect costs in accordance with 2 C.F.R. §200.405(d).
- E. Appropriate terms and conditions concerning closeout of the sub-award.
 - (i) Evaluate each Sub-Recipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the sub award for purposes of determining the appropriate Sub-Recipient monitoring described in the subsections (D) and (E) of this section, which may include consideration of such factors as:
 - (ii) The Sub-Recipient's prior experience with the same or similar sub-awards;
 - (iii) The results of previous audits including whether or not the Sub-Recipient receives a Single Audit in accordance with 2 CFR Part 200 Subpart F, and the extent to which the same or similar sub award has been audited as a major program;
 - (iv) Whether the Sub-Recipient has new personnel or new or substantially changed systems; and
 - (v) The extent and results of NHTSA's monitoring (e.g., if the Sub-Recipient also receives Federal awards directly from a Federal awarding agency).
- F. Consider imposing specific sub-award conditions upon a Sub-Recipient if appropriate as described in 2 C.F.R. §200.208.
- G. Monitor the activities of the Sub-Recipient as necessary to ensure that the sub-award is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the sub-award; and that sub-award performance goals are achieved. The WYDOT's monitoring of the Sub-Recipient must include:
 - (i) Reviewing financial and performance reports required by the WYDOT.
 - (ii) Following-up and ensuring that the Sub-Recipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the Sub-Recipient from the WYDOT detected through audits, on-site reviews, and written confirmation from the Sub-Recipient, highlighting the status of actions planned or taken to address Single Audit findings related to the particular sub-award.

- (iii) Issuing a management decision for applicable audit findings pertaining only to the Federal award provided to the Sub-Recipient from the WYDOT as required by §200.521.
 - (iv) The WYDOT is responsible for resolving audit findings specifically related to the sub award and not responsible for resolving crosscutting findings. If a Sub-Recipient has a current Single Audit report posted in the Federal Audit Clearinghouse and has not otherwise been excluded from receipt of Federal funding (e.g., has been debarred or suspended), the WYDOT may rely on the Sub-Recipient's cognizant audit agency or cognizant oversight agency to perform audit follow-up and make management decisions related to cross-cutting findings in accordance with section 2 C.F.R. §200.513(a)(3)(vii). Such reliance does not eliminate the responsibility of the WYDOT to issue sub-awards that conform to the WYDOT and award-specific requirements, to manage risk through ongoing sub-award monitoring, and to monitor the status of the findings that are specifically related to the sub-award.
- H. Depending upon the WYDOT's assessment of risk posed by the Sub-Recipient (as described in subsection (B) of this section), the following monitoring tools may be useful for the WYDOT to ensure proper accountability and compliance with program requirements and achievement of performance goals:
 - (i) Providing Sub-Recipients with training and technical assistance on program-related matters; and
 - (ii) Performing on-site reviews of the Sub-Recipient's program operations;
 - (iii) Arranging for agreed-upon-procedures engagements as described in 2 C.F.R. §200.425.
- I. Verify that every Sub-Recipient is audited as required by 2 CFR Part 200 Subpart F when it is expected that the Sub-Recipient's Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in §200.501.
- J. Consider whether the results of the Sub-Recipient's audits, on-site reviews, or other monitoring indicate conditions that necessitate adjustments to the WYDOT's own records.
- K. Consider taking enforcement action against noncompliant Sub-Recipients as described in 2 C.F.R. §200.339 and in program regulations.
