Upon termination of this Agreement for any reason COUNTY shall take and maintain control and/or ownership of any and all utility fixtures and installations installed on the leased premises during the pendency of this Agreement. 2. LESSEE shall reimburse COUNTY for all initial fees and charges imposed by utility providers, and on a monthly basis for all costs to maintain and provide said utility services to the property should COUNTY maintain control over the ownership or be the named payor of the utility services used on the Leased Premises.

3. LESSEE shall submit a construction plan for any proposed utility installations to the COUNTY for approval prior to initiation of any utility installation or construction. COUNTY approval of said plans shall be a condition precedent to installation or construction of utilities on the leased premises. Utility installation shall be underground.

4. LEASEE accepts the Property "as is" in all respects including, but not limited to the provision or location of any existing utility infrastructure. COUNTY provides no warranties or representations regarding adding or creating any additional utility infrastructure.

5. As of the date of the execution of this lease in 2019, water is currently provided near the boundary of the leased premises in a "stand pipe." LESSEE will be able to make use of this facility in the manner of prior leasees, with the exception that prior to commencing such use after the execution of this agreement, the COUNTY will attach, and LESSEE will make use of, a meter on this water source. Initially, the metering of the water will be done solely for data collection purposes, but in the discretion of the COUNTY, and in accord with the foregoing provisions, rates for water usage may be set.

At the discretion of the COUNTY, the LESSEE may be directed to make monthly maintenance payments to the County or its designee for the maintenance and upkeep of the existing and constructed facility improvements in the Archer Complex. The monthly fees shall provide for road and infrastructure maintenance, not including on site premise improvements completed entirely and maintained by the LESSEE. The maintenance fees will be negotiated between the parties but set in the sole discretion of the COUNTY. Said fees may be renegotiated at the end of any lease term and/or prior to renewal.

Said fence shall be maintained in accord with the requirements of a "lawful fence" pursuant to W.S. § 11-28-102. Said fence shall remain a fixture on the Leased Premises and revert to the ownership of COUNTY upon termination of this Agreement.

1. LESSEE further agrees that this fence shall reasonably assure that access to the Leased Premises is limited to individuals who are allowed to enter the area. LESSEE further agrees that if such fence does not reasonably assure limited access, the LESSEE shall construct a different fence in order to achieve said purpose.

2. LESSEE further agrees that the entrance gate on to the Leased Premises shall remain locked, and **that only members and other authorized users may be provided access to that lock.** LESSEE further agrees to require that all members and other authorized users to shut and lock the gate immediately upon entry into or exit from the Leased Premises.

LESSEE agrees and understands that it must comply with all County planning, zoning and building code regulations in the construction of any permanent restroom facilities, including the requirement for a site plan. In the event that LEASEE successfully completes construction of permanent restroom facilities and/or is engaged in the process of construction of same, COUNTY will engage in negotiations with LESSEE in regard to the establishment of the extension of any water and/or sewer services needed for said construction and the allocation of costs and responsibilities for such infrastructure.

5. The parties to this lease understand and agree that permanent restroom facilities in this area of the Archer complex are a desirable addition to the infrastructure. Both parties further agree that discussions may be initiated to allow participation of other entities, as well as Laramie County, in a joint effort to establish such facilities.

G. LESSEE shall fully defend, indemnify and hold harmless COUNTY from and against any and all claims, demands, actions, suits of any kind or nature whatsoever arising from any environmental damage to the Leased Premises caused by LESSEE's use, including, but not limited to, the discharge, release or contamination of the property by hazardous substances as defined by the Comprehensive Environmental Response, Compensation and Liability Act of 1980

J. LESSEE shall keep the Leased Premises, during the term of this Agreement in good repair, and at the expiration of this Agreement, shall yield and deliver up the Leased premises and any improvements existing at the time of the granting of this Agreement in like condition as when taken, reasonable wear and tear excepted.

L. LESSEE accepts full responsibility for loss to any improvement on and to the Leased Premises whether existing at the time of the initiation of this Agreement or subsequently installed.

