Re: Letter of Amendment - Continued Juvenile Health Care Services 2019-2020

Dear Captain Sorenson,

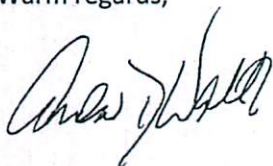

I hope this letter finds you well. As the proud provider of medical services for the inmates and detainees at the Laramie County Juvenile Services Center (LCJSC), Correctional Healthcare Companies (CHC) strives to exceed your expectations regarding the level and quality of services we deliver.

The current term of our contract ends June 30, 2019 and automatically renews for an additional one-year period effective July 1, 2019. CHC requests an increase to the base compensation amount consistent with the Consumer Price Index ("CPI") for Urban Consumers – US City Average, Medical Care Services, which stands at 2.6% for December 2018. Application of the increase, revises the amount for professional health care services from **\$9,107.39** monthly to **\$9,344.18** monthly / **\$112,130.16** annually.

Please acknowledge your acceptance of the compensation increase by returning a signed copy to Stephanie Parkinson, Partner Services Specialist, at sdparkinson@wellpath.us. All other terms of the current Agreement shall remain in full force and effect through the end of the contract period.
