Kristy Nagy  
4-H Sale sold 251 animals; total sales \$699,294

The Internet Sale had some early glitches but were worked out before the sale began. There were some issues with Herdsmanship, particularly with the stall cards.

3. FFA Advisors

[21 - 434](#)

Joe Allen East High FFA,  
The changes they made went well this year. Overall, the sale was higher than last year. The new location at the Hereford Ranch was well received. The advisors will meet in late September to go over Parental Comments. FFA is preparing teams for National FFA Competition, they have 1 member who is in the top 16 in the National in Extemporaneous Speaking. The new TOP FIVE Class was a success and will continue in the future.  
Tommy Cress, FFA Advisor, Central High School,  
commented he has a lot of catching up to do after being away from the FFA program for several years mostly in relation to the new technology, but truly appreciated the cooperation with 4-H all the Advisors, Commissioners/Board, Event Staff, Nicholle Watkins, Dan Ange and Larry Milbourn. He feels they need to work on getting the word out about the new sale location.

**4. Staff**[21 - 435](#)

Larry Milbourn, Ground's Manager
