The COUNTY approval or acceptance of, or payment for, any of the services shall not be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

C. Termination: This Agreement may be terminated (a) by either party at any time for failure of the other party to comply with the terms and conditions of this agreement; (b) by

either party, with thirty (30) days' prior written notice to the other party; or (c) upon mutual written agreement by both parties.

F. Modification: This Agreement shall be modified only by a written agreement, duly executed by all parties hereto.

G. Invalidity: If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, or if the COUNTY is advised of any such actual or potential invalidity or unenforceability, such holding or advice shall not invalidate or render unenforceable any other provision hereof. It is the express intent of the parties that the provisions of this Agreement are fully severable.

H. Applicable Law and Venue: The parties mutually understand and agree this Agreement shall be governed by and interpreted pursuant to the laws of the State of Wyoming. If any dispute arises between the parties from or concerning this Agreement or the subject matter hereof, any suit or proceeding at law or in equity shall be brought in the District Court of the State of Wyoming, First Judicial District, sitting at Cheyenne, Wyoming. The foregoing provisions of this paragraph are agreed by the parties to be a material inducement to the CONTRACTOR and to the COUNTY in executing this Agreement. This provision is not intended, nor shall it be construed to waive the COUNTY's governmental immunity as provided in this Agreement.

I. Contingencies: The CONTRACTOR certifies and warrants no gratuities, kickbacks or contingency fees were paid in connection with this Agreement, nor were any fees, commissions, gifts or other considerations made contingent upon the award of this Agreement.

L. Governmental/Sovereign Immunity: The COUNTY does not waive its Governmental/Sovereign Immunity, as provided by any applicable law including W.S. §

The CONTRACTOR shall carry liability insurance sufficient to cover its obligations under this provision, including all insurance required in the attached Exhibit 1: "Insurance Requirements," and shall file certificates of such insurance satisfactory to the COUNTY and approved by the COUNTY.

N. Third Parties: The parties do not intend to create in any other individual or entity the status of third-party beneficiary, and this Agreement shall not be construed to create such status. The rights, duties and obligations contained in this Agreement shall operate only between the parties to the Agreement and shall inure solely to the benefit of the parties to this Agreement.

The COUNTY shall notify the CONTRACTOR at the earliest possible time of the services, which will or may be affected by a shortage of funds. At the earliest possible time means at least thirty (30) days before the shortage will affect payment of claims, if the COUNTY knows of the shortage at least thirty (30) days in advance. No penalty shall accrue to the COUNTY in the event this provision is exercised, and the COUNTY shall not be obligated or liable for

any future payments due or for any damages as a result of termination under this provision. This provision shall not be interpreted or construed to permit the COUNTY to terminate this Agreement in order to acquire similar services from another party.

R. Notices: All notices required and permitted under this Agreement shall be deemed to have been given, when deposited in the U.S. Mail, properly stamped and addressed to the party for whom intended at such parties' address listed herein, or when personally delivered personally to such party. **Insurance Requirements**

The Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the Contractor, his agents, representatives, employees or subcontractors.

**MINIMUM SCOPE AND LIMIT OF INSURANCE**

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than **\$2,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if the Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than **\$1,000,000** per accident for bodily injury and property damage.

3. **Workers’ Compensation:** as required by the State of Wyoming with Statutory Limits, and Employer’s Liability Insurance with limit of no less than **\$1,000,000** per accident for bodily injury or disease.

4. **Professional Liability (Errors and Omissions):** Insurance appropriate to the Contractor’s profession with limit no less than **\$1,000,000** per occurrence or claim, **\$2,000,000** aggregate. *(If applicable – see footnote next page)*

If the contractor maintains higher limits than the minimums shown above, the Entity requires and shall be entitled to coverage for the higher limits maintained by the contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Entity.

**Other Insurance Provisions**

The insurance policies are to contain, or be endorsed to contain, the following provisions:

***Additional Insured Status***

The Entity, its officers, officials, employees and volunteers are to be covered as additional insured on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in

connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).

### ***Primary Coverage***

For any claims related to this Agreement, the Contractor's insurance coverage shall be primary insurance as respects the Entity, its officers, officials, employees, and volunteers. Any insurance of self-insurance maintained by the Entity, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

### ***Notice of Cancellation***

Each insurance policy required above shall provide that coverage shall not be cancelled, except with notice of Entity.

### ***Waiver of Subrogation***

The Contractor hereby grants to Entity a waiver of any right to subrogation which any insurer of said Contractor may acquire against the Entity by virtue of payment of any loss under such insurance. The Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether the Entity has received a waiver of subrogation endorsement from the insurer.

### ***Deductibles and Self-Insured Retentions***

Any deductibles or self-insured retentions must be declared to and approved by the Entity. The Entity may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claims administration, and defense expenses within the retention.

### ***Acceptability of Insurers***

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the Entity.

### ***Claims Made Policies (note – should be applicable only to professional liability, see below)***

If any of the required policies provide claims-made coverage:

1. The Retroactive Date must be shown and must be before the date of the Agreement or the beginning of contract work.
2. Insurance must be maintained and evidence of insurance must be provided ***for at least five (5) years after completion of the contract work.***

3. If coverage is cancelled or non-renewed and not replaced ***with another claims-made policy form with a Retroactive Date prior to*** the Agreement effective date, the contractor must purchase “extended reporting” coverage for a minimum of ***five (5)*** years after completion of work.

### ***Verification of Coverage***

The Contractor shall furnish the Entity with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved of by the Entity before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor’s obligation to provide them. The Entity reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

### ***Special Risks or Circumstances***

Entity reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