P. LESSEE agrees and warrants that it is a validly formed and lawfully sanctioned corporate entity. LESSEE agrees to notify COUNTY immediately in writing of any termination, loss, dissolution or modification of its corporate status. Loss or dissolution of said corporate

status or expulsion or termination from any applicable national entity governing or certifying motocross operations conducted by LESSEE may be grounds for the termination of this Agreement.

Q. LESSEE agrees to provide periodic removal of excessive accumulations of plant material to alleviate the risk of fire and/or the spread of noxious weeds. In furtherance of the execution of this provision, LESSEE agrees to provide for removal of excess accumulation of plant material on the Leased Premises, if notified of the need to do so by the Laramie County Commissioners, their agents, appointed officials, the Laramie County Conservation District and/or representatives of the local or state weed and pest control authorities or boards.

LESSEE further agrees to notify COUNTY, in writing, sixty (60) days prior to termination of or any change to its insurance.

S. LESSEE agrees to accept written complaints from neighboring landowners and/or the public and to address and resolve such complaints within a reasonable amount of time. LESSEE shall establish, maintain and monitor an email account to which such complaints shall be sent. This e-mail address shall be provided to the County, and posted on any website operated or maintained by LEASSEE. It shall also be posted in a prominent location on the Leased Premises.

T. LESSEE agrees that any individual who violates any track rule or regulation shall have his or her membership suspended, and shall be required to return any keys allowing access to the Leased Premises.

U. LESSEE shall ensure that a competent adult representative of the Laramie County Riders' Association shall be present and on the Leased Premises functioning in a supervisory capacity during all hours of operation while people are riding.

V. LESSEE shall ensure that no individual, whether a member of the Laramie County Riders' Association, an invitee, a participant in a sponsored event, or other authorized person, shall participate in any activity on the Leased Premises without signing an appropriate waiver and release of liability, which waiver shall be duly dated and witnessed by an officer of the association. Said release and waiver should be as reflected in Attachment 'D' to this agreement or a substantially similar and no less than fully encompassing and binding waiver, which in addition to its other contents should contain a release of Laramie County, its elected and appointed individuals, volunteers and employees. LESSEE shall further require all prospective members to sign such waiver prior to acquiring membership status or being allowed access to or use of the property. LESSEE agrees to maintain copies of all executed waivers and allow access to COUNTY for review and copying purposes.

W. LESSEE shall notify COUNTY in writing as far in advance as possible, and in any event no later than ninety (90) days in advance of all proposed race days, in order to facilitate usage of the complex wherein the Leased Premises are located. In the 2019 lease year, notice shall be provided simply as far in advance as possible. LESSEE may host races at the Leased Premises under the auspices of different promoters through the American Motorcycle Association. COUNTY shall not unduly withhold approval of said race days and shall respond to LESSEE's notification within ten (10) business days of the receipt of LESSEE's notice.

A. COUNTY shall have the right to make the following modifications in this Agreement upon written notice to LESSEE of not less than thirty (30) days:

1. Changes required by federal, state, or local law or rule or regulation.
2. Changes needed to reflect current standards in the industry or organizations governing or representative of the standards required or expected of the type of operations conducted by LESSEE on the property.
3. Changes mandated by LESSEE's failure to meet guidelines, regulations or standards set by COUNTY or the terms of this Agreement for the improvement, maintenance, construction and conduct of the motocross operations, programs or facilities on the Leased Premises.

B. COUNTY reserves the right to inspect the Leased Premises, any fixtures or improvements thereto, and the manner and mode of LESSEE's operation of the facility, to determine compliance with all aspects of this Agreement, at any time and without notice.

C. In the event that COUNTY provides water and/or sanitary infrastructure to the edge of the leased LESSEE shall pay any and all fees required for tap fees, development fees and monthly service charges as may be required by the water or sewer provider. During such times as COUNTY or its contractors or designees are engaged in development of, and construction upon, the Archer property, COUNTY shall make reasonable efforts to ensure no damage occurs to the Leased Premises, and that necessary access is maintained to the Leased Premises to enable LESSEE to continue operations.

