

**HIGHWAY SAFETY PROGRAM FEDERAL FISCAL YEAR (FFY) 2026 SUBAWARD
AGREEMENT BETWEEN THE WYOMING DEPARTMENT OF TRANSPORTATION,
HIGHWAY SAFETY PROGRAM AND
LARAMIE COUNTY, LARAMIE COUNTY SHERIFF'S OFFICE**

1. **Parties.** This is a Subaward Agreement (Agreement) of federal financial assistance from the Wyoming Department of Transportation, Highway Safety Program (WYDOT), whose address is: 5300 Bishop Boulevard, Cheyenne, Wyoming 82009, to Laramie County Government, Laramie County Sheriff's Office (Subrecipient), whose address is: 1910 Pioneer Avenue, Cheyenne, Wyoming 82001-4449.

2. **Purpose of Agreement.** Impaired Driving is responsible for needless deaths and injuries on Wyoming roadways each year. High Visibility Enforcement (HVE) is a universal traffic safety approach designed to deter and change unlawful driving behaviors through proactive law enforcement aimed at impaired drivers.

During the years 2020 to 2024, impaired driving contributed to 37.8% of fatal crashes and 21.2% of suspected serious injury crashes, as reported by the Wyoming Electronic Crash Records System. The 2023 *Alcohol and Crime in Wyoming* report indicated that arrests for driving under the influence (DUI) accounted for 32.5% of all statewide arrests, with an average blood alcohol concentration (BAC) of 0.16. Additionally, 51.0% of people arrested for DUI had a reported BAC above 0.16, and 13.0% had a BAC of 0.24 or greater.

The purpose of this Agreement is to set forth the terms and conditions by which the Subrecipient will participate in year-long, sustained HVE that will focus on National Highway Traffic Safety Administration (NHTSA) impaired driving enforcement campaigns, task forces, and localized events during which data has shown an increase in traffic crashes and fatalities on Wyoming roadways. This project supports statewide, multi-jurisdictional traffic safety enforcement for cross-agency partnerships, reallocating officers to areas known to have high levels of DUI incidents based on data.

3. **Term of Agreement.** This Agreement is effective when all parties have executed it (Effective Date). The term of this Agreement is from October 1, 2025, or the Effective Date, whichever is later, through January 28, 2027. Subrecipient's Budget Period is from October 1, 2025, or the Effective Date, whichever is later, through September 30, 2026. The WYDOT's Performance Period is from October 1, 2025, through January 28, 2027.
4. **Deliverables.** Subrecipient will effectively deploy resources to assist in reducing impaired driving fatalities and injuries through sustained enforcement of Wyoming's impaired driving laws.
5. **Performance Measures.** Performance Measures are set by the Safety Management System (SMS) Committee based on an analysis of five (5) and ten (10) year running averages along with recent trends. The goals and deliverables identified in Section 7 and

Section 8 below will assist the WYDOT in reaching the following statewide performance measures:

- A. C-1 Number of Traffic Fatalities (Fatality Analysis Reporting System [FARS]).
- B. C-2 Number of Serious Injuries in Traffic Crashes (FARS).
- C. C-5 Number of fatalities in crashes involving a driver or motorcycle operator with a BAC of 0.08 and above (FARS).
- D. S-2 Number of Drug Involved Fatal and Serious Injuries (State).

6. Payment.

- A. The WYDOT agrees to reimburse the Subrecipient for the activities described in Section 7 below. Total payment under this Agreement shall not exceed thirty-four thousand, one hundred seventy-one dollars and ninety-nine cents (\$34,171.99). Payment shall be made within forty-five (45) days after submission of invoice pursuant to Wyo. Stat. § 16-6-602. Subrecipient shall submit invoices in sufficient detail to ensure that payments may be made in conformance with this Agreement.
- B. No payment shall be made for work performed before the Effective Date of this Agreement. Should the Subrecipient fail to perform in a manner consistent with the terms and conditions set forth in this Agreement, payment under this Agreement may be withheld until such time as the Subrecipient performs its duties and responsibilities to the satisfaction of the WYDOT.

