Dear Commissioners:

I would like to formally apply to be appointed on a County Appointed Board. I would be interested in serving on the Laramie County Library Board, Eastern Laramie County Solid Waste Disposal District and Laramie County Community Action Board. I believe I could effectively serve and commit to any of these boards. I have no preference and would be humble to serve on any of these boards.

I would like to volunteer due to my desire to serve the community of Laramie County. I have many years of experience working in governmental agencies, thirteen years of active duty military and have volunteered with many great non-profit organizations. I am new to this community, but I believe I can bring some fresh ideas and make a difference. My three qualities are problem solving, building relationships and innovation.

Please let me know if you have any questions or need additional information. If an appointment to one of the three boards is not available, I would consider other appointments or community projects as needed by the board of Commissioners.

Sincerely,

A handwritten signature in black ink, appearing to be 'Justin Tripp', written in a cursive style.