D. COUNTY's only obligations to LESSEE are contained in the express language of this Lease Agreement and COUNTY will not provide LESSEE with any additional buildings or space.

VI. SPECIAL PROVISIONS

A. LESSEE agrees that it intends to use the Leased Premises for the operation of a motocross track. LESSEE shall annually, or more frequently as requested by the County Commissioners, provide a written report on its operations, including but not limited to its financial

condition, budget, expenses and outlays and income to the Laramie County Commissioners. LESSEE further agrees to appear before the Laramie County Commissioners as requested, and in any event no less frequently than annually, to provide a written report of the operations and progress made by LESSEE in its utilization of the Leased Premises for the intended purpose. LESSEE agrees that the Laramie County Commissioners may modify the terms of this Agreement in order to compel or prohibit actions, improvements or changes in the operations on the part of LESSEE in the use of the Leased Premises. In the event the Laramie County Commissioners find, at any time, that LESSEE has not made sufficient progress in funding or in other activities and/or that its operations, progress or use of the Leased Premises represent less than full utilization of the property for its intended purpose, or that the operations of the motocross track have become injurious to the general welfare of the citizens of Laramie County in any manner, this Agreement may be terminated by COUNTY.

B. LESSEE agrees and warrants that its use of the Leased Premises is conducted for the benefit of the general public. LESSEE agrees it will not discriminate against any person who wishes to participate in the activities on the Leased Premises because of race, color, gender, creed, disability, or national origin. LESSEE's fees, guidelines and rules for the use of the Leased Premises for its intended purpose shall not be set, created or enforced in such a manner as to exclude members of the public wishing to make use of the property. This clause shall not be interpreted to prevent LESSEE from setting rules and regulations in place for the safe and prudent operation of the facilities nor to prevent LESSEE from excluding or removing individuals not complying with said rules or otherwise violating law, the terms of this Agreement or applicable regulation or presenting a risk of harm to themselves or others.

C. LESSEE agrees to maintain financial, operational and construction records in accordance with generally accepted accounting principles, and to make such records available for inspection by the COUNTY at all reasonable times.

D. County reserves the right to negotiate alternate uses of the leased area with other providers during the course of this agreement. Any use of the leased area must be compatible with, coordinated with, and approved by the LESSEE. Said alternate use shall not interfere with the LESSEE's ability to use the area and shall not impact the facilities provided by the LESSEE without specific authorization from the LESSEE.

E. In the event that the lease area is annexed into the City of Cheyenne, the LESSEE agrees to abide and conform to any provisions or regulations of the City.

LESSEE and its agents or volunteers will be treated as an independent contractor for federal tax filing purposes. Neither LESSEE nor its agents or volunteers are eligible for Laramie County Employee benefits. LESSEE assumes responsibility for its personnel who provide services in relation to or pursuant to this Agreement and will make all deductions required of employers by state, federal and local laws and

B. Acceptance Not Waiver: COUNTY approval of the reports, work or activities furnished, conducted or provided pursuant to this Agreement shall not in any way relieve LESSEE of responsibility for its compliance with the terms of this Agreement. COUNTY approval or acceptance of, or payment for, any of the reports, work or activities shall not be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

C. Termination: This Agreement may be terminated (a) by either party at any time for failure of the other party to comply with the terms and conditions of this Lease Agreement; (b) by either party, with sixty (60) days' prior written notice to the other party; or (c) upon mutual written agreement by both parties. If LESSEE should default under or violate the terms of this Agreement, COUNTY shall have the right, among others, to terminate this Agreement and to repossess the Leased Premises and cause LESSEE to vacate the leased premises in the manner provided by law. If this should occur, LESSEE will pay COUNTY the expenses incurred in obtaining possession of the leased premises and all other damages sustained by COUNTY as a result of having taken such action.

