6. **TERMINATION.** This License will terminate automatically without notice from Pictometry if you fail to comply with any term of this License. Upon the termination of this License, you will cease all use of the Pictometry Software and destroy all copies, full or partial, of the Proprietary Materials.

Pictometry must be notified in advance of any license grants to United States federal governmental entities. The Pictometry Software is developed for general use in a variety of applications and is not developed or intended for use in any inherently dangerous applications or applications that could lead to property damage, personal injury or death. If you use the Pictometry Software in such applications, then you will be responsible for taking all appropriate fail-safe, backup, redundancy, and other measures to ensure the safe use of the Pictometry Software in such applications, including but not limited to, in any nuclear, aviation, mass transit, public safety or medical applications.
 - B. **Foreign Trade Restrictions.** The parties acknowledge that certain information, software technology, accompanying documentation and technical information may be subject to United States export control laws. You will not directly or indirectly export or re-export the Pictometry Software in violation of the Export Administration Regulations of the U.S. Department of Commerce.
 - C. **Governing Law.** This License will be governed by and interpreted in accordance with the laws of the State of New York, excluding its conflict of laws principles.
 - D. **Assignment.** You may not assign this License without Pictometry's prior written consent. Any assignment in violation of this License will be null, void and of no force and effect. For all purposes under this License, any merger, consolidation, spin-off, acquisition or change-in-control will be deemed an assignment.
 - E. **Partial Invalidity; Survival.** If any provision of this License is held invalid or unenforceable by competent authority, that provision will be construed so as to be limited or reduced to the maximum extent compatible with the law as it will then appear. The total invalidity or unenforceability of any particular provision of this License will not affect its other provisions and this License will be construed in all respects as if the invalid or unenforceable provision were omitted. The provisions of this License that by their nature would survive its termination will survive indefinitely.
 - F. **Force Majeure.** Except with respect to Customer's payment obligations for services delivered, reports delivered or any ongoing subscription payment obligation, each party will be excused from performance under this Agreement, will not be deemed to be in breach hereof, and will have no liability to the

other party whatsoever if either party is prevented from performing any of its obligations hereunder, in whole or in part, as a result of a Force Majeure Event. A "Force Majeure Event" means an event or occurrence beyond the control of the nonperforming party, such as an act of God or of the public enemy, embargo or other act of government in either its sovereign or contractual capacity, government regulation, travel ban or request, court order, civil disturbance, terrorism, war, quarantine restriction, epidemic, virus, fire, weather, flood, accident, strike, slowdown, delay in transportation, electrical power outage, interruption or degradation in electronic communications systems, inability to obtain necessary labor, materials or manufacturing facilities, and other similar events. In the event of any delay resulting from a Force Majeure Event, any date of delivery hereunder will be extended for a period equal to the time lost because of the delay.

- G. **Waiver.** No waiver of a breach of any term of this License will be effective unless in writing and duly executed by the waiving party. No such waiver will constitute a waiver of any subsequent breach of the same or any other term of this License. No failure on the part of a party to exercise, and no delay in exercising any of its rights hereunder will operate as a waiver thereof, nor will any single or partial exercise by a party of any right preclude any other or future exercise thereof or the exercise of any other right. No course of dealing between the parties will be deemed effective to modify, amend or discharge any part of this License or the rights or obligations of any party hereunder.
- H. **Entire Agreement; Construction.** This License contains the entire understanding of the parties with respect to the subject matter hereof and supersedes any prior or contemporaneous understandings regarding that subject matter. No amendment to or modification of this License will be binding unless in writing and signed by Pictometry. They do not constitute a portion of this License and will not be used in any construction of it.