- D. Except as otherwise provided in this Agreement, the Subrecipient shall pay all costs and expenses, including travel, incurred by Subrecipient or on its behalf in connection with Subrecipient's performance and compliance with all of Subrecipient's obligations under this Agreement.
- E. The Subrecipient shall provide WYDOT with summary information on all expenses incurred during the Budget Period by October 31, 2026. Failure to provide this information may result in the WYDOT failing to reimburse Subrecipient for any expenses incurred but not reported. If the Subrecipient cannot meet the deadline, the Subrecipient must contact WYDOT in writing to request an extension. The WYDOT will review the request to determine whether to grant approval.
- F. In accordance with 23 CFR Part 1300.13, Subrecipient, as a representative of its political subdivision, requests the benefit of the WYDOT's coordination of paid

media and marketing to capitalize on the HVE and education model necessary to change driver behavior. The WYDOT will coordinate paid and earned media statewide to complement the enforcement initiative outlined in this Agreement. The outreach may include the following: television spots, radio spots, online ads, billboards, print ads, press releases, posters, flyers, and/or outreach events. These efforts will include local jurisdictions and will be coordinated statewide. By signing below, the Project Director signifies understanding of the outreach component of the mobilization and approves the use of these educational techniques within the Subrecipient's jurisdiction.

- J. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (requiring that recipients of Federal financial assistance provide meaningful access for applicants and beneficiaries who have limited English proficiency (LEP));
- 2. **Political Activities (Hatch Act).** Subrecipient will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508), which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
 - 3. **Certification Regarding Federal Lobbying.** Subrecipient certifies, to the best of its knowledge and belief, that:
 - A. No Federal appropriated funds have been paid or will be paid, by or on behalf of Subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
 - B. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, Subrecipient shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
 - C. Subrecipient shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grant, loans, and cooperative agreements) and that all Subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Title 31, U.S. Code, Section 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than ten thousand dollars (\$10,000.00) and not more than one hundred thousand dollars (\$100,000.00) for each such failure.

4. **Restriction on State Lobbying.** None of the funds under this program shall be used for any activity specifically designed to urge or influence a state or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any state or local legislative body. Such activities include both direct and indirect e.g., “grassroots” lobbying activities, with one exception. This does not preclude a State official whose salary is supported with National Highway Traffic Safety Administration (NHTSA) funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.
5. **Certification Regarding Debarment and Suspension.**
- A. By executing this Agreement, Subrecipient is providing the certification set out below and agrees to comply with the requirements of 2 CFR Parts 180 and 1200.
 - B. The certification in this clause is a material representation of fact upon which reliance was placed when the WYDOT determined to enter into this transaction. If it is later determined that Subrecipient knowingly rendered an erroneous certification, in addition to other remedies available, to the Federal Government or the WYDOT may terminate this transaction for cause or default or may pursue suspension or debarment.
 - C. Subrecipient shall provide immediate written notice to the WYDOT to which this proposal is submitted if at any time Subrecipient learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
 - D. The terms *covered transaction, civil judgement, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded*, as used in this clause, have the meaning set out in the Definitions and Coverage sections of 2 CFR Part 180 and 1200. Subrecipient may contact the WYDOT for assistance in obtaining a copy of those regulations.
 - E. Subrecipient shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, Subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by NHTSA.
 - F. Subrecipient will include the clause titled “Instructions for Lower Tier Certification” including the “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction,” provided by the WYDOT without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR Parts 180 and 1200.

- G. Subrecipient in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR Part 9, Subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. Subrecipient is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each Subrecipient may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>).
- H. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of Subrecipient is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- I. Except for transactions authorized under Section 3, Certification Regarding Federal Lobbying of these assurances, if Subrecipient in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, Subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the WYDOT may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend Subrecipient, or take other remedies as appropriate.

6. **Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions.**

- A. Subrecipient, by signing this Agreement, acknowledges that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency.
- B. Where Subrecipient is unable to certify to any of the Statements in this certification, Subrecipient shall provide the WYDOT with a written explanation.

