Brad Emmons, Planning, said this application has been submitted to subdivide the property of approximately 93 acres in 18 single-family residential lots with two open space tracts. The submitted property had a rural residence and associated structures in north central portion which have been demolished. The property is surrounded by rural residential and agricultural properties of varying acreage. Kelly Havner, CivilWorx, agent for the applicant, said the applicants have agreed to remove Tract 1 and 7 from undivided ownership. A permanent irrigation well (stand alone) will be placed on Tract 2. There will not be a home nor a septic system on this Tract. Due to road safety concerns on Tract 7, a buffer has been extended to allow an extra several hundred foot buffer. Mr. Emmons stated that on February 27, 2018 the DEQ issued a "Non Adverse Recommendation" letter. On June 28 the Planning Department received a new plat map.

Chairman Holmes opened the hearing for PUBLIC COMMENT. Lynn Boak, 2481 CR 218, said if the subdivision is approved, the road needs to be paved. Dennis Santor, 2424 CR 218, said he is concerned about water and potential flooding issues. Kathy Watt, 2486 CR 218, said the hill on CR 218 is almost impassable and has also been flooded. Hearing no further PUBLIC COMMENT, Chairman Holmes closed the hearing. Commissioner Thompson asked the Public Works Director to address the road concerns. Rob Geringer, Public Works, said the current road count for CR 218 is approximately 126 a day. If the subdivision is approved, the count could go up to 330 per day, which is considered low volume and paving is not necessary.

Mr. Havner said they have minimized conflicts that would happen with a steep road

and improved site distance through a new access road on the east side of the subdivision. Commissioner Kailey said he has a lot of concerns and questioned the density. Gary Hickman, Environmental Health, reviewed the Laramie County Small Waste Water Regulations. Mr. Hickman explained the open space design and stated the subdivision meets the regulation. DEQ requires no minimum lot size, so it is up to county's rules. Commissioner Kailey said he has years of experience with water and septic and has seen the results of septic and water being in dense areas and does not want that to happen again; e.g., Sunnyside, Merrit Mobile Home Park, and Southwest Drive. Commissioner Thompson said it would be arbitrary to go against county regulations, the county is going to re-address land use regulations, and would welcome input from citizens.

A motion was made by Commissioner Thompson, seconded by Commissioner Ash, that this agenda item be approved with four conditions and to adopt the findings of fact a of the staff report. The motion carried by the following vote:

Aye: Holmes, Heath, Thompson, and Ash

Nay: Kailey

- 16.** POSTPONEMENT of the public hearing regarding the Subdivision Permit and Plat for Oasis Subdivision, located in a portion of the NE1/4 Section 1, T.14 N., R.62 W., of the 6th P.M., Laramie County, WY.

[18 - 242](#)

Attachments: [Oasis Subdivision Postponement](#)

A motion was made by Vice Chairman Heath, seconded by Commissioner Kailey, that this agenda item be postponed until July 17, 2018. The motion carried by the following vote:

Aye: Holmes, Heath, Thompson, Kailey, and Ash

The meeting adjourned at 4:26 p.m.

CERTIFICATION

I, Debra K. Lee, Clerk of Laramie County, do hereby certify the above to be a true and correct copy of the Minutes of the Proceedings for Tuesday, July 3, 2018.