D. Entire Agreement: This Lease Agreement, consisting of thirteen (14) pages, and the Attachments listed below, represent the entire and integrated agreement and understanding between the parties and supersede all prior negotiations, statements, representations and agreements, whether written or oral.

In addition to the foregoing, LESSEE is specifically prohibited from sub-leasing, renting, loaning or otherwise providing access to the Leased Premises to any other organization, club, individual, association or entity for any use without prior written approval by the COUNTY. LESSEE understands and agrees that such approval, if granted in the sole discretion of COUNTY, may be conditioned upon any requirements the COUNTY determines necessary including, but not limited to, the posting of a bond in an amount to be set by COUNTY, the sufficiency of which shall be adjudged solely by COUNTY. COUNTY shall determine whether said bond is to be provided by either LESSEE or the organization, club, individual, association or entity to which LESSEE wishes to provide use of the Leased Premises.

F. Modification: This Lease Agreement shall be modified only by a written agreement, duly executed by all parties hereto.

G. Invalidity: If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, or if the COUNTY is advised of any such actual or potential invalidity or unenforceability, such holding or advice shall not invalidate or render unenforceable any other provision hereof. It is the express intent of the parties that the provisions of this Agreement are fully severable.

H. Applicable Law and Venue: The parties mutually understand and agree this Agreement shall be governed by and interpreted pursuant to the laws of the State of Wyoming. If any dispute arises between the parties from or concerning this Agreement or the subject matter hereof, any suit or proceeding at law or in equity shall be brought in the District Court of the State of Wyoming, First Judicial District, sitting at Cheyenne, Wyoming. The foregoing provisions of this paragraph are agreed by the parties to be a material inducement to LESSEE and to COUNTY in executing this Agreement. This provision is not intended nor shall it be construed to waive COUNTY's governmental immunity as provided in this Agreement.

I. Contingencies: LESSEE certifies and warrants no gratuities, kick-backs or contingency fees were paid in connection with this Agreement, nor were any fees, commissions, gifts or other considerations made contingent upon the award of this Agreement.

J. Discrimination: All parties agree they will not discriminate against any person who performs work under the terms and conditions of this Agreement because of race, color, gender, creed, disability, or national origin.

Further, COUNTY fully retains all immunities and defenses provided by law with regard to any action, whether in tort, contract or any other theory of law, based on this Agreement.

M. Indemnification: To the fullest extent permitted by law, LESSEE agrees to fully defend, indemnify and hold harmless COUNTY, its elected and appointed officials, employees and volunteers from any and all liability for injuries, damages, claims, penalties, actions, demands or expenses, including attorneys' fees and expenses, arising from or in connection with this Agreement or arising from LESSEE's or its agents, volunteers and/or invitee's use of the Leased Premises. Further, LESSEE agrees to defend, indemnify and hold harmless COUNTY, its elected and appointed officials, employees and volunteers from any and all liability for injuries, damages, claims, penalties, actions, demands or expenses arising from any hazardous substances present on the property as defined by the Comprehensive Environmental Response, Compensation and

The rights, duties and obligations contained in this Agreement shall operate only between the parties to the Lease Agreement, and shall inure solely to the benefit of the parties to this Agreement.

O. Conflict of Interest: COUNTY and LESSEE affirm, to their knowledge, no LESSEE employee, volunteer or agent has any personal beneficial interest whatsoever in the Agreement described herein. No member of LESSEE, compensated either partially or wholly with funds from this Agreement, shall engage in any conduct or activity which would constitute a conflict of interest relative to this Agreement.

Such causes may include, but are not restricted to, Act of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. In every case, however, a failure to perform must be beyond the control and without the fault or the negligence of said party.

COUNTY shall notify LESSEE at the earliest possible time of the services which will or may be affected by a shortage of funds. At the earliest possible time means at least thirty (30) days before the shortage will affect payment of claims, if COUNTY knows of the shortage at least thirty (30) days in advance.
