FFA has set up a Face Book page to highlight the livestock buyers and the livestock sold. The purpose is to increase interest in the Kiwanis FFA Livestock Sale.

The FFA Advisors are planning another sheep and goat fitting and showmanship camp at the Archer Complex June 28 and 29, 2021. The camp attracts youth from Laramie County, surrounding counties and out of state.

They are also hoping to have a beef fitting and showing camp with an emphasis on fitting a beef animal for show.

Goats and sheep will be tagged at the Archer Complex on one date this year. Tags for livestock are on order and will be able to be read from a distance. The 16-digit numbers that required the electronic tag reader will not be used this year.

The Drive-In 4-H Achievement Night was a success and enabled the department to use the inflatable screen before the indoor drive-in movie event on Dec. 19.

LeRoy Reardon, spoke to the Board concerning the disposal of the livestock panels that were located in the CFD barns.

Dan Ange explained the process they went through to dispose of the panels and the events leading up to the sale of the panels.

- Panels were sold to LCCC, Casper College, UW AG Dept., Casper State Fair, Platte County Fair, one FFA family, a family from the community and two other individuals within the state.
- E- Comments were received, see attached comments.

Joe Allen asked if a policy for the disposal of excess fair equipment could be developed that would give 4-H and FFA members priority in the future. Members could be notified of surplus items through the Advisors.

Pam Freeman bought some of the panels. She said they should have gone up for auction, a decision that was made by the Fair Board when she was a member. She said she found out by accident the panels were available for sale.

Next meeting is scheduled for Jan. 4, 2021.

The meeting adjourned at 6:00 p.m.