7. **Buy American Act.** Subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than twenty-five percent (25%). In order to use Federal funds to purchase foreign produced items, the WYDOT must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

8. Certification on Conflict of Interest. General Requirements:

- A.** No employee, officer, or agent of the WYDOT or its Subrecipient who is authorized in an official capacity to negotiate, make, accept or approve, or to take part in negotiating, making, accepting or approving any sub-award, including contracts or subcontracts, in connection with this grant shall have, directly or indirectly, any financial or personal interest in any such sub-award. Such a financial or personal interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or personal interest in or a tangible personal benefit from an entity considered for a sub-award. Based on this policy:
 - (i)** Subrecipient shall maintain a written code or standards of conduct that provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents.
 - (a)** The code or standards shall provide that Subrecipient's officers, employees, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from present or potential subawardees, including contractors or parties to subcontracts.
 - (b)** The code or standards shall establish penalties, sanctions or other disciplinary actions for violations, as permitted by State or local law or regulations.
 - (ii)** Subrecipient shall maintain responsibility to enforce the requirements of the written code or standards of conduct.

9. Disclosure Requirements. The WYDOT nor its Subrecipient, including its officers, employees, or agents, shall not perform or continue to perform under a grant or cooperative agreement, whose objectivity may be impaired because of any related past, present, or currently planned interest, financial or otherwise, in organizations regulated by NHTSA or in organizations whose interests may be substantially affected by NHTSA activities. Based on this policy:

- A.** Subrecipient shall disclose any conflict of interest identified as soon as reasonably possible, making an immediate and full disclosure in writing to NHTSA. The disclosure shall include a description of the action which Subrecipient has taken or proposes to take to avoid or mitigate such conflict.
- B.** NHTSA will review the disclosure and may require additional relevant information from Subrecipient. If a conflict of interest is found to exist, NHTSA may:
 - (i)** terminate the award, or

- (ii) determine that it is otherwise in the best interest of NHTSA to continue the award and include appropriate provisions to mitigate or avoid such conflict.
 - C. Conflicts of interest that require disclosure include all past, present, or currently planned organizational, financial, contractual, or other interest(s) with an organization regulated by NHTSA or with an organization whose interests may be substantially affected by NHTSA activities, and which are related to this award. The interest(s) that require disclosure include those of any recipient, affiliate, proposed consultant, proposed subcontractor, and key personnel of any of the above. Past interest shall be limited to within one (1) year of the date of award. Key personnel shall include any person owning more than a twenty percent (20%) interest in Subrecipient, and the officers, employees, or agents of Subrecipient who are responsible for making a decision or taking an action under an award where the decision or action can have an economic or other impact on the interests of a regulated or affected organization.
- 10. **Prohibition on Using Grant Funds to Check for Helmet Usage.** The WYDOT and Subrecipient will not use 23 U.S.C. Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.
- 11. **Policy on Seat Belt Use.** In accordance with Executive Order 13043, Increasing Seat Belt Use in the United States, dated April 16, 1997, the Subrecipient is encouraged to adopt and enforce on-the-job seat belt use policies and programs for its employees when operating company-owned, rented, or personally owned vehicles. NHTSA is responsible for providing leadership and guidance in support of this Presidential initiative. For information and resources on traffic safety programs and policies for employers, please contact the Network of Employers for Traffic Safety (NETS), a public-private partnership dedicated to improving the traffic safety practices of employers and employees. Subrecipient can download information on seat belt programs, costs of motor vehicle crashes to employers, and other traffic safety initiatives at www.trafficsafety.org. The NHTSA website (www.nhtsa.gov) also provides information on statistics, campaigns, and program evaluations and references.
- 12. **Policy on Banning Text Messaging While Driving.** In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, and USDOT Order 3902.10, Text Messaging While Driving, the WYDOT encourages Subrecipient to adopt and enforce workplace safety policies to decrease crashes caused by distracted driving, including policies to ban text messaging while driving company-owned or rented vehicles, Government-owned, leased or rented vehicles, or privately-owned when on official Government business or when performing any work on or behalf of the Government. The WYDOT also encourages Subrecipient to conduct workplace safety initiatives in a manner commensurate with the size of the business, such as establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving, and provide education, awareness, and other outreach to employees about the safety risks associated with texting while driving.
